LEGACY LIFE

Success

*Doesn't Happen by Chance,
It's a Choice*

While having achieved success does not mean one has reached his final destination, having failed before does not define one's destiny at all. When one sets foot on the journey towards success, what truly matters is hard work, perseverance, making sacrifices, learning continuously, and most importantly, fighting for one's passion.

Colin Powell once said, "There is no secret to success. It is the result of preparation, hard work, and learning from failure." As a matter of fact, everyone is bound to fail. However, people react to failure differently. Some choose to blame themselves or the circumstances; some choose to persevere despite the obstacles, pushing on to achieve their goals. Losers tend to blame themselves and claim that luck is not on their side when they fail. What they have also failed to realize is: success does not happen overnight.

WHEN IT COMES TO SUCCESS, NOTHING TOPS HARD WORK.

Hard work is the only way to accomplish success. Keep moving forward and leave the doubts behind to achieve your goals. It does not matter whether a right path is taken; the spirit of not giving up is what leads you to success.

What set winners apart from losers is perseverance combined with the willingness to make sacrifice and put in more effort despite unfavorable circumstances. Instead of focusing on obstacles, they focus on achieving a better life and creating greater value for themselves. Perseverance is a state of mind; It is challenging because unfavorable outcomes do put your patience and confidence to test; many have given up in tough times. Success eludes, I've seen too many people who are so close to success but quit too soon. Perseverance is about the choice made and the secret to all triumphs. With continuous hard work and persistency in anything undertaken, success is within your reach.

Remember,

perseverance always leads to success

The ingredients of success are one's real motive, planning, honing of skills, sacrifices and effort. There is much truth in the saying "no pain, no gain." As a matter of fact, all high flyers have paid their own price for achieving something great. Be prepared to put in more effort than others, if you want to be successful, be it double, triple or even ten times more effort you need to put in. As long as you believe in turning the "impossible" to "I'm possible", you will achieve even your wildest dreams. On the contrary, if you choose to live in your past experience of failure and allow self-doubt to take the better part of you, even a small goal could be beyond reach.

We do not get to choose our family and the environment in which we grow up. However, we can definitely choose how we react to circumstances and create the life we have always wanted. It was my privilege, having been able to experience the true spirit of our Legacians during the Ruby Recognition held in August 2017. Their spirit of striving against challenges to change their life was contagious and moving.

When most people are spending their time enjoying, these Legacians chose to invest their time in learning and on sharing knowledge with other people. Their success is built on their hard work. I was motivated, having seen them shining on the stage. It reminded me that we should not rest on our laurels but continue to learn and strive for the best. Your hard work will be rewarded as long as you persevere, you will rise to success in your own right.

Remember, perseverance always leads to success. Return Legacy is always here with you, supporting you to seize the opportunities presented to you and create the life you have always dreamt of.

Asia's World City

The Peak

Standing on the top of The Peak at altitude 373 meters, this view is also what makes The Peak one of the most popular attractions in Hong Kong. By day your eyes stretch across sparkling skyscrapers and Victoria Harbour all the way to the green hills of the New Territories.

Ocean Park Hong Kong

Located on the southern side of Hong Kong Island, with an area of more than 915,000 square metres, Ocean Park Hong Kong is a marine-life theme park with two major attractions areas, the Waterfront and the Summit. It is a world class theme park which offers visitors a wide range of marine themed attractions featuring animals, thrill rides and shows.

The Sik Sik Yuen Wong Tai Sin Temple

The Sik Sik Yuen Wong Tai Sin Temple's claim to 'make every wish come true upon request' might have something to do with its popularity. Home to three religions (Taoism, Buddhism and Confucianism), its natural setting and beautifully ornamented buildings make it as much a scenic attraction as an important religious centre.

The Big Buddha and Po Lin Monastery

The remote Po Lin Monastery, hidden away by lush mountains, is a popular attraction with the extraordinary Tian Tan Buddha statue sitting 34 metres high.

