LEGACY LIFE

Dream Big Towards Abundance

Return Legacy is a platform for a good entrepreneurial start. "Enhance awareness and courage to pursue the ideal of youth, towards the betterment of your life and financial freedom" is the mission advocated by us. We believe that everyone has the opportunity to create their own extraordinary life and this is what held us firmly adhered to.

One's age, qualification and background are not a detriment to their path towards success. Success can be achieved with perseverance, determination and passion to strive forward. Indeed, changes have to be made in order to garnish extraordinary and outstanding results. Embed positive thoughts as guidance on challenges and not be easily discouraged and capitulated throughout the journey.

In Return Legacy, uplifting "self-cognition" is the core drive and principal of all Legacians. "Self-cognition" is the perception of the relationship between own cognitive, physical and mental state and their relationship with the society. It consists of three psychological elements, namely self-knowledge, self-experience and self-control

"Self-knowledge" is self-perception, self-observation, self-analysis and self-criticism and other forms of understanding themselves. The precise self-evaluation can assist in the development of interpersonal relationships. Confidence and sense of security are engendered when there is an in line between the evaluation on themselves and society perception.

"Self-experience" is self-esteem, sense of responsibility and superiority. Self-experience reflects the real "self" and the "self" in their own evaluation or the evaluation by others. Like the feeling of success and the feeling of failure, such as, when a person think that he has achieved success and others do not think alike. Therefore, the feeling of success and failure to a certain extent need to have common standard with the community. Proper handling of self-experience, the development of physical and mental are of great significance.

Self-Cognition, *the core drive and principal* *of all Legacians*

And "self-control" is from the self-reliance, self-improvement, self-defense, self-discipline that is, their own behavior, thinking and speech control. To improve and enhance self-control ability, we must pursue the team goals and objectives and not personal interests. With self-awareness, self-experience and self-control, further with alignment of behavior to meet the needs of groups and social morality will improve learning efficiency.

Legacians do not strive for success individually, but for the betterment of everyone involved, focusing on inspiring others to achieve their dreams. This is what we are upholding all these whiles to drive us forward.

We hope that all Legacians are able to prepare themselves well, uphold and advocate the company's mission and bring Return Legacy to greater heights. In return, Legacians will be able to experience the abundant benefits from Return Legacy entrepreneurship; thus, being able to attain ideal achievements and come into greater prominence while relishing a better life with better opportunities for all!

2016 RUBY RECOGNITION

The key to achieving one's ideal visions and goals is **by daring to set foot on a journey;**
As a tenacious spirit is **the driving force**
behind brilliant achievements.

Goals are merely wishful thinking until one
spurs action.

Be willing to boldly face challenges head-on in
the pursuit of dreams,

The attainment of the pinnacle of personal
success will soon be made into a reality.

2° ACTIVATOR

INTENSE HYDRATION, FLAWLESS PROTECTION

The natural protective barrier of our skin is utmost important. However, our skin is constantly exposed to harsh environment and air pollutants, especially the suspended particulate matter (PM). The key distinguishable characteristic of particulate matter lies in its size – such as PM2.5 aptly named for being less than 2.5 microns in diameter. PM2.5 is a fine particle, 20 times smaller than the pores on skin, produced from the emission of factories, car exhaust fumes and open burning. PM2.5 adheres to skin easily, provokes oxidation reactions and impairs the natural protective barrier. The thin, weak or damaged skin barrier leads to the loss of natural moisture, resulted in dryness and stress that triggers premature aging.

To provide a thorough protection to the delicate skin, Return Legacy has introduced a highly-hydrating and protecting daily skin care series to aid skin in resisting harmful effects of PM2.5 – the 2° Activator. This series is comprised of **2° Activator Fresh** and **2° Activator Hydro**.

2° Activator Fresh Cleansing Mousse

Combined with the patented technology (MMNT) and unique impurity resisting formula, the 2° Activator Fresh is a cleansing mousse that gently cleans and removes the stress of pollution from our skin. The impurity resisting formula forms an invisible protective barrier on our skin, protecting it from environmental irritants and harmful PM2.5. This delicate cleansing mousse cleanses the skin deeply and protects it flawlessly. Skin feels comfortably refreshed, clean and never tight or pulled.

