DREAMS

ARE MEANT TO BE REALISED,
NOT CAPSIZED.

“ All of us have our own dreams we would like to achieve and we all have some idea of how to make it happen as well. But most of the time, we slip into the humdrum of daily life and suddenly, we lose track of where we are. This can happen to the best of us. I can't say that it never happened to me, but I was fast enough to catch myself and get back on track. ”

CMO OF THAILAND
PAUL TAN

Like you, I have dreams and I am thankful for being able to achieve them in this lifetime. It is never easy but following it and achieving that sweet success is a feeling unlike any other. So let's get into the imperative parts of following your dreams and making it happen. The secret? It is not so much about the Do-ing but the Be-ing.

01

Be Optimistic Always

even when you think you are off path

Every time we get thrown off path when we are chasing our dreams, we get discouraged or we get dissuaded by all the nitty-gritty details of an action plan. It is fine to feel this way, but it is not fine to wallow in it. The trick is to always look for a fresher perspective. That is how you milk out the optimism in a pessimistic situation. So take deep breaths, look for the good and move forward. Remember there is no such thing as a wrong path. You make it right by being the better version of you.

02

Be Life's Possibilities

nothing is impossible until it is done

"It always seems impossible until it is done" is so eloquently put by the late Nelson Mandela. If there is anything we can learn from him is that he is the testimony of achieving the impossible and embracing setbacks. From being in prison for 27 years to becoming a president of a huge nation, he truly embodied life's possibilities. Just remember that having setbacks doesn't mean you failed, it just means you are given the opportunity to see how else you can make your dreams possible.

03

Be Present On The Journey

success is never the destination

Have you ever wondered how your mind tricks you into making up scenarios in your head when you fail? Well, just remember that following your dreams is a journey. The road can be long, winding, bumpy and sometimes you could encounter detours. But stay present in the moment and understand that success is a process. Stay with the process, trust it and let it shape you and lead you to your dreams.

So if you're feeling stuck with your dreams currently or are feeling a little dispirited, just remember that you will get there, but only if you keep going.

I wish you well on the journey to your dreams.