Congratulations to all Hong Kong Incentive Trip 2017 Winners!

Healthy?

Unhealthy?

Are you one of them?

1

We are passionate on food

One of the facts that we, Malaysians will instantly agree is our passion for food. It is an integral part of our shared culture. Majority of us are willing to go the extra miles for good food. We also use food to bond with people. It is in our culture to entertain guests or maintain relationships through food. Because of this, we are eating more food than our body needs and may contribute to one of the reasons Malaysia rated as the top obese country in Southeast Asia.

2

The insufficient intake of vegetables and fruits in our daily diet

Due to our fast-paced lifestyle, an increasing amount of us choose to dine out instead of preparing our own meals. Cities like Kuala Lumpur, Penang and others offer a diverse cuisine that are relatively consist more meat than vegetables. Malaysian Food Pyramid recommended 5 servings of fruits and vegetables daily. However, according to the World Health Organisation (WHO), only 6% of Malaysian adults fulfilled this recommendation. The prolonged unbalanced daily nutrient intake may put our health at risk by developing various diseases.

3

We are one of the top sugar consumers in the world

In our eating habits, sugar plays an important role. According to the Malaysian Adult Nutrition Survey (MANS), the average adults in Malaysia consume 7 teaspoons of sugar a day, comprises of 4 teaspoons of table sugar and 3 teaspoons of sweetened condensed milk added into beverages. This has exceeded the recommendation by World Health Organisation (WHO) of not more than 50g per day. The excess sugar intake will contribute to extra calories and weight gaining, which increases risk of obesity.

4

Limited time of exercise

Due to our hectic lifestyles, many of us have limited time for exercise. WHO had recommended that adults should do at least 150 minutes of moderate-intensity aerobic physical activity a week. Exercise has strongly demonstrated to lower rates of all-cause mortality such as high blood pressure, type 2 diabetes, metabolic syndrome and others.

PANG HAI WEI

“I grew up in an ordinary family. After graduating from high school, I helped out my mum full-time in her florist shop, where my monthly earnings were just RM1300, which was barely enough to cover my everyday expenses. I’ve always toyed with the thought of searching for a different career path, but I had no prominent background and lacked a tertiary education. I was young with limited skills and abilities and moreover, I could not drive. Overall, I lived a pretty mediocre and average life.”

However, I did not want to compromise with the reality that I was facing. Through social media, I came to know a vast world that was beyond my expectations, and discovered that online marketing was a lucrative business opportunity. At the time, I believed that marketing a greater range of products was the key to earning more profits. But, it was not like this at all – despite my efforts, I managed to earn barely a few hundred! I did not dare to have the expectation that I would be able to earn plenty of money nor to believe that I would generate a better income and life.

In 2014, I came to know of Return Legacy’s Redoxy Anti-Aging Essence via a social media platform, and many were singing praises about the product. With no hesitations, I started to market the Redoxy Anti-Aging Essence.

As the product's results are quickly apparent, both my own and my customers' skin conditions had great improvements! Moreover, with the power of network marketing, I was able to earn a 5-digit income within 48 hours, thus earning me the title of Ruby Manager. I was both shocked and excited as I had never imagined that one day I would be earning such lucrative income!

However, my drive did not falter after receiving the prestigious rank. Instead, I took it upon myself to understand the MMNT technology that was behind Return Legacy's miraculous line of products. Of course, regardless of how great a product is, it needs to be backed by a fair and lucrative compensation system and other merits as well. Return Legacy is able to grow itself quickly because it has a team of well experienced group of management behind it, who utilize absolutely perfect planning and implementation to create miracles.

HELP OTHER INDIVIDUALS WITH
DIVERSE BACKGROUNDS TO
**ACHIEVE THEIR IDEAL LIFE
AND EARNINGS**

By then, I had decided to focus exclusively on marketing Return Legacy's products. I ardently recommended the powerful benefits offered by MMNT technology, and introduced more individuals into becoming Return Legacy's distributors. Within 3 months, I was promoted to Diamond Director, and in my eighth month I was subsequently promoted to Crown Ambassador. My income was also much more lucrative than before and this was the goal that I had failed to achieve with the online marketing business I had venture into previously. I am especially grateful to Return Legacy for providing such a great career platform to allow an average Joe like me to garner unbelievably remarkable achievements!

