LEGACY LIFE

At Return Legacy, all Legacians are fully committed in realizing 3 key life milestones: career success, a harmonious family, and giving back to society. These are 3 core values held in high esteem within one's Return Legacy journey.

Being part of Return Legacy means putting in place a constant reminder that you are the source of your team, and that career breakthroughs and new records can only be achieved because of your commitment to the team. As an outstanding Legacian, beyond a successful career, one must also find joy in creating a harmonious family and being the pillar that your loved ones look up to for warmth.

Sharing is in the nature of all Legacians – how one can strive to achieve both a stellar career and a loving family is a message that we proudly preach to others, providing those around us encouragement and a renewed sense of purpose – spreading positivity to society.

A Healthy Way

to Kick Start Your Day

Breakfast is the most important meal of the day, but it's only true if you eat the right food. Eating right in the morning helps you to concentrate, build up vitality, maintain a healthy weight, and replenish your body and brain with nutrients and energy after a long night's sleep. Therefore, choosing a healthy option for breakfast is extremely crucial in achieving optimal health.

To be healthy and satiated, modern wheat is a common choice on breakfast tables. It provides good source of complex carbohydrates that break the fast after a night of empty stomach. However, at this day and age, most modern wheats have gone through cross-breeding and genetic manipulation due to increasing demand in recent times.

The refining process causes the wheat to lose 25% of its protein and other key nutrients such as fibre, vitamin B6, vitamin E and magnesium. Compared to modern wheat, ancient grains are a rarity, but it's more natural, generally less refined and usually eaten whole. Ancient grains have been part of the human diet for the past 10,000 years. According to Nutrition Society of Malaysia, ancient grains are more nutritious, satiating, and loaded with fibre, protein, vitamins and trace minerals.

Brighten up your day

with a hearty and tasty cup of

In addition to having zero trans-fat, high in fibre, vitamin and protein, this nutrient dense NUREOX Grain offers you a high level of iron too.

"Ever since I was young, I always had the dream that one day I would have the financial independence and capability to allow my parents to live the rest of their lives comfortably. In order to make this into a reality, I studied hard, in hopes that through knowledge and professional skills would I be able to land myself a good job and career. After graduating from high school, I enrolled into university. However, I dropped out after 3 semesters - as I had decided to get married."

In a blink of an eye, I entered the next pivotal stage of my life - being a mother. After giving birth, my children became the centre of my world. However, in place,

I lost my sense of self, my personal time and space, and had no close friends to speak of. My mind whirled with ideas on ways I could improve my financial situation, in order to better provide for my children. For our family, my husband and I diligently saved whenever and wherever we could. But it seemed that no matter how frugal we were, we were barely scraping by and making ends meet.

Despite the difficulty of our circumstances, I decided to look for a job after the search for other lucrative opportunities were met in vain. As tuition fees could be exempted for the children of kindergarten teachers, I had decided to become one. While being a part-time kindergarten teacher did bring in an extra income of a few hundred ringgit, it still did not suffice. After 5 years, I welcomed my third child; yet, our lives saw no drastic improvements, and I was still part of the "Moonlight Clan", living a tough existence filled with no personal financials and time.

ROYAL AMBASSADOR

In March 2014, I came across Return Legacy, which established itself as a career-building platform. Being aware of its existence was akin to finding a shining beacon of light in my life. It was with Return Legacy could I see myself achieving my life-long dream – enjoying lucrative earnings and opportunities while being in control of my own life and time. When I first joined the family, I was like a new-born baby, with no entrepreneurial experience and knowledge of the industry. But I delved into this challenge headfirst, and was willing to learn. Every time I fall, I rise stronger and strive harder. Eventually, in a short period of time, I was earning up to a 6-digit income a month with Return Legacy! I was no longer the woman who had to be a part-time kindergarten teacher in order to save a few hundred bucks. I now have the ability to improve my family's quality of life, which to me is the most valuable outcome of it all.

"MY WISFUL THINKING HAS BECOME

A BEAUTIFUL REALITY"

Return Legacy allowed what seemed like wishful thinking to become a beautiful reality, providing me with the luxury of being able to purchase whatever I desired without having to be concerned about the price, in just my twenties! I was also able to travel around the world, provide my children with the best possible care, and most importantly, take care of my parents' welfare. I always thought that I would be able to achieve these ambitious goals by the age of 40; however with the good opportunity given by Return Legacy, I was able to make my dreams a reality at a vast pace.

Although not being able to complete tertiary education remains my biggest regret in life, RLEA has been a wonderful opportunity for me to continue my studies, as with each class, I am able to gain amazing self-growth and reflections. I firmly believe that learning is like a boat sailing against the current; it must forge ahead or it will be driven back.

CONFIDENTLY Achieve My Goals

Hence, whenever the HQ organizes any activities or meetings, I will surely make it a point to attend the events, regardless of the travel distance. I have even travelled all across the country, and even overseas to aid our international foreign partners to grow their respective businesses as well as to solve any challenges encountered. I am thankful and grateful for the kind teachings offered to me by the management of Return Legacy, who gave me constructive comments to help me grow and allowed me to confidently achieve my goals.

For the sake of my beloved family, I will work hard to provide them with a healthy and joyful environment to live and grow in. Of course, I love Return Legacy, my second home as well! I am also grateful towards its founder Dr. Lee, and the management for creating such a positive learning environment and corporate culture for us to expand our entrepreneurial horizons. Without Return Legacy, I will not be the person I am today. Also, without Return Legacy, there will not be the countless members of our family who are bravely pursuing their dreams for a better tomorrow, today!