2° Activator Hydro Moisturizer

Formulated with sodium hyaluronate – the nature's water-captivator, 2° Activator Hydro is a lightweight and non-greasy hydrating gel cream, designed to flood skin with moisture and instantly quenches dehydrated skin. Infused with patented technology (MMNT), it amps up the absorption rate of the hydrator, leaving skin dewy glow from inside out.

Daily skin care regimen:

1. Facial cleansing is the basis of every skin care routine, and is also the most important step. A proper cleansing allows the subsequent skin care products to absorb better into the skin and be more effective. Pump a sufficient amount of Activator Fresh over the palm and gently apply onto the skin, avoid contacting eyes. Rinse thoroughly with lukewarm water. Use twice daily, morning and night.
2. Take an adequate amount of Activator Hydro, apply evenly on forehead, cheeks, chin and other desired areas. Use twice daily, morning and night.

CHAI XIAO FEN & LAI SIEW YIENG

HARD WORK AND A TENACIOUS SPIRIT
WILL ALWAYS HAVE ITS

Fruitful Rewards

We are just two ordinary girls who grew up in East Malaysia. We do not possess the highest educational qualifications or life experiences but we do share a common ground. We believe that hard work and a tenacious spirit will always have its fruitful rewards, and we have been business partners for quite a number of years.

Eight years ago, we started running a few small budding enterprises together; from selling credits cards and insurance, assisting in government loan applications, to even selling products by the road.

Unfortunately, these were all vain attempts that ended in failure. We later invested into a mobile prepaid card trade as well. Looking back, admittedly we were naïve in presuming that this would represent our stepping stone to success. It was only after when the business officially launched that we realized, establishing one own business is harder than expected!

ROYAL AMBASSADOR
CHAI XIAO FEN

RETURN LEGACY

WOULD LEAD US TO ACHIEVING
OUR GOALS AND DREAMS.

In March 2014, we stumbled across REDOXY via an e-commerce platform. We were enthralled and fascinated by the benefits the product offered and signed on as sales agents without a second thought. Our instincts were telling us that this was a massive opportunity that we couldn't let slip by. In order to learn more about the potential prospects regarding REDOXY, we even flew to West Malaysia to attend Return Legacy's First Recognition. During the event, we saw how others, who were once in our position, have accomplished superb success with this platform and confident that this is the career that would lead us to achieving our goals and dreams. Beyond the lucrative financial returns, we would have valuable opportunities to enhance and grow ourselves and our skills, which in turn would be able to help others to attain their success.

ROYAL AMBASSADOR
LAI SIEW YIENG

Royal Ambassador

Truth be told, we were not well-acquainted with the knowledge of this industry. As we were establishing our foothold from Sarawak, helpful resources and support were scarce at the time. But we believed by following the company's footsteps and adhered to its business strategies, while embracing a proactive nature to learn from proficient yet experienced members, we would be able to attain exceptional achievements. The management of Return Legacy executives were earnest and sincere in their efforts to help and guide us. Aside from our sense of gratitude, we expressed our appreciation through reaping impressive results to reciprocate their kind teachings. In less than a year, we nurtured and managed a team that was earning five-digit incomes, while establishing an extensive consumer network. The hard work and determination had led us achieved the rank title of Royal Ambassador!

WHY SETTLE FOR LESS WHEN YOU HAVE THE BEST?

RLEA has provided us with a myriad of tools and courses to enhance our prowess and skills essential for facilitating the dynamic yet productive development of the organization and its relevant markets. RLEA has taught us that repetition is the path to mastery; if we wish to achieve success, mastering the five rudiments of learning, executing, proficiency, teaching and conveying are a requisite.