It was here that I finally found my life's direction, while earning a 6-digit income. More importantly, I had never thought that I would be in a position to help other individuals with diverse backgrounds to achieve their ideal life and earnings. What has left me with no regrets upon setting foot on this journey is that I have completed my personal commitments set at the beginning of my career path, and I am able to provide my parents with a better life and am able to repay their love and care all this while.

OPPORTUNITIES

are reserved to those
who are ready and willing.

A lot of people do say that being able to encounter such a great opportunity at a young age was luck at work. I would prefer to say that this is the culmination of all my hard work. While my peers were out enjoying their lives, I have chose to learn and work instead. While others were at rest, I was hard at work sharing both the products and careers offered by Return Legacy; while others were out for coffee or a midnight catch-up session, I chose instead to review work with my members and grow via insightful trainings. As long as we take hold and utilize the opportunity given to us by Return Legacy, and be willing to work hard, learn, adapt, and be determined, anyone is able to achieve great success with Return Legacy. After all, opportunities are reserved to those who are ready and willing.

My efforts and hard work have resulted in the success that I enjoy today. I sincerely appreciate the guidance and aid offered to me by Return Legacy as well as its management team; for without your help, I would not be here today! With a humble heart, I will strive to constantly improve myself and towards achieving greater goals, for I believe that success is not based on luck, but instead from the power of giving it my all in anything that I do!

LEGACY LIFE

成功绝非偶然

成功并非是终点，失败亦非是命运。在通往成功的路上，我们说的是努力、坚持、学习、牺牲，以及最重要的——为自己的热忱而战。

我记得美国前国务卿Colin Powell曾经说过，成功并没有秘诀，那是准备、努力以及在失败中吸取教训的成果。谁不曾经历失败呢？只不过在陷入逆境的时候，你选择了怨天尤人自认倒霉，还是奋力从困境中求胜？失败者习惯在跌倒时埋怨自己的运气不如他人，可是他们并没有意识到，这世界从来就没有一蹴而就的成功。

要取得成功，努力是唯一的途径。当你设定好目标后，只管勇往直前抛下疑虑完成使命。如果你不确定自己是否走在正途，没关系，只要你不放弃一直尝试，坚持终究会引领你走向终点。成功者与失败者的分别在于，前者比后者更努力、更坚持、更愿意牺牲时间、付出劳动甚至是金钱只求跨过荆棘迈向美好前程，创造更大的生命价值。坚持，是最容易也是最难的事，因为挫折会削弱信心与耐心，使人中途放弃。我见过太多因为无法坚持而与成功擦肩而过的例子，我敢说，只要你愿意付出，不怕艰难，勇于在跌倒后站起，成功离你并不远。

坚
持
不
懈

终 会 成 功

驱动力、计划、磨练、牺牲和付出是成功的关键。这世上，从来都是一分耕耘一分收获，试问哪位杰出人物不是费尽力气才得到辉煌成绩？要做出成绩，我们必然要比别人付出几倍甚至是几十倍的努力。只要你相信自己能将“不可能”变成“可能”，再大的梦想也能完成。反之，对自己存有疑虑，被过去的失败经验所牵绊，再小的目标亦遥不可及。

人生的际遇，上天或许早有安排。我们也许无法改变自己的家庭背景，可是我们绝对能掌握自己的前程。在8月举办的《红宝石表扬大会2017》上，我看见了传承人努力改写个人命运的精神。在大多数人享乐时，他们选择了把时间花在学习及与更多人分享知识上。这份耕耘是引领他们走向成功的基石，看着他们在舞台上展现光芒，让我明白站得在高也不要忘记继续奋斗和学习。只要你愿意付出，总有一天会踏上肯定你努力的舞台。