The background of the advertisement features a collage of food-related images. At the top right, there are several small bowls containing different types of beans: red kidney beans, white beans, and black beans. Below these, a wooden spoon holds a mix of red and white beans, while another spoon holds black beans. To the left of the beans, there is a pile of bright green powder, likely matcha or a similar superfood. The overall aesthetic is natural and health-focused, with a warm, earthy color palette.

开启你健康的一天

早餐是全天最重要的一餐，但是你必须摄取对的食物，才能维持一天的活力。早晨摄取对的食物有助于提升专注力和活力，维持健康体重以及帮助身体和大脑补充睡眠所消耗的营养与能量，因此早餐必须吃得健康营养，才能达到最佳体魄。

现代谷类是最常见的早餐选项，健康之余还能给予饱足感。它是提供碳水化合物的来源，让身体在经过一个晚上的睡眠后，能够获得充足的能量。但是，当今这个时代，绝大部分的现代谷类都是经过杂交育种和基因拼接以提升谷粮的生产量。

然而，这些经过加工的现代谷类会流失百分之二十五巴仙的蛋白质及主要的营养成分如维他命B及E群，镁元素，硒元素等等。相比于现代谷粮，上古谷粮尚未普及化，但它属于全谷，未经精制加工所以比较天然。追溯回10,000年前，上古谷粮是人类饮食的重要组成部分。根据马来西亚营养学会（NSM），它们可以为人类提供更多的营养及饱腹感，同时还蕴含丰富的纤维，蛋白质，维生素和微量元素。

用营养早餐

开启你美好的一天！

NUREOX Grain 营养饮料混合多种上古谷粮，一杯就助你补充一天所需的营养，完美迎合忙碌的现代人对营养和能量的需求。现代谷粮是全谷饮料中最为常见的成份，但 NUREOX Grain 却结合了现代谷粮与上古谷粮，为你提供更丰富的营养成份。此外，它不含零反式脂肪，具有丰富的纤维素，维他命及蛋白质，同时还提供高含量的铁质。

1杯

NUREOX GRAIN

小麦草

除此以外，小麦草也是此配方中，其中一个主要的成份。它含有叶绿素和必需维生素、矿物质和膳食纤维，有助于提高免疫力及维持人体健康所需的营养素。

坚持爱与梦想，

成功自会降临

“从小到大我都有一个梦想，就是希望自己有能力赚取足够的金钱让爸妈过舒适的生活。为了达成这目标，我一直很努力地念书，希望可以透过知识与专业技能找到一份好工作。中学毕业以后，我报读了大学，但只念了三个学期我便停学了——因为我决定结婚去了。”

转眼间，我的人生便进入另一个阶段，就是学习如何当一位妈妈。生产后，孩子成为了我每日生活的唯一。我失去了自己的空间、失去了自己的私人时间，也没了朋友……我每天都在思考如何赚取更多的金钱、如何给孩子更好的生活。为了家，我们夫妻俩非常努力地储蓄，可是不管我们再怎么节省，生活仍是入不敷出。

基于环境上的限制，苦寻机会不果的我开始尝试寻找工作。由于幼儿园教师的孩子念书可豁免学费，为了省下孩子的幼儿园学费，我便当起了幼儿园兼职教师。当时的兼职收入仅有几百元，对生活的帮助并不大。

ROYAL AMBASSADOR
LOW SEOK JEN

皇室大使

ROYAL AMBASSADOR

日子年复一年地过去，5年后第3名孩子也出世了，当时的生活仍不见改善，我还是“月光族”，活在没钱没时间的痛苦中。

2014年3月，我认识了传承国际这创业学习平台。它的出现是我生命中的一道曙光，因为在这里我看见了梦寐以求、集时间与财务自主的致富机会。加入这大家庭的初期，我犹如初生婴儿一样什么都会，但我无惧挑战，愿意边做边学，跌倒后勇敢站起奋力向前！

传承国际

让我那遥不可及的
梦想变成了事实

结果，在很短的时间内，我在传承国际获得了比以前多几百倍、一个月达6位数的收入！我再也不是那位为了省下几百块而跑去当幼儿园教师的我了。如今，我拥有改善家人生活素质的能力，这是我自觉最有价值的收获！

传承国际让我那遥不可及的梦想变成了事实，20多岁就达成了“买东西不用看价钱”、周游列国的生活，最重要的是有能力照顾爸妈，带他们出国看世界，同时给予孩子最好的陪伴与栽培。这些我以为40岁以后才能完成的愿望，全透过传承国际这平台而提前实践了。

自信

往下一个目标前进

虽然未能完成大学是种遗憾，可是传承商学院（RLEA）赋予我继续深造的机会，所上的每一堂课都让我得到极大的成长与突破。我深信学如逆水行舟，不进则退，所以每当总部有任何活动或会议，不管车程再遥远，我都会尽量出席，甚至会到全国各地甚至是国外协助伙伴发展事业及解决难题。感恩公司高层给予我的耐心指导，一次又一次地击破我的盲点，让我自信往下一个目标前进。

为了我爱的家人，我会全力打拼，让家人能幸福快乐健康地生活在一起。当然，我也爱传承国际这第二个家，感恩传承国际创办人Dr. Lee 与管理团队为我们打造快乐的创业环境、营造良好的企业文化。因为没了传承国际，就没有今天的我，以及无数个勇于追求理想、心志康宁及财务自主的传承人！
