LEGACY LIFE

Let us shape an amazing new era of multi-marketing

The Legacy Era

In 3 years of Return Legacy's establishment, we have witnessed many success stories in Return Legacy. Speaking of these success stories, I'm not only referring to people like housewives, employees or entrepreneurs who used to make meager income and finally manage to achieve financial freedom. With the system and training courses provided by Return Legacy Entrepreneur Academy (RLEA), coupled with their hard work, it naturally leads to rich material life. Today, what I intend to bring to your attention is the story of powerful transformations of many ordinary people.

These transformations originate from self-discovery and their faith. Because of these, they have developed a belief that changes the quality of their life. They have learnt to turn obstacles into stepping-stone. Therefore, they have become leaders who manage to light up the life of people around them.

Some people might contend that these people are lucky; they are successful because they have the advantage of joining Return Legacy as pioneers.

Let's revisit the time when Return Legacy was first set up 3 years ago to determine whether the claim is true.

Back then, no one has ever heard of our product, Redoxy Essence. There wasn't anyone who could testify the quality of our product. Many people had the impression that Return Legacy was a newly established company with no track record. Every distributor was new and no one had achieved any remarkable results to convince others. Furthermore, we also had not developed RLEA that support our distributors in building their career.

Given that, how have these outstanding leaders achieved the success they are reaping today? One of the key drivers is indeed their faith in our company.

Firstly, they have always believed in Return Legacy - our commitment to continuous improvement and our strategies that stem from win-win philosophy.

Secondly, they believe in the quality of the products. These products are not only value for money, but they will also benefit others by improving consumers' health and appearance.

Thirdly, they believe in our compensation plan, which always commensurate with their hard work.

Besides, they also subscribe to our training programs. Through these programs, they have learnt how to take effective actions. They have also developed the skill to teach their business partners, supporting them to duplicate their success and build sizeable network.

Successful Legacians do not depend on sheer luck. They achieve extra ordinary results because of their immovable faith.

Of course, luck does play a part in success. The luck I am referring to here is having joined Return Legacy at the right time, just like you having read this article at the right time and decide to join us.

Most people will only believe in something when evidence and notable results are presented before them. However, successful people are different, they are visionary. Therefore they are able to envision the future before it happens and create the results they believe in.

Despite having seen the potential of Return Legacy, some people did not have firm belief in the company. Therefore, they have quit too soon before achieving prominent results.

Those who have firm belief always set goals and find avenues to achieve them.

In Return Legacy, we regard people as the core; encompassed with love and success sharing. These are the essence of our multi-level business. Through years of experiences, we have formulated self-development courses and training programs with proven results, supporting ordinary people to tap into their full potential and empower their transformation.

When people experience your transformation, it inspires others to take actions to change, connecting to their passion, reviving the dreams once again that have been buried deep down inside their heart. They will gather all their strength to achieve what truly matter to them.

With synergistic effort, we firmly believe that Return Legacy and fellow Legacians will shape an amazing new era of multi-marketing – The Legacy Era.

With our solid foundation, coupled with your continuous learning and consistent sharing with others, we believe that even novice distributors will transform into extraordinary leaders in the near future, leaders who will inspire and touch people's life!

LEGACY ERA

In October, Return Legacy held a 2-day 1-night Legacy Era training activity in both Peninsular and East Malaysia. To remain acquainted and progressive, our company took the training content and put it through upgrades and enhancements, to better nurture and expand the number of sales elites. This training programme is designed to provide our distributors a clearer understanding of the company's future direction, ensuring everyone steps forward into the company's new era together, creating a better future.

Eating Healthy

Does Not Mean

Bland and Boring

Eating healthily is one of the ways to take care and nourish our body. Contrary to popular belief, eating is more than about filling our hunger or satisfying our cravings; what we eat plays a key role in maintaining our overall good health. Eating the right food will help to prevent health problems as well.

Yet, many of us do not do so. We tend to shy away from food that are good and nourishing for our health. Our dislike towards healthy food is not because we love our body any less, but because we have this mind-set that eating healthily means torturing our taste buds with bland, tasteless meals. But, this is a misconception. There is more to healthy food than just salad and juice to nourish your body and keep you healthy.

Snacking has a bad reputation to its name since majority of us associate it with junk food. But it doesn't have to be that way as snacking encompass more than chips, chocolates, and soft drink. When done right, snacking actually helps to prevent us from overeating while packing extra nutrients into our diet.

