Ladies

Remember to live your lives with passion!

In this modern society, women are no longer confined to the traditional gender roles that men as breadwinner and women as homemaker. They no longer have to place family issues on a pedestal after marriage, nor do they have to solely dedicate their time to playing the role of a conventional wife and mother. As a 21st century woman, aside from juggling their responsibilities as a wife and mother, they also seek financial autonomy while in pursuing of their own personal goals and dreams, to live a life that is truly their own.

With women being socially conscious of their rights and capabilities, women in the 21st century workplace are a common sight to behold. Women represent a strong new force that are continuously redefining the social orientation while breaking the traditional stereotypes women are bound to, with their excellent performances in their respective fields. Women no longer are restrained to matters of the home - we instead stand on equal ground with men in terms of job opportunities. Our passion and resolve drives our absolute determination to prove that: yes, we can have great career achievements to our name, just like men. We are even able to use our unique feminine attitude and potential to even do things a little better!

Formerly, most of the women believe that women shall stay home and look after children once a woman is married. Women would never establish their own venture or career due to home-career imbalance. However, the modern-day women begin to appreciate and realize the importance of better quality lifestyle and are able to strike a balance in homemaking and career. As of today, more and more women are able to uphold an important role in the society.

Nowadays, establishing a career is necessary for any woman, regardless of your relationship status. A stable career is the fundamental of any woman's independence; aside from gaining financial autonomy that will not be restricted by your significant other, you will not be someone else's burden. Even if you're fortunate enough to be born with a silver spoon, or your partner possess well beyond the means to take care of you, you still should not give up on your career despite having the opportunity to enjoy a comfortably plush life. Mostly, women delve into careers not only because of the financial offerings, but also how their efforts are able to unleash their potential and values in life. With the constant self-improvement and reflection that comes with a career, we are able to create significant value for our society as well.

Let's work hard towards shaping you into a great woman!

Having A Career Should Not Be A Dream

According to a survey, 57% of women who have become mothers think that choosing marriage and family have threatened their chances of having a strong career. However, in today's context most married women see these choices as two ends of a spectrum where one shouldn't be sacrificed for the other. Hence, most working women today fall into juggling two major roles - a mother & wife and a career woman. After marriage, a stay-at-home homemaker and mum might be easily - and unjustly - labelled as a woman with no career passions in life. On the contrary, most women will be criticized if they choose to continue working even after marriage and starting a family - these pressures will often force them to pick one over the other, and not both. Are we not entitled to enjoy both our family and our careers at the same time? Balancing family and business is never an easy task, especially when it comes to garnering support from family regarding career choices. A flexible employment is a solution to providing women both time to expand their careers, and for their family as well.

If you have left your careers for the sake of your family, and wish to start anew with a fresh career, or simply if you'd like to have some additional income for the family, Return Legacy is the platform for you!

You'd also be able to enjoy the luxury of controlling your own time, so balancing your family and your career will not be a mind-boggling task. Age is merely a number and do not fear in it! As long as you have the courage to take a step forward into this new frontier, Return Legacy will be by your side towards greatness, supporting your journey towards discovering a better you and your dreams.

Happiness will never fall from the sky but only by your own efforts and merits that would be able to create great career opportunities.

time to attend the LCA session and bond with his fellow Return Legacy distributors. This also allowed the Legacians to gain further insights into the flourishing growth and future development of the Legacy Science Team.

New Entrepreneur Orientation (NEO)

Orientation for new join distributors on the most basic and fundamental skill needed to make a success start up at Return Legacy.

UNLEASH THE BEAUTY,

FROM INSIDE OUT

The three important stages of a woman's life:

Puberty / Adolescence

- 🔆 The age of first menstruation
- Increase in female hormone estrogen, which might trigger a chain reaction in the body
- Irregular period
- Nenstrual cramps
- Neveloping of breast
- Growing of pubic and underarm hair

Adulthood / Fertility age

- Fertility age, the best time to get pregnant
- Vaginal become more sensitive due to sexual intercourse that might increase the risk of infection
- 🗱 Weight gain
- * Changes in skin

Menopause / Elderly

- Decrease in female hormone estrogen
- Mood swings
- Vaginal dryness, which easily caused itchiness
- Aging skin

Upholding the belief of every woman deserves to shine from inside out regardless their age, Return Legacy is here to introduce a thoughtful package, exclusively for women. The package included both inner and outer pamper needed by all women.