2° ACTIVATOR

INSTANT HYDRATING MASK

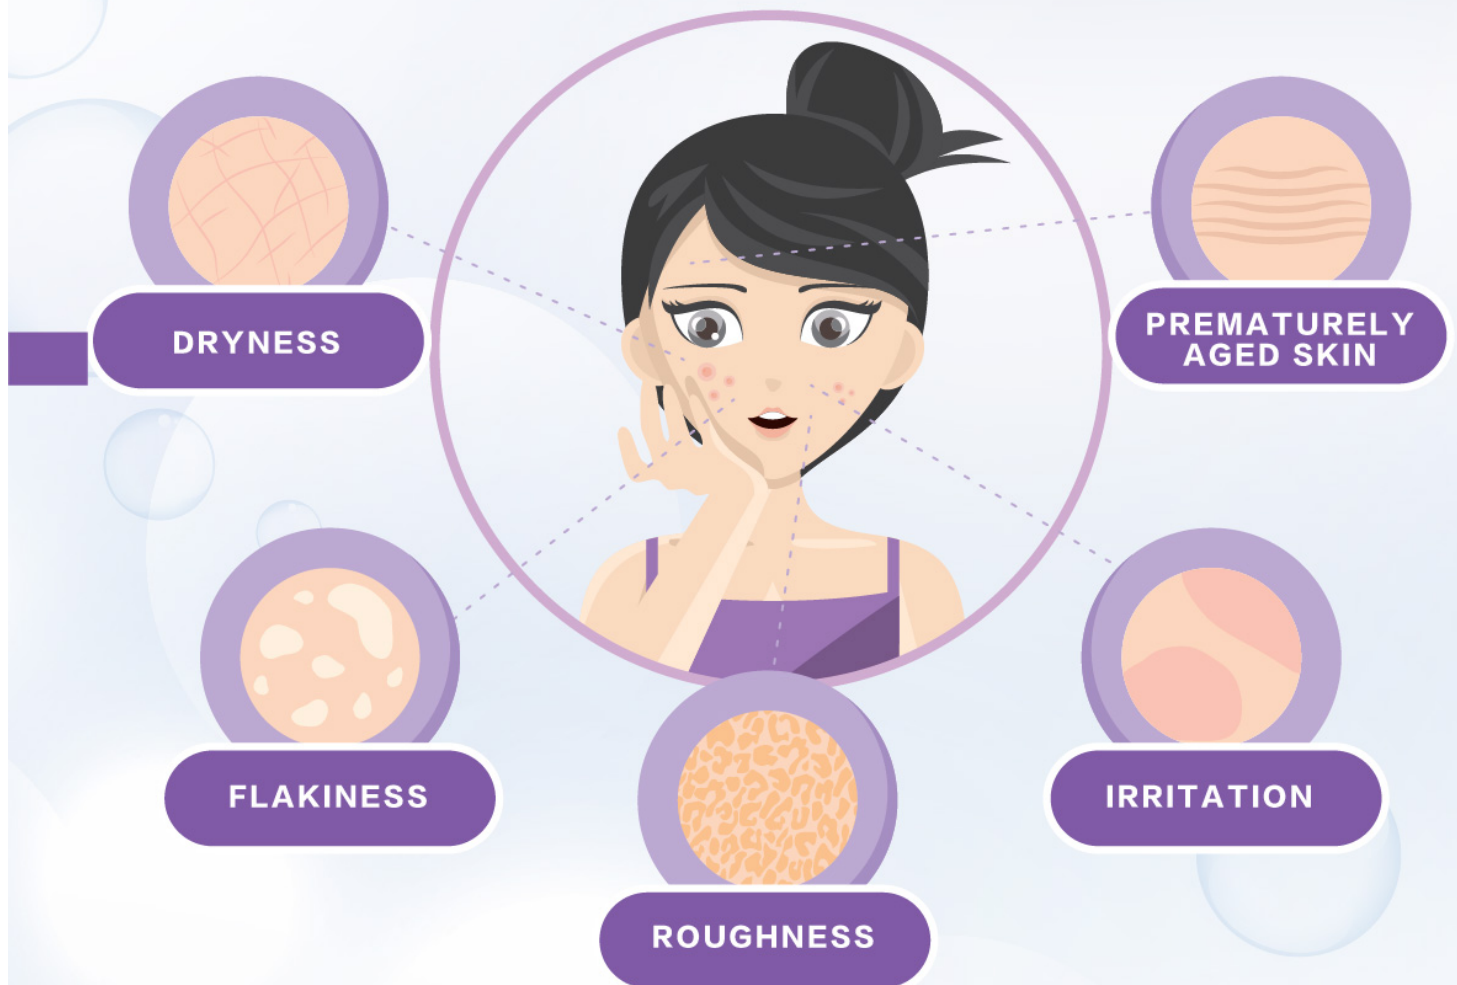

INSTANT HYDRATION IN A SHEET

Our skin is the largest body organ and functions to hold in our body fluids thus preventing dehydration. A healthy skin contains 10-20% water and dehydration occur when the level drops below 10%. Our skin loses water daily in large quantities as human skin cells are typically exposed to UV radiation and environments with low water concentrations such as air-conditioned buildings, dry air, travel, temperature fluctuations and others. These environments often lead to disruption in skin hydration and function.

Our skin does not have the ability to produce moisture of the water variety on its own – it only absorbs from water consumed and water-based skin care products applied onto our skin. If our body is lack of water, it will affect the functions of our organs. Imagine the damages on your skin due to dehydration.

Dehydration weakens skin's defence and will caused:

It's vital for our skin to stay hydrated in order to keep it nourished and able to fight any damages caused by dryness, skin irritations, or environmental aggressors. Thus, it becomes very important to replenish water in our skin.

When it comes to hydration, it is often associate with water – to hydrate something means to increase its water content. In relation to skin care, hydration means increasing the amount of water in your skin, which results in a healthy, smooth, and supple complexion.

When your skin is regularly hydrated, it keeps the appearance of fine lines and wrinkles at bay, and will increase skin's resilience. In addition to younger appearance, your skin will maintain their overall cellular functions as well by keeping it hydrated. Hence, besides collagen, water is the most effective anti-aging ingredients for your healthy glowing skin.

How do we hydrate our skin? Our skin is the last organ to absorb hydration by means of drinking water, thus using topical ingredients that promote hydration is beneficial as well. Often, sheet masks are the simplest and fastest way for an instant hydration.

2° Activator Instant Hydrating Mask combines 5 effective moisturising elements culminating in the formulation of an ultra-concentrated hydrating serum which capable to instantly deliver hydrating effects, leaving your complexion looking energetic and healthy. Its ability to lock in moisture, preventing loss of water, and providing long-lasting hydration help balance skin's water levels while leaving a non-sticky feeling on the skin. As it recharges dull looking complexion, it strengthens skin's natural barrier as well and protect against pollution and other environmental aggressors. The sagging signs of skin due to loss of water content can also be arrested through the improvement of skin elasticity and ensures prevention against skin aging by locking in moisture and strengthening the skin's barrier, keeping your skin hydrated, smooth, and supple.

