A JOURNEY TO A BRILLIANT CONFIDENCE

better. We get to be bold and beautiful. And this applies to both our career and also in achieving our dreams. To me, it has always been about projecting our inner and outer confidence. And this can be in so many ways - from the way we carry ourselves in terms of appearance, the way we think and down to the way we forge our dreams and career paths.

DAWN LEE

Firstly, as a woman, I believe that appearance is always the first and the biggest form of impression one makes. Whether we like it or not, we're always judged by the way we carry ourselves physically. Dress to impress, dress to kill or even dress to thrill; you get to decide how you want to make your presence known. And of course not forgetting, wearing our skin with clarity. That means keeping it clean, clear and supple. It's the least you can do no matter your age. It's your first line of image when it comes to your beauty and well-being.

Next, be sure to have unapologetic confidence. This is crucial for your career growth. There is always competition in any organisation. And the first thing you can do to make sure you've got it made is to exude yourself in full confidence. This could mean reserving the word "yes" when you really mean it. And have the full-on confidence to say "no" in your own way to let others know of your stance. You may not realise but these 2 words could make or break your career. No one wants to be a yes-woman all her life, not in this era at least.

Finally, you have all the permission in the world to constantly dream big. Nothing makes life more worth living when you know you can dream big and at the same time, have the capacity to materialise it. Whether you're a wife, a mother or a single woman who enjoys her womanhood, nothing makes you more confident in your journey when you are surrounded by your goals and dreams. Remember, no dream is too big to achieve. Dreaming big is a form of empowerment. It's what drives us and sometimes having beautiful and magnificent dreams give us the inner confidence to move boldly forward.

I hope you're on your way to the life of your dreams. And if you're not, start with confidence. Even if it means having the confidence to believe in yourself. I'll leave you with this one message and I hope you'll live it: Just be confident, because I really think that confidence is the most beautiful and attractive part of any person.

RECOGNITION

The annual Ruby Recognition 2018 of Return Legacy has come to an end. After the Central Region Ruby Recognition, four recognition events had been held in the Southern, Northern, Eastern region and Singapore to recognise the newly initiated batch of Ruby Managers during the month of September and October. We witnessed the efforts and unwavering perseverance of the new Ruby Managers along their journey, a testament that in Return Legacy, every effort you make will reward you in more ways than you can imagine!

Having a dream takes form in the mind, but realizing that dream is about ability and will power! We hope that all the new Ruby Managers will continue progressing forwards and take on various challenges in their stride, slowly but surely edging towards new heights of success!

See you at the next pinnacle!

RUBY MANAGER SOUTHERN REGION

2 years ago, I made a life-changing choice by joining Return Legacy - a fateful decision which changed the course of my life. Not only did I achieve health, youth, and beauty in return, I have also managed to upskill myself by making extra monthly income as well as spend more time with my family. I personally feel that setting your sights down with targets is extremely crucial - having clarity of what I was aiming for allowed me to deliver my best efforts to accomplish what I set out to do. I vow to continue supporting those who trust in me, bringing my team to scale new heights and together create an extraordinary life.

Since joining Return Legacy I've felt extremely fortunate - people who cared and supported me throughout which was very heart-warming, and along the way I managed to earn an income which was beyond my wildest imaginations. My thanks to all the leaders and partners for their guidance - your belief in me allowed me to achieve all that I have today, all because of your unwavering support. I will continue to strive and learn from various leaders and partners in perfecting the way I carry out my work because I deeply believe that as long as you put your heart into it, what your heart desires will be within reach!

It was my fondness towards the products that led to start sharing with relatives and friends - and before I knew it I was promoted to Ruby Manager and received the company's bonuses and rewards, all in the short span of 4-months since joining. Being brave in exploring the unknown is a manifestation of those who loves a challenge. Only if you are brave enough to fail, you can succeed, and achieve what you want! Only by rolling up your sleeves and putting in the work can one find true appreciation, having the guts to explore and giving it a go is the key to success!

RUBY MANAGER NORTHERN REGION

I'm like any ordinary female you'd meet but am living an extraordinary life. When I was 55 I had thought of retiring but instead started a hawker business. It was something I thought of doing for a living post-retirement. Until the company launched a low entry distributor package in April, I relied on one thing belief. Because I believe in the company, the system, the products, and upline, so I set myself a goal and became a Ruby Manager within a month! It was the the first time in my life making a 5-digit income, and to achieve the same figures I'd have to sell more than 8,000 bowls of noodles. I really love Return Legacy's platform that led to me discover health and youth.