REOXlife PRO W+

Our outer beauty mirrors our inner health. While, the hormonal balance is one of the key factors to maintain good health for women. Specially designed to address woman's health concern, REOXlife PRO W+ ticked all the right boxes with the combination of natural ingredients and patented technology (MMNT). This naturally-derived product helps to balance the secretion of female hormone, obtain an ideal figure and relieve the discomfort that might encountered by women in different stages of life.

Secret Hygiene Solution (SHS)

Just as the rest of our skin, the intimate part needs to be taken care gently too. A female vagina is slightly acidic and inhabited by a diverse of microflora, which include both friendly and harmful bacteria. To ensure an optimal vaginal health, the amount of microflora has to be balanced. But, the micro-ecological environment is very sensitive. Our lifestyle habits especially using improper cleansing products and poor personal hygiene during menstrual period will stimulate the overgrowth of harmful bacteria, which in turn leads to vaginal infection.

Packed with all the thoughtful ingredients, the pH 4.5 low acidic Secret Hygiene Solution (SHS) cleanse delicately and soothes discomfort, leaving the intimate part with high level of moisture and itch free. With the aid of probiotic and prebiotic, this feminine wash is said to inhibit the overgrowth of harmful bacteria while enhancing the natural defences of our intimate part.

BREAKING TRADITIONS

TO FORGE A FRUITFUL,

RICH LIFE

Royal Ambassador -

"I ran a jewellery business for many years, and even operated two stores - one could say that I found considerable success in the line of traditional business endeavours. Despite the stability of my career, I found that traditional enterprises are often fraught with perennial risks and challenges, something not anyone can muster the determination to overcome."

Jewellery trading is a business with a very high threshold - the stakes are high, so are the risks and capital required for its investment. Whenever my friends enquired about the business, I would unabashedly reveal to them the struggles I faced running the trade, in hopes that it would encourage them to search for a career better suited to their passions and goals.

Being in the market for a few years, I have fostered an open-minded attitude and perspective, especially towards new business opportunities. I was also extremely keen on trying new, yet outstanding products. In 2014, I came across Redoxy anti-aging essence that was developed via MMNT technology through a close friend. At the time, beyond simply trying out a new skincare product, I had no other intentions upon purchasing it - I was simply intrigued by the miracle-like results the product boasted, and wished to try it out on myself. After just a few weeks of use, I did not expect the flood of compliments I've received, from both my friends and customers. They praised the newfound glow and radiance my skin possessed! It was then I realized the remarkable effects of Redoxy essence, and started to consider the potential business opportunities I could have with Return Legacy.

UTILIZED THIS PLATFORM TO TRANSFORM THEIR LIVES

Of course, challenges were encountered during the process, but I never grumbled, and strived to learn. I understood that different professions require different execution methods, so I did not mind learning while operating the new Return Legacy entrepreneurship. If I met any setbacks, I could quickly stand back up. I am greatly appreciative of the support shown to me by Return Legacy's management, who taught me to have a stronger mentality, as well as the organizational development that helped me to achieve my goals. Seeing how the other esteemed members of the organization utilized this platform to transform their lives, I knew that it was all worth it. As for me, I managed to earn a 6-digit income after nurturing leaders in Return Legacy who are earning 5-digit incomes! I am pleased and honoured to be able to gather a group of like-minded individuals to forge onwards towards new frontiers as a team. Watching our Legacy Partners and their families break through and create their own successes is a great satisfaction that money is unable to buy.

ALWAYS DO OUR BEST

TO TRANSFORM NOT
ONLY OUR LIVES, BUT
ALSO PEOPLE AROUND US.

Prior towards achieving my Royal Ambassador goal, I never stopped sharing Return Legacy's business to everyone I've met. Eventually, I even surpassed my own personal record by signing on 17 new LP in just 4 days, making myself eligible for the Royal Ambassador title. From that moment onwards, I truly realized that to achieve success with Return Legacy, one must always do their best and allow their Return Legacy career to transform not only their lives, but also to people around them.

I would like to express my sincere gratitude to the founder of Return Legacy, Dr. Lee, and the management who have always upheld the concept of sustainable management of this platform. I will always allow the spirit of "Our Legacy Home" to flourish, so that many others will be able to benefit from Return Legacy's products and business!