A single sheet of mask is all you need for an instant pick me up. Daily usage will lead to better results.

ARE YOUR SLIMMING METHODS OUTDATED?

We're living in an era that glamorises and glorifies slim figures. From the cut-throat fashion industry that features stick-thin models as a representative standard, to entertainment industry where popular celebrities are expected to be slim. These beauty standards have seeped into our society as well, where the driven mantra is "the thinner we are, the better we look". This constant yearning to lose weight contributes to all the slimming fads and methods present today. Yet clearly, weight loss is a topic that is timeless and will never run out of style - but can the same be said for its methods?

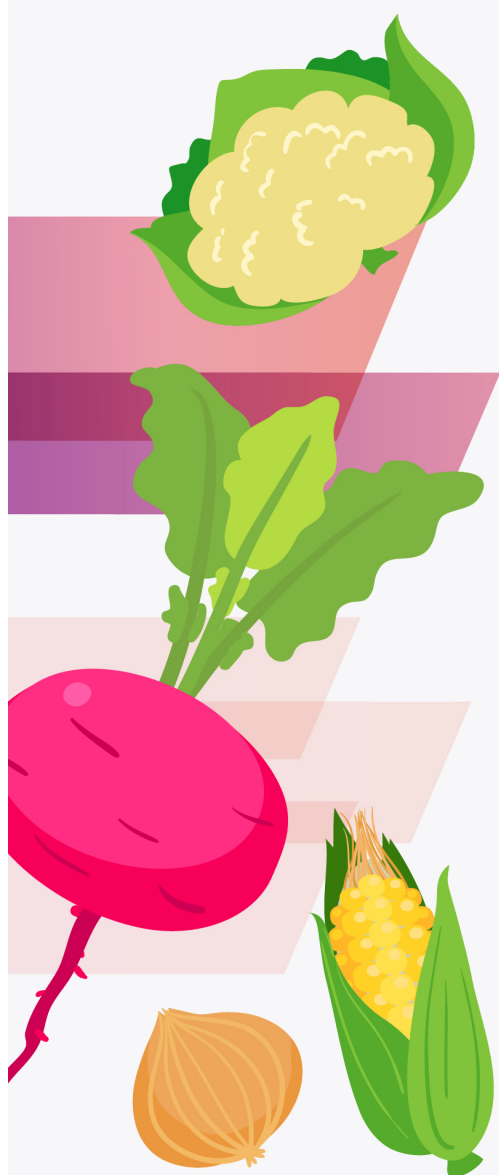

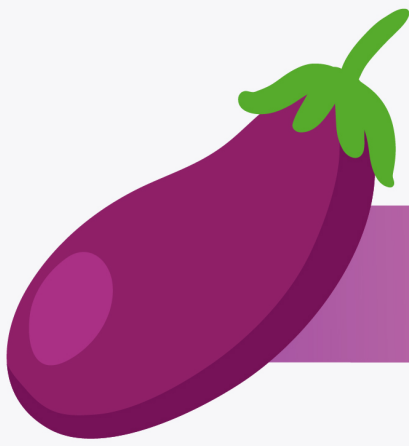

In recent years, the establishment of slimming centres and products have been a burgeoning business with the rise of quick-weight loss plans, but weight loss is often associated with enhanced physical appearances. But as the public awareness of healthcare and wellness rose significantly, experts begin to promote the use of diet programs for weight loss via the reduction of calorific intake. Some of the more well-known diets include low-carb & ketogenic dieting and intermittent fasting. However, a strict diet without regular exercise has a high chance of retaining your body fat percentage. Some individuals seeking immediate results may resort to extreme, and often unsafe dieting methods, such as taking diet pills and surgeries.

When it comes to weight loss, we need to sensibly evaluate how the process should be according to our bodies and health. Weight loss shouldn't be purely for the sake of attaining society's warped perspective on the ideal figure. Even for those who are obese or have been facing criticisms over their appearance, do not simply follow any weight loss plan without taking notice of the possible repercussions on your health. It's always better to strive for a healthy weight rather than to match society's perception of being stick-thin.