坚持不懈，终会成功。传承国际，将与你携手迈进，把握时机，创造出不一样的人生。

1

大马人热爱美食

每10名大马人中，就有8位对美食十分关注。食物是大马文化中不可缺少的重要组成部分。无论是商业场合还是文化庆典活动，食物总是很丰盛。大马人也有以食物待客的文化和习惯。而这些文化和习惯却会导致人们面对饮食过量，脂肪在体内堆积的问题。

2

大马快速高效的生活节奏，让越来越多人选择外卖。大马人的饮食形态多偏于荤食，要确保每日进食十份蔬菜水果，谈何容易。饮食不均衡久而久之会影响健康，引发疾病。

专注做好每一件事

成功不是因为幸运，而是

“我成长在一个普通家庭。中学毕业后，就全职帮忙妈妈打理花店。那时我的月薪仅有RM1300，根本不足以应付生活上的开销。我曾想过到外闯一番事业，可是我没有显赫的背景与高学历，年纪轻且能力一般，也不会开车，只能过着庸庸碌碌的平凡生活。”

然而，我并不想就此向现实妥协。透过网路社交媒体，我接触到了更广阔的世界，发现网卖是赚取额外收入的管道。那时，我认为只要代理越多产品，就能赚取越多金钱。可是，事实并非如此，这些付出仅为我带来几百块的收入！那时的我不敢奢望自己可以赚很多钱，更不相信自己可以获得更好的收入。

2014年，我通过社交平台接触到了传承国际的产品Redoxy抗老精华液。当时许多人都在分享这产品的好处。于是，我抱着姑且一试的态度，就开始代理了Redoxy抗老精华液。

由于这产品的效果显著，我和顾客的皮肤都获得极大的改善，加上网络营销的力量，我在48小时内就赚取了五位数的收入，并晋升红宝石经理！我非常地惊讶与激动，从来没想过自己可以获得那么高的收入。

然而，我并没被喜悦冲昏而松懈，反而开始深入了解MMNT高科技为基础的神奇产品。当然，再好的产品也需要卓越的奖金制度与其它优势为支撑。传承国际之所以能够在短时间内迅速崛起，是因为这家公司拥有一班经验丰富的智囊团班底，是他们运用绝对完善的策划与执行方式创造了奇迹。

帮助不同背景的伙伴们赚取 理想中的收入

当下我决定不再代理其它商品，只专注于分享传承国际的产品。我极力推广MMNT科技的威力，号召更多人加入成为代理，在三个月内成功晋升Diamond Director，并在第八个月升为Crown Ambassador。我的收入不断倍增，这是我靠网卖无法完成的目标。我非常感激传承国际提供了一个良好的创业平台，让平凡的我亦能完成别人眼中无可达及的成就！

在这里，我找到了人生方向，赚取了超过六位数的月收入。更重要的是，我从未想过自己有能力帮助不同背景的伙伴们赚取他们心中的理想收入。更让我此生无悔的是，我完成了当初对自己的承诺，提供父母亲更好的生活，报答他们的养育之恩。

机会

永远留给有准备的人

很多人都说，我年纪轻轻就遇到这么好的机会真是幸运。可是这一切都是我努力拼搏的成果。在同龄人玩乐的时候，我选择努力打拼与学习；在大家休息的时候，我努力分享产品与事业；在大家以喝茶或喝咖啡来消磨夜晚时光时，我选择与伙伴们检讨组织与做教育工作。只要我们把握传承国际给予的机会，肯努力、肯学习、肯改变、坚持不放弃，任何人都可以和我们一样在传承国际取得成功，因为机会永远只留给有准备的人。

我的付出与努力，仅是成就今日成果的部分。我由衷地感激公司及所有教导过我的高层们，少了这些助力，我根本无法拥有现在的一切！我会怀着一颗谦卑的心，不断地提升自己，朝更大的目标迈进，因为我坚信成功不是因为幸运，而是专注所能带给我的力量！