We had once enquired Return Legacy's great founder, Dr. Lee, on what is the essence of establishing the company. He had put it succinctly: "Helping others to succeed is to forge your own attainment". When we are willing to assist others, we will naturally succeed in our own endeavors. Throughout the pursuit of our success, aside from consistently learning, adapting and improving ourselves, our maxim of "Resistance is Drive" was crucial to motivating us in the face of demanding hardships and challenges. As the saying goes, "Why settle for less when you have the best?" So long as you have the passion and zeal to pursue your dream, Return Legacy is the perfect platform to living the lifestyle of your dreams.

LEGACY LIFE

勇于追求 梦想

传承国际是一个让我们引以为傲的创业平台。在这平台中，我们背负着一个重大的使命，那就是：提升人们意识，勇于追求青春理想，心智康宁及财务自主的美好人生。传承国际一直坚信，每个人都有机会去创造自己的人生，让自己拥有一个非凡的精彩人生，这也是我们一直坚持的信念。

梦想不分年龄或背景，只要心中怀有一颗追求梦想的心，一定能实现自己所设下的目标。当然，要达成目标与梦想，我们必须作出改变，因为如果我们持续做相同的事情，得到的也将会是相同的结果。因此，我们必须让自己拥有更正面的思考模式，以及提高个人的心志修为，好让自己在追求财务自主的过程中无惧挫折与挑战，更不会轻言放弃。

在传承国际，“提升人们意识”已成了我们每个传承人在市场的奋斗核心，也是我们一直以来所坚持的原则。自我意识是人对自己身心状态及自己对这个社会的关系的觉察。它由自我认识、自我体验和自我控制三种心理成分构成。

“自我认识”是从自我感觉、自我观察、自我分析和自我批评等形式认识自己。正确的自我评价能够帮助自己在传承事业的人际关系发展中有着不可忽视的影响。当自己与社会对自己的评价一致时，信心与安全感就会产生。

“自我体验”是从自我感受、自爱、自尊、自卑、责任感和优越感等的自我情绪体验。自我体验反映了真实的那个自己“主我”，以及自己评价中或者别人评价中的“客我”。就像成功感和失败感，比如当他人认为自己取得了成功，而自己并不认为，或者自己认为自己取得了成功，而他人并不认为。因此，成功与失败的情绪在一定程度上要与社会拥有共同标准。恰当地处理自我体验，对身心发展都具有重大的意义。

创造美好人生！

而“自我控制”则是从自立、自主、自制、自强、自卫、自律等的意志表现，也就是对自己行为、思想和言语等的控制。为提高自我控制能力我们不以追求个人利益为目标，因以团队为核心，提升自我控制能力。当进行自我认识和自我体验的同时进行自我控制，调节自己的行为以符合群体和社会道德要求，提高学习效率。

每个传承人不仅是为自己而奋斗，更是为了这个社会而奋斗，让社会因为传承人的存在，而唤醒更多人去追寻自己的梦想，这是传承人的骄傲，也是我们持续前进的动力。

我们希望家人们也准备好自己，坚守着同样的使命，把推广传承事业的力度加大，让全民受惠，完成他们的青春理想，拥有心志康宁及财务自主的美好人生，再创下一个传奇纪录！

2° ACTIVATOR

水漾柔嫩， 完美防污

肌肤的天然保护屏障尤其重要。然而，我们的肌肤每天都暴露于外在环境中，受悬浮于空气中的颗粒物 (particulate matter - PM) 攻击。这种颗粒物通常以颗粒的大小区分。其中，PM2.5 是直径小于 2.5 微米，比肌肤毛孔小 20 倍的污染颗粒物。由工厂，汽车及公开燃烧所释放的废气形成，PM2.5 易于粘附肌肤，挑起氧化反应，削弱肌肤的天然保护屏障。脆弱的肌肤会导致自然水分流失，肌肤表层缺乏滋润，不再饱满，提早呈现老化迹象。

传承国际为了更全面守护敏感脆弱的肌肤，研发了能抵抗PM2.5对肌肤的伤害和高效补水的日常护肤系列 — 2° Activator。此系列产品包含 2° Activator Fresh 洁面慕丝与 2° Activator Hydro 补水霜。