I realize that I don't excel as well as others, so I told myself that I must be wholeheartedly devoted to learning with the right attitude and without excuses. I'm glad that Return Legacy allowed me to part with my job as a home tutor after 10 years and allowed me to spend more time with my children, as well as getting free health products for the entire family. In the future, I will spend more time managing my network and share the company's 3K strategy. I believe that I can definitely generate higher incomes and craft my own future, setting life's path which I could proudly call my own.

As I've been abroad for a long time, I have little people connections back home. I had to slowly build my network from ground up one step at a time. With little to no knowledge about Marketing Plan, I took the initiative to ask, to learn, and arrange time to attend courses whenever they are available. I told myself that I could only move forward, turning back was never an option! I will continue to uphold the values of commitment, responsibility, contribution, adventure, and sincerity. As long as you want it, I will definitely stay by your side to support you and those around you, let us step towards new highs and success together!

RUBY MANAGER EASTERN REGION

Since officially being part of Return Legacy, I'm thankful for Return Legacy Entrepreneur Academy for enabling a newcomer like myself learn from the ground up one step at a time, educating me on the ways of managing my network, and answering my questions and queries. I've been part of RL for 10 months now and have gone through a significant transformation since. On top of making additional income and gaining health, RL has elevated my life to a whole new level - I'm now more confident, independent, and am more proactive in making new friends. RL helped me realized a simple principle that if you want to achieve something, you must be bold enough to go for it!

"It's not whether you're able to learn, it's about your drive and hunger." - these were words of the RLEA principal which I've always kept close to my heart. Hence, no matter how tough the going I will persevere through it! Because I have both drive and hunger! I'm thankful to Return Legacy in helping me rediscover my confidence, beauty, and health. If you think this is something that can only be achieved by a select few, I'm a living example as proof otherwise; I'm not Chinese educated, don't have experience in sales, am a beginner in this field - the only thing I had was drive and purpose. I made it because I wanted it. The question now is; can you also create a life filled with memories and achievements for yourself with your own two hands? Come join us in starting a business of your own!

RUBY MANAGER EASTERN REGION

My team is currently thriving and growing exponentially with each of them realizing their own goals. I deeply believe that their goals will become a reality soon because of RL's complete, replicable system which if followed through proper, will ensure success. Even someone like me who has failed 100% in my past entrepreneurial efforts am able to see results in RL, how can you let this opportunity of a lifetime pass you by? If you aim to start a business of your own, don't miss out on RL's platform which has been carefully planned out for you to just follow in its footsteps. I am looking forward to the next Ruby Recognition and meeting every Elite, Premium, Legacy Partner, as well as meeting you, who are still hesitating. In the meantime, together with my team we will progress to higher goals. Wishing you all the best in scaling greater heights!

RL was instrumental in realizing my dream of bringing my parents for a trip to Taiwan. I can finally say to mom and dad: "Dad, mom, I'm paying for the entire trip, just pack your bags and come along." I used to think that I'll never be in sales, as I felt that putting up with people to ask for help was something that was beyond me. It was AY who told me that on the RL platform, we don't need to go to such measures nor is there even a need to ask for help. As long as we do our part, the products will ably sell itself. All I did was follow the system and team, and my group grew from 1 to more than 100 people strong. I promise that I will

continue to strive hard and aim at higher goals!

beauty and wealth.