With our 3 main meals spaced out within long hours, snacking is important for the body because it fuels us between meals. Remember to snack wisely. Always choose healthier and tasty snacks such as wholegrain crackers, fruits, vegetables, yogurt and nuts.

COURAGE TO PURSUE
**MY TRUE
WORTH**

“ I grew up in a moderate family with very little worry over basic necessities and a very happy childhood. However, the financial situation at home started deteriorating when I was pursuing my secondary school education. In order to lessen the burden of my parents, I completed a part time course after graduating from high school and worked as a part-time teacher for close to 2 years. ”

I tied the knot at a tender age of 21 – with the thought that marriage would eventually lead me to a happy and comfortable life, much like how it is in fairy tales. Life was indeed a breeze in the early years of being someone's wife; I need not worry much about household expenses, with much of my time focused on fulfilling my responsibilities as a housewife.

Unfortunately, those times didn't last very long due to the photography business crises faced by my husband during the rise of digital technology in 2007. To sustain the business, we invested heavily in digital printing machines but coupled with an increasingly competitive market; profits started dwindling along with the business. After I started playing a more active role in supporting my husband's business and learning about the ins-and-outs, I came to a realisation that traditional businesses not only face stiff competition within the industry, trends beyond the industry also poses a challenge.

We worked tirelessly for over 12-hours a day, barely taking any time off – including festive celebrations like Chinese New Year where we continued working by taking on Malay outdoor wedding photography projects. On the surface we looked like we were increasing our earnings, but on the flip side the expenses started to burgeon. Subtracting the capital we placed in the machinery and its maintenance, rent, employee salaries – we weren't left with very much at the end. The worst of it all was when we faced the inevitable reality of having to move out of the lot – not only did we fell short of making a profit, we were drained physically and emotionally not to mention, filled with resentment.

Adhere to 6 years, we had finally decided to make a change and look for a secondary source of income – e-commerce. I first came across Return Legacy's Redoxy in April 2014 and upon application found it to be remarkably effective, plus the simple act of sharing the product with others could make me a small earning too. Hence, I got in touch with who recommended this product to me with the aims of getting a better understanding. Upon detailed explanation of the company's business plans by the leader Julia Pang, I had decided to become a distributor.

In my first month, I put all of my energy and efforts into sharing – even if I only had three to four hours of sleep a day – and eventually I managed to successfully introduce 30 Elites within a month, and made over RM3,000! Making money was of course delightful but what excited me even more was the high praise I received from all my customers on the effectiveness of the products, and repeated purchase from them within a short span of time. This group of loyal customers then also started sharing their own experiences with their circle of friends and peers, subsequently becoming distributors and embarking on their Return Legacy career.

WHATEVER YOU DO, NEVER EVER GIVE UP EASILY

My group started expanding rapidly in Kluang and continued growing into other areas too. I managed to earn my first ever 6-figure income in my first year. All this was possible because of Return Legacy's fair and equitable compensation plan, which paved the way for me to boost my income in such a short space of time. The results reinforced my confidence, to which I started educating and supporting my partners – especially housewives – grooming them into leaders, encouraging them to build a career in Return Legacy together.

During this journey, my husband and relatives switched from being unsupportive in the beginning to being fully behind my back in support, providing me encouragement and help at all times. This made me understand that in whatever you do, never ever give up easily. Determination will eventually lead to recognition. With the support of my loved ones, I had an even greater drive to succeed.

I would like to thank Return Legacy's management from the bottom of my heart for their support and guidance, especially CEO Patrick Lim who has provided me unbiased and rational views, instilling in me the importance of finding a balance between career and family, helping me navigate through challenges time and again!

SUCCESS

is there for those who are willing to give themselves a chance at it

To support the team and in realizing the mission of “succeeding by helping other succeed”, I’ve had to overcome numerous life hurdles, including the fear of driving. My group started growing and expanding day-by-day, with an underlying common belief – to improve quality of life and achieving life pursuits through determination and hard work.

This platform has elevated my mind and life, allowing me to transform from a small-town girl into who I am today – a confident and charismatic team leader. Today, it’s not only about the millions I achieve but together with travel campaigns allowing me to expand my horizons, and of course providing me the capabilities to bring my family for vacations overseas.