随着时代的进步,女性不再被"男主外,女主内"的传统观念定形,不再是踏入婚姻殿堂后一切以家庭为重,扮演相夫教子的角色。作为21世纪的新时代女性,在兼顾家庭与婚姻的同时,也要追求经济自主,勇于追求梦想,活出更好的自己。

随着女性自我意识抬头,21世纪的职场上出现越来越多女性身影。女性作为一支新生力量,不断以优秀的表现为传统女性的社会定位重新定义。女人不再是只为家庭而生,我们也可以拥有与男性平等的就业机会,用我们的奋斗来证明:我们也可以像男性一样成就事业;我们也能用女性独特的视角方式,把事情做得更好。

在过去,很多女性认为,一旦选择成为家庭主妇,在家相夫教子,就无法在社会上创立自己的事业,或者一个事业女强人,是无法同一时间打理好家庭生活的。可是,现代女性开始逐渐追求更有品质的生活,她们认为家庭和事业都是可以同时兼顾,而女性也逐渐在社会上扮演更重要的角色。

现今,无论你是单身或已婚,家境如何,身为女人必须建立一份自己的事业。事业是女人独立的基石,拥有事业不仅可以获得经济掌握权,也不会成为别人的负累。纵使家境富裕,不愁三餐,或者伴侣有能力养活妳,妳干万别因为安逸的生活而放弃自己的事业,放弃自立根生的能力。有时候,女人投入职场不只是为了获取一份经济来源,而是透过努力工作实现自己的价值,在不断的自我提升中获得肯定和自我完善,甚至可以为社会创造价值。

幸福从不会从天而降,需要靠自己的努力,靠自己去经营和创造,

职场与事业兼顾不应该只是梦想

根据调查,57%已为人母的大马女性认为,选择成家及生儿育女,已危及本身的事业。当今社会,许多已婚女性把家庭和事业视为两个极端的选择,使她们陷入职场女性与贤妻良母双重角色的困境。婚后当全职家庭主妇的女人容易被贴上"没事业心的女人"。相反的,走入婚姻后依然选择继续工作的女性又会被批评不顾家庭,所以女性被迫在家庭和事业当中二选一,难道家庭与事业不能同时拥有吗?要平衡家庭与事业,除了要得到家人尤其是另一半的全力支持以外,选择一个灵活的就业平台也是关键之一。

在传承国际,有许多来自不同背景,学历, 经验的成功女性领袖,当中也有一些是完全 无工作经验的家庭主妇。 她们以努力奋斗的 决心,借助这个创业平台获得成功。传承国 际为您提供一个创业平台,帮助你提升家庭 收入之余,还可以让享受自由时间,平衡事 业与家庭已不再是难题。 你无需畏惧年龄, 只要你有勇气踏出第一步,勇敢追寻自己想 要的生活,传承国际将与你同步,带领你遇 见一个未知的自己,一个更优秀的你,一起 为梦想而奋斗。

REOXlife PRO W+

您的外表往往是内在健康的反射,而女性荷尔蒙是这其中的关键。结合了多种天然植物的萃取物与专利科技 (MMNT),REOXlife PRO W+ 是专为女性生理健康而创的产品。其配方有助于平衡体内的荷尔蒙,塑造理想体态,改善妇女在每一个年龄层都可能面对的困扰。

Secret Hygiene Solution (SHS)

除了脸部肌肤,脆弱的私密处也需要细腻的呵护。女性的私密处偏于弱酸且富含天然微生物,这其中也包含益菌及有害细菌。不良的卫生习惯,尤其是在月经期间,都可能破坏乳酸杆菌(一种益菌)的生态环境,提高阴道受感染的机率。

以pH 4.5 弱酸配方打造的无皂私密保养清洁剂 (SHS),维护私密处乳酸杆菌所需的弱酸生态环境。同时,其蕴含的益生菌 (probiotic)与益生元 (prebiotic)更是抑制有害细菌的滋长,加强私密天然防护屏障的有效成份。SHS 也有助于滋润私密处,舒缓痕痒及不适感。

"我经营珠宝生意多年,也开了两家 店,在传统行业可说颇有成就。虽然 已拥有稳定的事业,可是我总觉得传 统企业不断面临风险,并不是人人都 能顺利熬过挑战。

珠宝买卖是一个门槛甚高的生意, 本钱与风险高、竞争多、开销又大 , 每当朋友问起, 我都会毫不隐瞒 地告诉对方经营这门生意的难度, 希望他们可以找到适合自己的事业 发展。

在市场打滚多年,我一直秉持开放 的态度,不时寻找商机与尝试卓越 产品。2014年的时候,我透过一位 好友的分享认识了以MMNT科技研 发的Redoxy抗老精华液。当时我只 是抱着试一试无妨的心态购买,想 知道这瓶美容品是否一如对方所介 绍般神奇。没想到使用了短短几周 后,许多朋友与顾客称赞我的脸部 皮肤亮丽了许多, 当下我才意识到 这产品的显著功效, 并开始思考传 承国际所能带来的商机。