RUBY MANAGER SINGAPORE

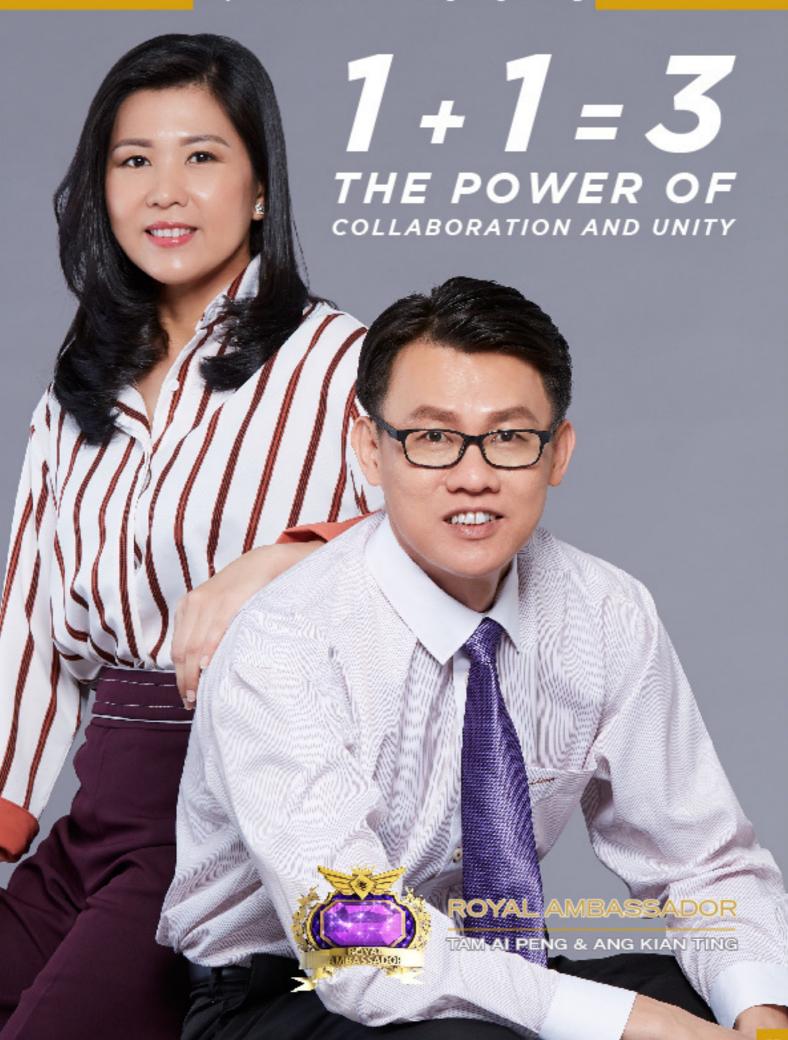

I'm glad to have discovered Return Legacy as it did not only create an additional source of income for me, it was also where I found personal growth and a trove of precious life lessons. The courses provided by the company are suitable for all and can be practically applied in any workplace. At the same time, it injects plenty of positive energy and optimism which ignited my dreams and passion. This is a platform for ordinary people to realize their dreams. I deeply believe that so long as I'm determined to put in the hard work and effort, in return I'll be able to obtain the freedom of time and wealth, living my life to its fullest as well as helping others to rediscover their health,

My mother is the person that kept me going as I witnessed how Medigold and W+ help improve her health tremendously. Seeing my mother living a healthy and happy life, I made a promise to myself that I will continue making her health my priority. It is also because of her that I actively talk about health and beauty with everyone around me. Every time I talk about her with my friends, it really touches my heart and soul. It was then that I realized I've unintentionally stumbled upon something I really love doing.

In just a year, my life has gone through a drastic transformation! From a housewife who was low on self-confidence to now being a leader of a team; from someone who is shy with words to someone who now speaks confidently and eloquently, and also someone who is concerned for the wellbeing of others. In the past my world was nothing more than digital text from computer screens, now my world is filled with colour and hope! I'm thankful that Return Legacy is a business that is easy to learn, understand, and duplicate. As long as you continuously learn and put in the effort, change will certainly be within reach!

ff After graduating from college, I worked a few jobs. But, during these six years of working life, I had gradually lost my enthusiasm for work due to the monotony of being stuck in the daily grind. One of the main reasons I realized was that my hard work and contributions did not necessarily amount to fair treatment and opportunities. Yet, I still continued to work until I gave birth to my first child. Being a mother as well as a career woman became increasingly exhausting for me as I tried to juggle a full-time job with family life. Finally, I decided to tender my resignation, to stay at home to raise my children and become a full-time mother. "

Initially, I did feel that it was the lifestyle I wanted: Every day, apart from doing some housework, I could spend time with my children as I watched them grow up. It felt like such a blessed life! But as time went by, I began to wonder whether there was something more I could do for myself, other than taking care of my family. I am very grateful to my husband, for his efforts provided us with financial stability and a happy life. However, I felt that my life should not be just like that. I desired to be a woman who was independent and liberated lin both my family and career, a successful woman whom I could be proud of.

Finally in year 2010, I started learning how to do e-commerce, and gradually progressed from being a small-time agent to a wholesaler. Within five years, I scored my first pot of gold with my online sales business. But, I had only myself to rely on, so I had to tackle all sorts of problems on my own. Additionally, the products that I was selling at that time were lacking in uniqueness. There were lots of other similar merchandises available in the marketplace, as well as a very high flow of customers and agents. In order to get a cheaper price, I had to buy goods in bulk. In the end, I stocked up to over a hundred thousand items of goods.