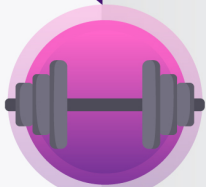

Health should always be the priority when it comes to weight loss. The global obesity issue we're facing now has spurred health experts and doctors alike to pay more attention on the impacts of obesity on our health. When a person is obese or overweight, they are more vulnerable to diseases and health concerns. The most common ones are cardiovascular disease, type 2 diabetes, musculoskeletal disease, and an increased risk of developing cancer. However, doctors and scientists are currently advocating 'scientific weight loss', which is essentially long-term weight loss through healthy weight management.

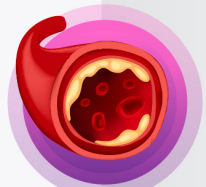

Dieting, relying on slimming pills or surgeries are weight loss fads of the past that are giving way to more scientific and healthier methods of weight management. But what is the difference between traditional weight loss methods and the modern ideals of weight management? Take a look at this chart below:

3 PLUS AND A MINUS

HEALTHY WEIGHT MANAGEMENT FORMULA

INCREASE METABOLISM

One of the key rules to achieve healthy weight loss is your body's metabolic rate. Inspired by the Mediterranean Diet, the new and enhanced Mediterranean Gold PLUS is formulated with Return Legacy's cutting-edge proprietary blend - LePheno™, combining 22 fruit and vegetable extracts, red grape extracts, olive extracts, Chromium Yeast and L-arabinose which is effective in improving metabolism, thus increase energy level and vitality. Consist of high potent polyphenols, it delays signs of aging, reduces calorie intake, breaks down accumulated fats and converts into energy which in turn reduces waist and hip circumference. With daily consumption, Mediterranean Gold PLUS helps to reduce cellulite and enhance skin firmness as well.

INCREASE NUTRITIONAL INTAKE

A balanced and nutritious diet is essential for a healthy weight management plan. Rich with plant nutrients, Mediterranean Gold PLUS provides a good source to replenish nutrient loss in daily activities. It also helps to maintain good health by regulating blood pressure and cholesterol levels. While, the high protein formulation of NUREOX Protein ProMix helps to increase daily protein consumption, allows the body to absorb more nutrients from food which also control hunger and curbs cravings.

INCREASE DETOXIFICATION

When the metabolic rate slows down, fats and toxins accumulate in the body, and causes obesity. NUREOX de'Cleanse is formulated with natural plant-based ingredients that helps to boost metabolic and detoxification processes. This fibre-rich drink contains the nutrients that are needed to maintain intestinal health, as it balances the microflora, promotes digestive health and relieve occasional constipation. Its rich fibre content also helps to satiate hunger thus reduces food intake and achieves a healthy weight loss. A daily dose of NUREOX de'Cleanse enhances the body's absorption of nutrients and detoxification, which contributes to a healthier body and smoother skin.

REDUCE CALORIE INTAKE

An excessive calorie intake will lead to the formation of fats, which contributes to weight gain. High protein, low-calorie meal replacements help to keep your calorie intake in check while achieving the slimming effect that is desired. NUREOX Protein ProMix combines pea protein, soy protein, soy protein isolate and other nutrients making it the perfect choice for a healthy meal replacement. Its high protein formula not only effectively curbs your hunger and reduces appetite, but it promotes muscle growth as well. Not only that, it provides essential amino acids to maintain good health which helps the body to increase absorption of nutrients, enhances its immune system and improves overall energy levels.

Starting today, eliminate the archaic concepts of weight loss fads and the unrealistic beauty standards. Instead, choose a sustainable yet healthy weight management plan that balance between a nutritious diet and regular exercise.

ROYAL AMBASSADOR
KOK YEEN MEE

“ I was never one with grand dreams and often felt that the simplest form of happiness lies in the ordinary day-to-day. Thoughts of travelling where one can just pack-and-go, or shop that nice looking dress or shoes on impulse have always been a foreign concept for working people like myself. Life was pretty straightforward – basically a repetitive cycle between work and home, going through the grind over the years. ”

To me the equation was simple – as long as I work hard, the promotions, increments, and a better life would basically just fall into place. But reality taught me otherwise. More often than not, the effort you put in doesn't necessarily translate into the kind of rewards you expect in return – especially if you are under someone else's employment. That was one of the things that got me thinking about starting a business on my own.