2° Activator Fresh 洁面慕丝

结合专利技术与独特防污配方的 2° Activator Fresh 洁面慕丝，让您在温和洁净肌肤的同时，也能得到更全面的保护。其防污配方可在肌肤表层塑造隐形的保护屏障，阻隔 PM2.5 的侵害与粘附。兼具洁净与防污功能的洁面慕丝，更完善的呵护您的肌肤，让您保持清新每一天。

2° Activator Hydro 补水霜

融入透明质酸钠成份的 2° Activator Hydro 补水霜，质地轻巧不油腻，为饥渴肌肤注入所需的水分。采用了专利技术，让补水霜更迅速的被肌肤吸收，恢复最佳状态，持久绽放水漾光彩。

每日护肤基础：

1. 脸部洁净是肌肤保养的第一步，也是最重要的一个步骤。正确的清洗脸部肌肤，能让后续的培养事半功倍。按压适量的洁面慕丝，避开眼周，轻柔于脸部。然后以温水彻底清洗干净。每一天使用，早晚各一次。
2. 取适量的补水霜，于额头、脸颊、下巴等部位，均匀的涂抹。每一天使用，早晚各一次。

只要努力奋斗， 必会得到回报

我们是生长在东马的平凡女子，学历不高，人生经验也不多，但我们都有一个共识，就是相信只要努力奋斗，必会得到回报。所以我们是难得合拍的多年生意伙伴。八年前，我们开始一起经营一些小生意，如销售信用卡，保险，帮人申请政府贷款，在路边卖产品等等，可是都以失败收场。后来，我们还投入经营电话卡生意。当时的我们，思想很单纯，以为这门生意会是我们成功的起步。直到正式营业之后才发现，扣除了工钱，水电，店租等等的费用后，员工的工钱竟然比我们做老板娘的还要高！

梦想成真的平台

2014年的3月，我们通过网卖平台认识了REDOXY这个产品。当我们了解了产品的威力后，二话不说就签下了代理，因为直觉告诉我们这将会是一个庞大的商机。为了进一步了解商机，我俩从东马飞到西马来参加公司的第一场表扬大会。当晚，我们亲眼见证了很多平凡人都已透过这平台取得成功！经过认真分析后，我们认定了这就是我们梦寐以求，可以让我们梦想成真的平台！因为在传承国际，除了可以赚取丰厚收入之外，还可以快速超越自我，并帮助更多人取得成功！

我们对这门事业完全不熟悉，就像一张白纸一样。况且我们是在砂劳越开始起家，能得到的即时支援非常有限。当时我们决定了，只要跟着公司的脚步与策略，并主动虚心地向高层学习，就能做出一番成绩！在这个过程中，每一位公司高层都乐意协助并教导我们，我们除了心存感恩之外，还用成绩来回报他们谆谆善诱，不辞劳苦地教导！我们全力以赴地打拼，不断地用心分享，在不到一年的时间内，竟然栽培了一群收入五位数的生力军，并建立了庞大的消费网组织！我们的努力，让我们赚取了六位数的丰厚收入，并荣升为公司的皇室大使（Royal Ambassador）！

人生，如果可以卓越，

何需平凡？

我们非常感谢RLEA传承商学院传授我们自我提升的工具和课程，让我们更加顺利开发市场与建立组织。从RLEA我们了解到，要获得成功，我们一定要掌握到学，做，会，教，传这五个境界，复杂的东西，简单做，简单的东西，重复做，重复的东西，耐心做。

我们曾经问过传承国际的创办人DR LEE，RETURN LEGACY的精髓是什么？他只说了八个字“成就他人，成就自己”，当我们协助他人成功时，我们自然会成功！我们在追求成功的过程中，除了学习，改变，成长之外，我们不断以“阻力是助力”这五个字提醒自己。当我们遇到问题与挑战的时候，我们会提醒自己“阻力是助力”，正能量自然产生！有句名言：“人生，如果可以卓越，何需平凡？”只要有梦，想追求富裕又自由的人生，RETURN LEGACY绝对会是你的最佳平台！