Royal Ambassador - Tam Ai Peng

On top of that, market trends tended to change rapidly and some products quickly phased out after the initial craze. And then, I too began to slow down in this business of online sales.

At the same time, I neglected in taking care of myself during that period. That resulted in skin problems like dull complexion, enlarged pores, blemishes and acne breakouts. I tried various remedies but had not seen any effect. Then, I saw a lot of customer testimonials for RL products on the Internet. Hence, I purchased the 5 Treasures to achieve a combination of inner and outer remedial therapy. After using it for a short period of time, my skin problems cleared up, especially when comparing the 'before' and 'after' images. So, I started to develop a strong interest in RL products, and I became curious about the company, too.

When I first joined RL, my goals and direction were still unclear. Two months later, I attended the Second Return Legacy Grand Recognition. At that time, we attended the event to support our upline, and to join in the fun. But when I arrived at the event, I was stunned by the setting and atmosphere of the place! It was deeply inspiring for me to witness each one of our Legacians basking in the glory of their achievements as they stepped onto the stage to receive their awards. Wasn't that the glory that I had been longing for? At that moment, I wanted to achieve the goal of taking my place in the Diamond Director Recognition list! It was that driving force that had constantly motivated me to work hard and persevere until I could finally stand on that stage!

Thereon, equipped with that passion and our confidence in the efficacy of our products, we went all out to share the products and business opportunities. A lot of people achieved awesome results after using the products, which helped to improve their health and appearance. These had made us very happy. At the same time, more people began to join the team to help run the RL business together.

The greater the desire for success, the stronger the impetus that propels us forward! But what we want is not only our own success, but also for all our team members who believed in us to change together and achieve success! Looking back, we saw how our team members started off with zero knowledge at the beginning.

But here we can learn and grow together through the training provided by the Return Legacy Entrepreneur Academy. When our team members attained their goals, we truly felt very, very happy and thrilled at their accomplishments.

The additional benefit of operating RL is that both husband and wife can have something common to discuss. We originally belonged to different areas of expertise. He is an engineer and I am proficient at market economy management. Both our jobs are related to numbers, and ensuring the accuracy of each figure written. And yet, he and I could never comprehend the true meaning of the numbers written by one another.

It was not until we encountered Return Legacy that we really work together. At RL, we had an unending source of common topics and team goals. He is the team's strategist and I am the team's forward. Working side by side, we supported and encouraged each other.

In the past two and a half years, we had experienced countless trials and tribulations of life together. We encountered many setbacks together and faced many challenges together. We even had thoughts about giving up during the process! However, we were not willing to give up as we had faith in our choice and we believed that RL was a business worthy platform. Whenever we fell, we adjusted our mindset, sought new ways, and continued to work harder towards our goal.

SHEET MASKS FOR SUPPLE SKIN

Sheet masks are often highly sought after for its ability to instantly achieve hydrating, moisturising and brightening effects for the skin. However, this seemingly simple and straightforward process is steeped in knowledge, and when wrongly applied can affect its effectiveness, hence mastering the right way to apply sheet masks is key to stay beautiful.

How long do you need to apply a sheet mask?

The general rule is about 10 – 15 minutes or follow product usage instruction. If sheet mask is left longer than recommended, it will start to dry out and absorb the moisture from your skin, leaving the skin dry and tight – something you'd want to avoid. So, never go to sleep with a sheet mask on as it causes a reversal effect and might irritates your skin, leading to a counterproductive process.

Should I exfoliate before applying sheet masks?

Regular exfoliation to remove dead skin cells greatly improves the skin's absorption of sheet mask's essence. However, the human skin has its own renewal cycle and frequent exfoliation can lead to thinning of the skin, making it more susceptible to environmental factors. To avoid that, it is recommended to exfoliate twice a month. If you would like to apply mask without exfoliation, prep your skin with necessary cleansing steps.

O3 Can sheet masks replace dally skin care routine?

Different skin care products contain different ingredients and therefore deliver different benefits. Even though your skin feels supple after the use of sheet mask, you might need to apply other products such as moisturisers to enhance your skin's absorption of the mask's essence for an enhanced

moisturising effect.

What to do with the extra serum from sheet masks?

These can be applied on neck, hands, legs or other parts of the body.