However, starting a business was never easy – I didn't have any form of business experience, nor was I excellent academically, there isn't a huge mountain of funds sitting in my accounts either. The idea didn't take form and eventually slipped to the back of my mind. However, one fateful encounter with an extraordinary product – Redoxy Essence – changed all that. I was utterly won over by the results I witnessed via the demo and wasted no time signing up as a distributor, and thus embarked on my very own journey into the world of direct sales.

Taking up direct sales requires a certain degree of networking and experience – which I neither have. I'm fortunate because in an environment like Return Legacy it doesn't really matter as there is a standardised and easy to learn system. All I needed to do to achieve my goals was to follow what the leaders do closely, pay close attention and place effort into learning and practicing.

ROYAL AMBASSADOR
KOK YEEN MEE

Royal Ambassador

I remember in the last recognition event, I attended it as a Diamond Director. I observed those in Royal ranking wearing military uniforms on stage which made them look absolutely remarkable and stunning. That was the moment I set a goal for myself – I must be clad in military uniform and become the pride of my family on the next recognition. Today, I have finally realized that goal!

Return Legacy is a big family where love is at the centre of it all – I think there is something magical about how it transforms ordinary people into excellent individuals and extraordinary achievers, creating a wholly different life journey.

I'm extremely grateful for the joy and happiness this big family has brought me, for all the management in the company and our Royal Prime Apple Low's selfless guidance, and also for every member of the team – they are my strongest pillars of support, my biggest drive, and my ultimate pride.

FAMILY OF RETURN LEGACY

MY STRONGEST PILLARS OF SUPPORT,
MY BIGGEST DRIVE,
AND MY ULTIMATE PRIDE.

I'm thankful for my leader Jen who've seen my growth and also for meeting my life coach here - Mr. Desmond. I appreciate his meticulous guidance and strictness - even though it was a little intimidating at times, I believe everyone understands his stern and serious character are good-natured and for this I am extremely grateful. It is precisely because of that I was able to overcome various obstacles along the way and checking off challenges one after the other.

He always says "goals are meant to be surpassed with no compromises" - this was something I remembered dearly and deeply. Remembering these words are spurs me on to take on any difficult or challenging tasks that come my way, constantly surpassing goals and limits, never stopping until I complete what I set out to do. I'm grateful for all of these for making me a better person and in the process, unexpectedly earning my very first six-digit income of my life.

GOALS ARE MEANT TO BE SURPASSED WITH NO COMPROMISES

I have gone through an amazing journey since joining Return Legacy, having financial freedom and full control over my time. I have become matured as well especially when it comes to managing various matters, my thoughts have become more focused and positive and my drive becoming stronger and also, learnt how to lead the people around me towards achieving success, creating a valuable life in the process.

I would also like to thank my family for the support and encouragement they have tirelessly given me during this journey – all these give me the courage to push forward and onwards. For my father and mother – thank you, this proud achievement is yours too. And last but not least, I'm thankful for my husband for his unwavering support and understanding – giving me his 100% both in spirit and action. I will continue working hard and achieve even more remarkable results.

To all Legacians, so long as you keep doing what is right then creating a wonderful life is just ahead of you. Remember that goals are meant to be surpassed with no compromises.

意味着实现
而不是倾覆

“我们所有人都有自己想要实现的梦想，我们都知道如何实现这一目标。但大多数时候，我们陷入了日常生活的单调乏味，突然之间，我们失去了对自己所处位置的追踪。这可能发生在我们最好的人身上。我不能说它从来没有发生在我身上，但我足够快，能够抓住自己并重回正轨。”

泰国营销总监
PAUL TAN

像你一样，我有梦想，我很感激能够在这一生中实现它们。它永远不容易，但追随它并实现甜蜜的成功是一种与众不同的感觉。因此，让我们进入追随梦想并实现梦想的必要部分。秘密？它不是关于Do-ing而是关于Being。

01

永远乐观

即使你认为自己不在路上

每当我们追逐梦想时，我们都会被抛弃，我们就会气馁，或者被行动计划的所有细节所劝阻。这种感觉很好，但是沉溺其中并不好。诀窍是始终寻找更清新的视角。这就是你如何在悲观情绪中榨取乐观情绪。所以深呼吸，寻找好处，向前迈进。记住，没有错误的道路。通过成为更好的版本，你做对了。

02

成为生命的可能性

在完成之前一切都是不可能的

“没有什么是不可能的，直到它完成”是由已故的纳尔逊曼德拉雄辩地提出来的。如果有什么我们可以向他学习的是，他是实现不可能和拥抱挫折的见证。从入狱27年到成为一个庞大国家的总统，他真正体现了生命的可能性。你也是，每个人都拥有相同的宽容品质。请记住，遇到挫折并不意味着你失败了，这只是意味着你有机会看到如何让你的梦想成真。