At Return Legacy, I have amassed and connected with a group of comrades and upper management who all have the same vision, moving towards the same goal. In this organization, I have experienced the truth in the saying that where there’s a will there’s always a way, miracles can be created and that success is there for those who are willing to give themselves a chance at it! Thank you Return Legacy founder Dr. Lee for creating a platform that puts people first and helping me find my life’s calling! As long as you have the courage to pursue your personal sense of value, you will become the next successful story!

开创直销业中
引以为傲的
“传承时代”

在短短的三年半内，传承国际创业平台诞生了许多令人感动的成功案例。我并不是想传达曾经经验与能力不足的人如家庭主妇，打工族或生意人士如何在这里白手起家，从每个月钱不够用到现在财务自由，买名车买新屋的部分。这些物质上的提升，是运用系统教育，努力奋斗后的必然成果。今天，我想要说的是许多平凡人，及对自己缺乏自信的人的蜕变故事。

这些人的蜕变，源自重新发现自己的价值，相信自己原来也可以改变自己的生活品质，可以说话有力度，可以具影响力，甚至可以逆转消极，以正向积极的态度点亮别人的生命。

也许有的人会说，那是因为她们运气好，在早期就加入了传承国际。

好，那我们来看看当时的创业环境。三年半前传承国际刚成立，没人听说过Redoxy抗老精华液也没产品见证。传承国际的发展乐观吗？很多人说新公司都不稳定，当时也缺乏事业见证，初期甚至也没有传承商学院的传承系统辅助。

那么现在这些令人羡慕的优秀者，当时是如何办到的？其一最重要的元素就是相信。

100%的相信公司。相信传承国际会是她们的未来，相信传承国际的改革，相信所有的市场策略都是从双赢的角度出发。

100%的相信产品。相信产品的功效与物超所值，相信它可以为自己及身边人带来健康与美丽。

100%的相信制度。相信公司会给予公平，公正与公开的财富分配。

100%的相信传承系统教育。相信传承系统“学，做，会，教，传”能把组织建立起来。

这些今天站在传承国际舞台上发光发亮的传承人，拥有的不仅仅是“运气好”而是“预信”的能力。

运气好，是指在机缘成熟时遇到了传承国际，就像现在在读这篇文章而还没有加入的你。

预信，则是指预先相信。大部分的人选择“看到，才相信”，成功者则是“相信，才看到”。

当时一些人也看到传承国际，可是因为没有百分百的相信，所以暂时离开了。

当一个人持有相信的态度，就会寻找自己的目标，全力以赴把它完成。

传承国际也坚信，直销这个以人为本，以爱为基础，以分享为方式的营销模式绝对能让有梦想的有缘人在这平台中，通过完整的培训开发自己的潜能，发掘自己的内在价值，并透过自身的蜕变影响身边人提升身心灵与财务自主，为圆满的人生而努力。

我们相信传承国际与传承人的共同努力能开创直销业中引以为傲的“传承时代”。我们更相信，即便你刚投入传承事业，只要你怀有100%相信的态度，努力学习，不断分享，在不久的将来，你也会是一位让人羡慕的“运气好”传承人。

传承时代

传承国际于10月份分别在西马和东马举办了2天1夜的传承时代培训课程。为了与时并进，本公司将培训内容进行了更新与提升，以培养更多的传销精英。新的培训课程旨在让家人们更了解公司的未来趋向，与大家携手踏入公司的新时代，共创更美好的未来。

吃出健康 不等于 平淡乏味

吃得健康是我们爱护，保养身体的方法之一。进食不仅是为了果腹或满足口腹之慾，你所摄取的食物对维持整体健康尤为关键。挑对食物，吃得正确有助于预防健康问题。

然而，大部分的人们都忽略了这点，对有益健康的食物避而远之。是我们不爱惜身体吗？当然不是，那是因为大家对健康饮食有所误解，认为吃得健康意味着清淡无味，不想折磨自己的味蕾。其实，健康食物绝不限于沙拉和果汁。我们还有许多健康又美味的食物，能助你滋养身体，维持健康体态。

普遍上，吃零食被视为一种不良饮食习惯。但你可知道除了薯片、巧克力和汽水，我们还有很多零食选项？由于三餐之间的间隔过长，在主餐之间摄取适量的零食能为身体提供足够的能量直至下一餐。零食，应选择健康的食物如全麦饼干、水果、蔬菜、酸奶酪和坚果。只要挑对食物，吃零食有助于避免因饥饿而导致的暴饮暴食及为身体补充额外养份。