建立 铸造灿烂人生

66 21世纪的女性,比过去任何 一个时代的女性都来得更加 优秀。这种变化让我们在追 求事业与梦想的路上变得更 勇敢、自信和美丽。我认 为,修炼由内至外的自信 是非常重要的。表现自 信的方式也有很多种, 包括了穿着打扮、言 行举止乃至勇敢追 求理想和事业的 执着,每一个细 节都能展现自 信的光芒。99

DAWN LEE 新加坡营销总监

首先,作为女人,我始终相信一个人的外表是影响他人第一印象的首要因素。无论我们喜欢与否,别人总是以我们的外表、打扮来评判我们。我们可以通过精心的打扮为自己的形象加分,给别人留下良好的印象,吸引他人目光或纯粹让人觉得赏心悦目。您可以决定要以什么样的方式让别人看见您、知道您的存在。此外,亮丽的皮肤也是女人最高级的衣裳。所以,我们必须勤于保养,确保自己的肌肤时刻保持净透细腻。拥有健康和美丽肌肤就是您一生的名片,影响着他人对您的第一印象,不管处于任何年龄段,保养护肤都是每个女人每天必须执行的工作。

其次,必须拥有坚定不移的信心,这对您事业的成长至关重要。每一家企业都会存在竞争,您首先能做的就是全然地相信自己。在职场上,只有当您有信心完成他人提出的要求的时候,才能对别人说"好";反之,您也要学会拒绝,向别人说"不",并以您的方式向他人表达自己的立场。您或许还未意识到学会说"好"和"不"的重要性,但这两个词确实会对您的事业带来巨大的影响。没有女人愿意一生当个唯唯诺诺的女人,至少在现在这年代已非常罕见。

最后,当您拥有了坚定的自信,您同时也具备了追逐梦想的基本条件,您的生命也因此而变得更有价值与意义。无论您已为人妻、已为人母或仍是单身女子,有了理想和目标的支撑,在人生旅途中,您将变得更有自信。切记,这世上没有实现不了的梦想!设立远大的梦想可以激励我们努力奋斗,而拥有伟大的梦想可以唤起我们深藏的信心,使我们勇敢地向前迈进。

我希望您已启程通往梦想的路上。如果您还没有 勇气追梦,那就先从变得自信开始吧,相信自 己可以做得到。最后,我想与您分享一句 话,希望您在生活中可以实践它: 当个 有自信的人,因为自信的人最美 丽、最有魅力!

感恩2年前的我加入传承国际,改写了自己的人生。 我不但得到了健康、青春、美丽,我也大大提升了 自己,赚取每月额外收入,也让我拥有更多时间陪 伴我的家人。我认为设立目标是非常非常重要的, 因为当我设下了一个清晰的目标,我才会全力以赴, 无论如何的去把它实现。我承诺,我会去帮助相信 我的人,带领我的团队一起并肩作战,一起创造不 平凡的人生。

加入了RL我觉得自己是个幸运的人,有人给我关怀,有人给我帮助,有人送我温暖,还赚取了从没想过的收入。感谢各位领导和伙伴们对我的恶心栽培,没有伯乐,我永远都不会是一匹干里马,您们昨日的呵护成就了今天的自我。以后我会更加努力的向领导和伙伴们学习,把事情做得更加完美,因为我相信只要自己有心要做就一定能够做到你要的东西!

"

因为自己爱上了产品,我开始慢慢地分享给身边的亲戚和朋友,就这样懵懂懂地在我加入第四个月后,我成功晋升成为Ruby Manager,同时也得到了公司的奖金与奖励。敢于尝试是一个人敢于挑战自我的表现。只有敢于尝试失败,才有可能取得成功,想做就去做!只有做了,你才能真正懂得它对你意味着什么,敢于尝试才是开启成功大门的钥匙!

我是一个平凡的女人,却有不平凡的人生。55岁本该退休的时候,却开始我小贩的生涯,本以为就这样平平凡凡过我的晚年。直到四月份公司推出低门票槛的代理配套,我凭着一个信念——相信,因为我相信公司、相信系统、相信產品、相信上线,于是我设定目标,在短短的一个月成为了红宝石经理!这是我人生中第一次赚到5位数的收入,而这个数目是要卖8千多碗粿条汤才能赚到的。我很喜传承国际这个平台,在这里我得到了健康,变得越来越年轻。