03

出席旅程

成功永远不是目的地

你有没有想过当你失败时，你的思绪如何欺骗你在脑海中制作场景？好吧，请记住，追随你的梦想是一段旅程。道路可能很长，蜿蜒，颠簸，有时候你会遇到弯路。但要保持现状并理解成功是一个过程。坚持这个过程，信任它，让它塑造你，引领你实现梦想。

所以，如果你现在感觉自己的梦想陷入困境，或者感到有点沮丧，那么请记住，你会到达那里，但前提是你继续前进。

祝你梦想成真。

水润滋嫩，一片即可

肌 肤是人体最大的器官，主要帮助锁住体内水份以防止脱水。健康的肌肤含水量为10-20%，一旦低于10%便会造成肌肤水份不足而出现脱水现象。由于肌肤每日暴露于紫外线及低湿度环境中，空调室、干燥空气、机舱和温差变化大的环境易于对肌肤的持水能力和功能造成影响。

人体皮肤不具自行生产水份能力，仅能从摄入的水份和涂抹于肌肤的水基护肤品中吸收水份。如果水份不足会影响身体器官的运作，试想象脱水或缺少水份对皮肤造成的伤害。

缺水会削弱皮肤的防御能力，引致：

要维持肌肤健康，首要条件是确保肌肤得到充足的滋养，以及具备对抗干燥、肌肤状况和环境因素对肌肤造成破坏的抵御能力。因此，为肌肤补充水份以维持含水量尤为关键。

提及保湿，大家自然会想到水——补充水份意味着增加含水量。对肌肤保养而言，保湿意味着增加肌肤的水份，从而让肌肤更显健康、光滑和柔嫩。

如您能时刻维持肌肤水份，细纹与皱纹自然无法成形，肌肤的紧致度也会获得提升。除了看起来更年轻，肌肤在得到该有的滋润时亦可维持整体功能。因此除了胶原蛋白，水是最有效的抗衰老成份，可使肌肤焕发健康光泽。

要如何为肌肤进行保湿？由于皮肤是透过饮水吸收水份的最后器官，除了多喝水，使用护肤品提升保湿度成了另一有效途径。而敷面膜，就是最简单快速的滋润肌肤方法。

2° Activator Instant Hydrating Mask保湿面膜蕴含以5种高效保湿因子为配方的高浓度保湿精华，为肌肤提供即时保湿效果，让您的肌肤瞬间绽放健康与活力光采。面膜的质地清爽不粘腻，其锁水、防止水份流失和长效保湿功能亦有助平衡肌肤水份含量。赶走暗沉肌肤的同时优化肌肤天然屏障以抵御污染和其他环境因素的侵害。只要锁住水份及强化肌肤天然屏障，因水份流失造成的皮肤下垂迹象在肌肤紧致度获提升时将得以改善，还原丰润光滑的柔和质感。

想要改善肤质？只需一片面膜即可。每日使用效果更佳。

1

南美豆树皮萃取物

- 此保湿剂有助维持肌肤水份和减少表皮层的水份流失率，以强化肌肤屏障，为肌肤提供更佳保护。
- 通过增加甘油的渗透性，为肌肤提供即时和长时间保湿，从而增强锁水能力，改善肌肤弹性，促进表皮屏障修复。
- * 甘油可增强肌肤弹性，对保湿肌肤起着重要作用，同时也是促进表皮屏障修复的关键成份。

2

甜采碱

一种相容性溶质，可以透过强化皮肤屏障，减少水份流失，提升皮肤的锁水能力。其主要功效：

- 锁住肌肤水份，并维持肌肤滋润度。
- 提供持久的保湿效果，让肌肤达到水油平衡状态。

3

糖类综合体

随时随地、拥有好肤质：

旅行期间使用，因为肌肤易因干燥的机舱空气或气候比如冬天或夏天而出现脱水状况。

在洁面后，涂抹润肤霜前先敷一片面膜，为疲惫的肌肤充电并赋予呵护。

睡前敷脸，做好基础护理，每天清晨肌肤丰润饱满，精神奕奕。

赴约前，为肌肤做好准备工作。

您的瘦身方式 过时了吗？

这 是一个全民求瘦的年代。
从骨感大行其道的时尚
界到明星以瘦为美的娱乐圈，乃
至社会大众的审美标准都在追求
越瘦越好，因此兴起各种减肥瘦
身方法。减肥瘦身成为了永不过
时的话题，但您的瘦身方法有否
跟上时代还是早已落伍了？