吃得健康，常保健康

量少但富饱足感，NUREOX Grain可作为满足口欲并补充营养的早餐或零食。除了提供你所需养份，饮料的黑芝麻香气和甜味将满足你的感官享受，让你意犹未尽。

“我来自一个幸福的小康之家，从小不愁菜米油盐，是个快乐长大的孩子。然而，家里的经济状况在我中学时期时每况愈下。为了不增加父母的负担，中五毕业以后我半工读完成了一个课程，也当了一两年的临教。”

当临教时我结婚了，那时我才21岁，心想嫁人后就能过着王子公主般的幸福生活。新婚的那几年我的确生活无忧，无须烦恼家庭的开支，只需把我家庭主妇的职责做好即可。可惜好景不常，2007年的时候丈夫的相馆生意开始面临数码科技的冲击。为了生存，我们投资了大笔资金在数码印刷机器上，加上红海市场的竞争，盈利越来越微薄，生意一天比一天差。在我开始帮助丈夫打理生意，学习从商的时候，我才发现原来传统生意面对的，除了是市场的竞争，还有行业趋势的挑战。

每一天我们都工作超过12小时，全年无休，甚至在华人农历新年期间也接马来婚纱外景工作。表面上钱是赚多了，但随即而来的开销也更庞大。扣除机器成本与维修、租金与员工薪金，基本上已所剩无几。更糟糕的是，面对无可避免的店面搬迁，我们不但没赚钱，还换来一身的疲惫和满肚子的怨气。

坚持了6年以后，我们终于下定决心改变，寻找第二个收入来源，即是做网卖。2014年4月，我首次接触到传承国际的产品Redoxy抗老精华液，使用后发现它的效果显著，透过产品分享还能赚取金钱。为此我迅速联络我的推荐人雪儿作深入了解。在企业上司Julia Pang向我解释公司的市场计划后，我便决定成为代理。

加入的首个月，我不分白天昼夜地进行分享，一天只睡三四个小时，结果成功在一个月內推荐了30个Elite，赚取了3千多令吉！赚到钱固然开心，但更令人兴奋的是，我的顾客纷纷捎来好评，并且在短时间内陆续回购。这群忠实顾客也开始将产品分享给身边人，随即成为了代理，展开传承事业。

坚持， 终究会得到认同

我的组织在短短几个月内于居銮这小地方迅速发展，并陆续涉足其他地区。通过推广卓越的产品，我在第一年就赚取了人生的第一个6位数收入。这一切的发生是因为传承国际有公平公正的奖励计划，我才可以那么在短的时间内倍增收入。这成绩让我信心大增，开始教育与协助伙伴，尤其是家庭主妇，栽培他们成为领袖，鼓励他们一起打拼传承事业。

这过程中，丈夫与亲友从不认同到付诸行动支持，并适时地给予我鼓励与协助。这让我明白做任何事都不能轻言放弃。坚持，终究会得到认同。有了至亲的支持，我变得更有冲劲。

我由衷地感谢传承国际管理层给予我的协助与指导，特别是首席执行官Patrick Lim给了我许多中立与理性的意见，并灌输我事业与家庭并重的观念，让我一次又一次的击破盲点！

成功

是留给肯给自己
机会的人！

为了协助团队及完成“成就他人，造就自己”的使命，我克服了许多人生挑战，包括对开车的恐惧。我的组织一日日地成长与扩展，大家都秉持着相同的信念，就是希望通过坚持与努力实现对生活的期许，提高生活素质。

因为传承国际，我的思维与人生高度提升了。这平台让我从一个小女人蜕变成今天充满自信与魅力的团队领导。如今，我不仅获得百万收入，还能免费旅游拓展人生视野，并有能力带一家人出国旅游。

在传承国际，我收获了一班理念一致的伙伴与管理层，大家朝同一目标前进。在这里，我深刻体会到事在人为的信念，奇迹是可以创造的，而成功是留给肯给自己机会的人！感恩传承国际创办人Dr. Lee创办了这以人为本的平台，让我找到人生的意义！只要你勇于实践自我价值，你会是下一个成功者！