66

我知道我不比任何人优秀,所以我告诉自己一定要 全心全意投入,用正确的心态好好学习,不给自己 任何借口。我庆幸自己因为 RL 所以抽离了当了 10 年补习家教的工作。我因此有了更多的时间陪 伴我的孩子,也可以通过努力换来一家大小的免费 健康产品。今后我会付出更多时间好好经营我的人 脉,好好分享公司的 3K 海啸政策,我相信我绝对 可以赚取更高的收入之余,更可以在我的未来路上 创下一片天,让自己走出不一样的人生。

因为长时间在国外,我没有人脉。我只有一步一脚印的慢慢建立起我的人脉。Marketing Plan我不会,我就主动去问、主动去学,有课程的时候就安排时间出席。我当时真的也只是告诉自己只能向前冲,没有任何退路!我也将一直秉持着以承诺,责任,贡献,冒险和真诚的价值观,只要你们想要,我一定会在你们身边支持你们,让我们一起冲往更高峰!

在我正式加入后,感恩有传承学院的存在,透过 系统复制可以帮助我这个新人从零开始一步一步 学习,甚至还教导我如何经营人脉,让我所有的 疑惑以及疑问都得到了解答。我加入RL已经第10 个月了,过去的我和现在的我真的改变了很多。 我在RL 赚到额外收入、赚到健康、它更让我的生 命提升到另个层次,如今我有自信,我敢独立做 事,也可以很主动地和人做朋友。RL让我明白了 一个道理,如果你有想要的东西,你就要勇敢地 豁出去!

99

我一直谨记校长的一番话: "不怕你学不会,只怕你不想要!"所以,我再辛苦都不放弃! 因为我想要!谢谢Return Legacy让我找回自信,找回美丽与健康。如果你认为要很厉害的人才能经营,请你们看看我,我不会华文,我没有销售经验,我没做过这个行业,只因为我找到了动机。我要,所以我做到了,那你是不是也可以为自己创造令自己感动的人生呢?加入我们一起来创业吧!

"

红宝石经理 慈國

我的团队目前正在茁壮成长中,各自在完成自己 对自己设下的目标,而我很肯定,她们的目标都 将在短期内实现,因为RL 有一套完善的,可以 复制的系统,只要跟着做,没有不到岸的。正如 我这么一个在过去100%创业失败的人,都可以 在RL看到了成绩,你怎么能放过尝试努力的机 会呢? 如果要创业,又怎么能放过已经为我们全 盘规划好,而我们只要跟着做的RL平台呢? 期待 明年Ruby 表扬大会的舞台上,都有在座每一位 Elite, Premium, Legacy Partner 以及还 在犹豫不决的你。接下来,我将与我的团队往更

高的目标前进,也祝福大家再创高峰!

因为RL,我实现了我带父母去台湾旅行的梦想。 我终于可以跟我的爸爸妈妈说: "爸、妈,这次

旅行的费用由我来承担,你们跟着我去就对了" 我以前觉得自己不可能会做销售,因为觉得要拉 下脸来求人,我做不到。是AY告诉我,在RL这 个平台,我们不需要放低身份、不需要去求人, 只要做好自己的本分,产品就肯定能卖得出去。 我所做的只是跟随着系统和团队的步伐,组织从 1个人发展成超过了100个人的团队。我承诺,

我会全力以赴,往更高的目标前进!

66

感恩遇到传承国际,不只是让我创造了第二个份收入,更可贵的是在人生路上得到很多学习和成长。 公司给予的课程适合我们用在任何一个职场上,也 给了我们很多的正能量,点燃了我心中的梦想。这 里是平凡人也可以实现梦想的平台,我相信只要我 愿意付出和耕耘,在这里一定能得到我想追求的时 间与财富自由,活出最精彩的自己,还能帮助更多 的人找回健康、美丽与财富。

99

66

让我坚持下去的理由就是我妈妈,因为medigold和w+改善了她的健康状况。看见妈妈健健康康、开开心心,我告诉我自己,我要继续为我妈妈的健康负责。因为我妈妈,我更加积极地把健康和美丽分享给身边的每一个人。每一次和朋友分享我妈妈的见证,自己分享到就连自己都感动。我才知道原来我不知不觉地找到了我真正喜欢做的事。

"

66

在这短短的一年多里,我的人生真的彻底改变了! 从一位没有自信的家庭主妇,变成一位团队领袖; 从一位寡言少语的人,变成一位善于沟通、更懂得 如何关爱他人的人。以前我的世界都是电脑语言, 现在我的世界都是充满色彩与希望! 感恩RL是一 份易学易懂易复制的事业。在这里,只要通过不断 的努力学习,就一定能够改变!