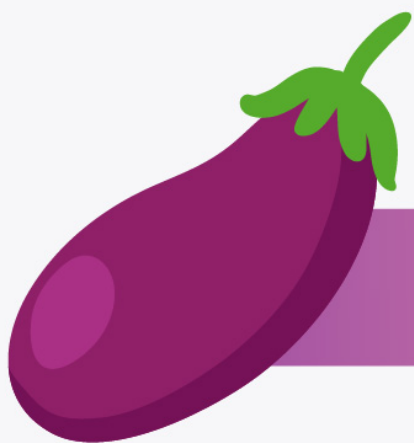

近年，越来越多商家为顺应瘦身热潮，不断地开设纤体中心及推出瘦身产品，但所提倡的瘦身主要是为了形象的美观。后来随着人们健康保健意识的提高，有些专家开始提倡一些饮食方案，透过降低热量的摄取而达到瘦身效果，颇为大众熟悉的是低碳水化合物饮食和生酮饮食，还有间歇性节食，但是仅仅克制饮食，没有搭配适量的运动，复胖的几率是非常高的。有些人因为操之过急，想要在短时间内减脂成功而选择比较偏激的方法譬如摄取减肥药及进行胃旁路手术。

我们需理智和客观看待自己为何要瘦身，管理体重，而不是盲目地为了要达到社会的“以瘦为美”的审美标准。至于超重和肥胖的人士，即便承受着社会投以的异样目光、批判与歧视，也切忌盲目减肥，走捷径以至损害健康，该追求“健康美”而非“苗条美”。

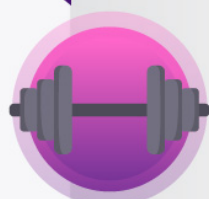

瘦身减肥，无论在任何时候都应以健康为前提。随着全球肥胖问题日益严重，健康专家与医生开始关注肥胖对健康所造成的影响。当一个人肥胖或者超重时会引发许多健康问题和疾病，最常见的是心血管疾病、2型糖尿病、肌肉骨骼疾病甚至还会增加患癌的风险。现今，科学家与医生们提倡的是“科学减肥”，即透过健康的体重管理，达到长期的瘦身效果。节食减肥，依赖药物瘦身或瘦身仪器都属于过去式的减肥方法。

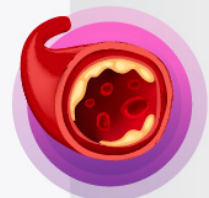

传统的减肥方法与现代盛行的体重管理概念有什么不同之处呢？

科学体重管理方法

加速 新陈代谢率

想要健康地管理体重，身体的新陈代谢率是关键之一。启发于地中海饮食概念，全新升级的 Mediterranean Gold PLUS 采用了传承国际专属的突破性先进配方——LePheno™，搭配 22 种蔬果萃取物、红葡萄萃取物、橄榄萃取物、酵母铬和 L-阿拉伯糖，有助改善新陈代谢，进而强化体能与活力。此配方蕴含高效多酚能延缓老化，还有助于降低身体对热量的吸收，分解体内累积的脂肪后将之转化为能量，帮助缩小腰围和臀围。只要每日摄取，Mediterranean Gold PLUS 还能帮助减少橘皮组织及紧致肌肤。

加添 营养摄取量

在健康的管理体重时，也不可忽略身体对营养的摄取，保持均衡饮食。富含蔬果萃取物的Mediterranean Gold PLUS 有助于补足人体每日所需的营养，并维持良好的血压及调节胆固醇水平。此外，采用高蛋白质及其他营养成分为配方的NUREOX Protein ProMix 能提升身体蛋白质的摄入量，还能促进身体更好的吸收饮食中的营养及给予饱腹感。

加倍

身体代谢与排毒

当新陈代谢率减缓，脂肪和毒素就会囤积在体内，引发肥胖问题。

NUREOX de' Cleanse纤维饮料，以纯天然植物成份为配方，可助身体进行代谢与排毒。此纤维饮料糅合了维持肠道健康所需的营养，能够平衡结肠菌群，促进肠胃健康，同时可以缓解偶尔性便秘问题。其丰富的纤维质含量，有助增加饱足感，进而减少食量，以达成减重功效。除此之外，每日摄取还有益于增强人体对营养的吸收，增强排毒功效，使您拥有更健康的体魄以及更透亮与光滑的肌肤。

减低 热量摄取

过多的热量摄取将导致脂肪的形成，造成肥胖。高蛋白质，低热量的代餐，有助控制热量的摄取，达到瘦身效果。

NUREOX Protein ProMix结合了豌豆蛋白、大豆蛋白、大豆分离蛋白和其他营养成分为配方，是健康代餐的完美选择。其高蛋白质配方不但能有效降低饥饿感及控制食欲，促进肌肉的增长，同时还能为人体提供所需氨基酸，使身体更好地吸收食物中的营养、增强免疫系统及提高能量水平。

今日起，摒弃传统的瘦身减肥概念，抛开以瘦为美的审美观，树立科学且健康的体重管理概念即合理膳食、营养均衡搭配适度运动。

“我从来都没有什么伟大的梦想，反而觉得平凡就是福。说走就走的旅行，又或者是想买就买的衣服、鞋子，这些都离我这种打工族特别遥远。我每天就是工作、回家，生活两点一线，十几年如一日。”

我以为只要我努力工作，就一定可以升职加薪，改善生活。但是很多时候，不是我们付出了多少努力，就能收获多少回报，尤其是当你只是在替别人打工的时候。于是我有了创业的念头。

可是我没有任何创业的经验、没有傲人的学历、没有什么出色的专长，更没有庞大的创业基金，所以这个想法也就不了了之了。在一次机缘巧合下，我接触了一个很神奇产品，那就是Redoxy。我被它的demo效果一举征服，于是义无反顾地就加盟成为代理，就这样开始了我传直销行业的人生。

在传直销这个领域是需要一定的人脉和经验的，但是这些我都没有。很幸运的是，在传承国际这个环境里，这些都不足以成为阻力，因为这里有一套标准的系统，而且简单易学。我只要跟随领导的脚步，用心学、用心做好每一件简单的事就可以了。

我记得在上一届的表扬大会，我是被表扬为DIAMOND DIRECTOR。我看到ROYAL们穿着军服站在舞台上，显得特别帅气特别有魅力。当下我就给自己定下了一个目标，下一届的表扬大会，我也一定要穿上军服，成为家人的骄傲。如今，我真的做到了！

传承国际是一个以爱为本的大家庭，我个人认为它还有一种神奇的魔力，可以把所有有心的平凡人，都变得不平凡，甚至是非凡，造就不一样的人生。

传承国际的大家庭

是我最可靠的后盾，是我最大的动力，
也是我最大的骄傲

感恩这个大家庭带给我满满的幸福感，
感恩公司所有大家长以及我们的
ROYAL PRIME - APPLE LOW对我
无私的教导，感恩团队里的每一个家人，
他们都是我最可靠的后盾、是我
最大的动力，也是我最大的骄傲。

感恩我的领导上司JEN一直陪着我成长，
同时也要感恩我在这里遇到了我
的人生导师，也就是我的师父 -
MR DESMOND。我很感激他对我的
悉心教导和严格的鞭策，虽然过程中
有一点害怕，我相信大家都很清楚他
有多么严格和认真，可是我还是很感
激很感恩。因为他的严格和认真，我
才能够克服重重难关，完成一个又一
个的挑战。

目标只能超越， 不能妥协

他说过，“目标只能超越，不能妥协”，这句话我一直铭记在心里。只要想到这句话，就算我面对很难很挑战的任务，我也能够咬紧牙关继续前进，不断超越目标，不断超越自我的极限，直到目标完成为止。感恩这一切，让我成为了更好的自己，也让我赚到我人生中预想不到的第一笔6位数的收入。

在加入传承国际以后的这段日子里，我经历了一段不可思议的旅程，得到了财务自由和时间自主的人生，同时也让我成长了好多好多，在处事方面变得成熟，思想变得积极，行动力变得更强，也学会了如何引导身边的人走向成功，从而创造有价值的人生。

同时也要感谢我的家人这一路以来给予我的支持和鼓励。他们的支持和鼓励让我有更大的勇气向前迈进。谢谢爸爸妈妈，我今天的这一份荣耀是属于他们的。还有，就是我的老公，谢谢他一直以来的支持和体谅，无论是精神上还是行动上都给予我百分百的支持。我一定会更加努力，再创更高峰。

各位亲爱的家人，只要一直坚持做对的事情，每个人都能创造属于自己的精彩人生。目标只能超越，绝不能妥协。