"大学毕业以后我打过几份工,但在这6年的打工日子里,我对工作的热忱在机械式的运作中慢慢地被磨灭了。当中,我体会到我的待遇的行出并不一定会获得公平的待遇和机会,不过我还是继续工作下去。 直到生了第一个孩子,在要照觉起子与兼顾工作的情况下,我感觉的子,我应为,最后决定辞职,回家陪伴孩子,成为一名全职妈妈。"

刚开始的时候,我感觉这就是我要的生活方式,每天除了做家务,还能够陪伴孩子成长,这是多么幸福的事!但是日子久了,我开始觉得除了照顾家庭,我还能为自己多做些什么?我非常感谢我的丈夫,是他的努力让我们有了稳定的财务状况以及愉快的生活。但是,我觉得我的人生不应该只是这样。我渴望成为一位在家庭与事业当中都能独立自主,为自己而感到骄傲的成功女性。

终于在2010年,我开始学习做网家,从小代理发展成为批发商。在5年的网家事业里我赚了我的第一桶金,但我必需一直靠自己单打独斗,自己解决所有问题。再加上当时卖的产品没有独特性,类似的产品在市场很多,客源和代理流动量很高。为了能够拿到更便宜的价钱,我必需大量地吨货,到后来我囤了过百干的货。但因为产品的潮流更新得很快,有些产品在火了一阵子之后就慢下来了,我也开始在这个网卖事业中慢下来了。

同时,我发现在这段期间我疏于照顾自己,导致我的肌肤暗淡无光、毛孔粗大、敏感和 痘痘全都出现了。尝试了好几种产品,但都不见什么效果。后来在网络我看到很 多RL的产品见证,我也买了5宝去内外配 合调理。用了很短的时间,我的肌肤问题 被改善了,尤其从我的对比照片就更明显 看出分别。因此我开始对RL产品产生浓厚的兴趣,也对这家公司产生好奇。

刚加入RL时,其实我的目标和方向都还不明确。刚好2个月后遇上了第二届国际表扬大会。当时我们也只是来支持企业上司,顺便来凑凑热闹。但是当我来到会场时,会场的那种场面和气氛深深地震撼了我! 我看到一个个受表扬的伙伴们站上舞台那种吐气扬眉的荣耀深深触动了我的内心!这不正正就是我要的荣耀吗!我当时完全不介意排队苦苦等待,就是要站在Diamond荣誉榜前拍下我的目标!就是这股推动力,一直提醒我要努力、要坚持,直到我能站上这个舞台!

过后我们就抱着这份激情和对产品功效的信心,努力地分享产品与商机。越来越多人在使用产品后得到非常棒的效果,改变了她们的健康和外貌,令我们感到非常高兴。与此同时也开始有伙伴们加入团队一起经营RL事业。

越大的成功欲望,就会形成越强的推动力! 但是我们要的不止是自己成功而已,而且是 所有相信我们的伙伴们一起改变一起成功! 看着伙伴们从一开始什么都不会,但在这里 我们可以通过RL商学院的培训一起学习、 一起成长。当伙伴们达成目标时,我们真的 感觉到非常、非常的高兴与感动。 经营RL所接获的额外收获是我们夫妻能拥有更多共同话题。我们原本属于不同的专业领域。 他是一位工程师,我则精于市场经济管理。 我们同样拥有与数字有关的工作,同样要确 保所写的每一个数字是准确的,不过我们从 来都看不懂彼此写出来的数字的真正意思。

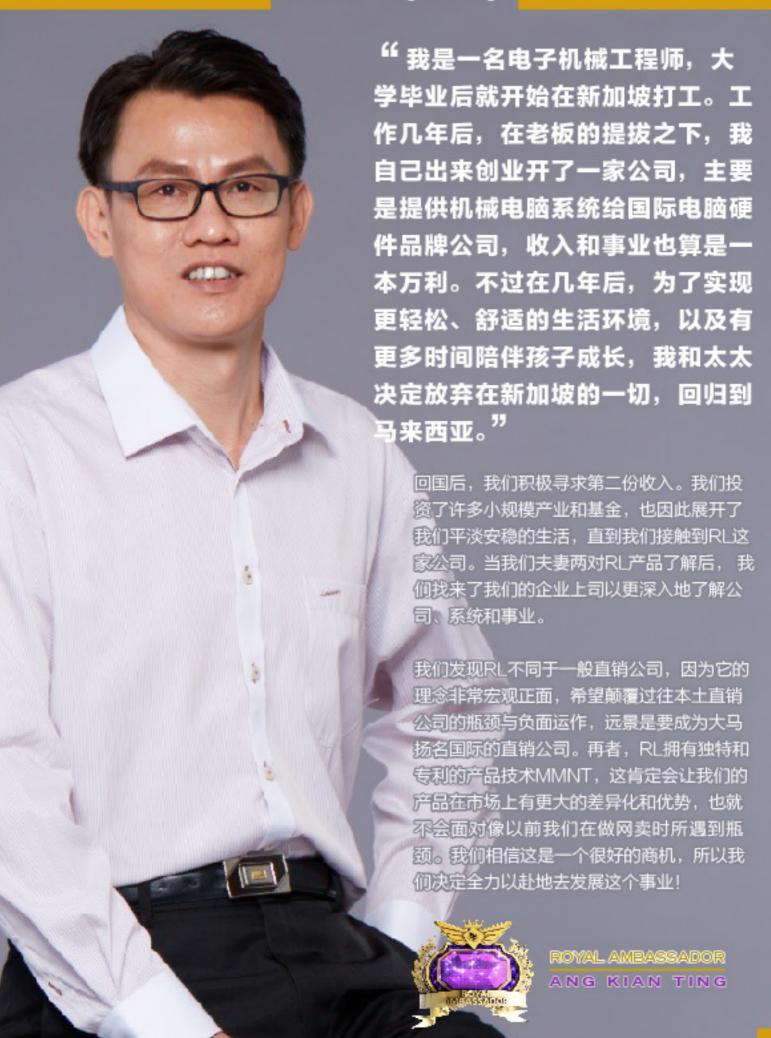

直到遇上Return Legacy, 才真正把我们身、心拼合在一起。在RL,我们有谈不完的共同话题和团队目标。他是团队里的军师,我是团队的前锋,我们互相配合、互相支持和鼓励。

在这2年半里,我们一起体验人生百态, 人情事故, 一起经历了很多挫折困难 , 一起面对挑战。在风雨中,我们也曾经 想过要放弃! 不过我们相信我们当初的 选择是对的!我们相信RL是值得我们长 期投资的事业。我们不甘放弃! 跌倒了, 我们就调整心态,再次寻找方法,继续努 力往目标前进。

还有一定要感谢一直教育着 我们、领引着我们的商学院 校长一Alvin Hong以及 Albert老师,我们的企业上 司Julia和Apple。还要感谢 我们第一个家和第二个家的 家人们,感谢各位一路以 来的教导、扶持、鼓励和 协助。有您们的出现才成就 了我们的今天,是您们给了 我们这个机会在这里分享我 们的感言。

我记得校长跟我们说过:

"如果一个人的力量是 100%,那么2个人的全力 以赴的力量肯定超过200%, 甚至是300%的力量!当夫 妻同心,肯定可以创造更大 的价值!"我们承诺,我们 将继续用超过200%甚至 300%的力量帮助更多要在 RL里成功的人!

让我们携手打造一个与团队 拥有情感共鸣、目标共识、 成果共享,以及可以永续经 营的事业!

正确使用面膜还原水煉脈

有"急救神器"之称的面膜可在短时间内为肌肤进行急救,瞬间达至补水、滋润和提亮之效。不过这看似简单的基础保养工序其实隐藏不少学问,方法错误可会影响其效,所以爱漂亮的您一定要掌握面膜的正确使用方式。

) | 面膜要敷多久?

一般为10至15分钟或依据产品的使用建议。要是时间过长,片状面膜干后反而会吸走肌肤表层的水份,让肌肤更显干燥紧绷。因此切勿敷面膜入眠,这不仅不能起到保湿作用,还可能刺激肌肤,适得其反。

Q3 面膜可否取代日常 保养工序?

不同的护肤品含有不同的功效与 成份。即使敷面膜后感觉足够滋 润,也不能忽略后续的保养如涂 抹润肤霜,因为这有助提升肌肤 对面膜精华的吸收, 加倍保湿效果。

○2 敷面膜前要去角质?

定期除去老废角质确实 能提升肌肤对面膜精华的吸收,但 肌肤有自己的代谢周期,频繁去角 质可能会导致角质层变薄,令肌肤 更易受外界环境侵害,因此建议可 以进行一个月两次的去

角质工序。一般来 说,敷面膜前做 好清洁工作便可。

〇 4 如何处理面膜包装 里多余的精华液?

面膜包装里剩下的精华液可以 涂抹在颈部、手、脚、或身体其 他部位。
