“ There are many techniques that can be employed when it comes to running a corporation in the world of business. However, there is one that stands out on a personal level due to its inherently meaningful yet challenging qualities – the direct marketing sales model. Direct marketing emphasises the connections we have with others, and this relationship is not only limited to the perfunctory social meaning, but rather it is about forming significant, strong bonds with each other. This process is one that will also allow you to experience great growth in a short amount of time. We have also observed how the direct marketing approach has also undergone a great revival in recent years due to the rise of the Internet and social media. ”

ALBERT LING

CTDO OF RETURN LEGACY

Malaysia has always occupied a vital position in the global direct sales industry, as it is not difficult for the everyday Malaysian to get in touch and purchase from direct marketing businesses. However, since 2014, the direct marketing field in Malaysia experienced a dry spell, where many such businesses unfortunately closed down. The Golden Era of direct sales had whittled away to nothing. Yet, amongst the ashes, one company still stood proud and firm in its direct marketing sales model and people-oriented beliefs, determined to restore the grandeur and reputation associated with the field. This company is none other than Malaysia's Return Legacy, an organization that has sparked viral interest for its products and passionate efforts towards direct marketing techniques.

The rise of Return Legacy can be attributed to their innovative approach to the traditional mapping of the direct sales model. While competitor companies with similar models were still brainstorming over how to break into their own personal networks, Return Legacy began to sow its seeds via the power of online marketing. While others were attempting to cultivate elite policies, Return Legacy saw to reach out to the everyday person, the key driving force of society. While competitors were struggling to form a high-profile corporate branding, Return Legacy garnered feedback from its members and the general public, allowing them to participate in influential changes that permeated throughout all levels of the organization.

Innovations and risk-taking were rewarded by spurring what many in the industry have dubbed a miraculous wave of change in Malaysia's direct marketing field. It laid a new foundation of direct marketing via e-commerce and formed a new sales model that adapted to the changes that the new media era imposed, all during a ruthless dry spell when other similar companies did not survive. Return Legacy's efforts were truly nothing short of a miracle. Their non-mainstream approach entered the market, and soon eroded the traditional direct marketing model, even becoming the standard and benchmark to beat within the industry - a phenomenon that is surely indicative of ever-evolving aspirations of the direct marketing business.

2019 is speculated to be a period of immense change in the global economy, but with this comes harbouring unprecedented business opportunities. The change in how we interact in the world has also influenced how we operate businesses as well - from online marketing to mobile marketing, to a shift in focus to Big Data, Artificial Intelligence and the Industry 4.0 model, these are a testament to how the commercial game is constantly transforming and being rewritten.

Certain traditional industries will soon be nothing but history, and emerging fields and technologies will later be accepted as a mainstream manner of executing operations. Yet, it is vital to remember that despite how the times change, there is one thing that remains a constant - that is, the connections we have as people. The interactions and relationships we have with others can never be replaced with machinery and e-commerce. As the world delves into greater innovations, the need for the human experience is further highlighted. In this era, direct marketing has become an experience that cannot be replicated by a machine, and unlike its traditional direct sales predecessor, direct marketing today emphasises the warmth and vibes we have with others.

This, to us, is not a challenge, rather a time for us to ascend above all. Return Legacy firmly believes that in this generation, what the people want are not luxurious high-profile brands; but instead a shared experience and spirit that they can relate with. What we know is that what consumers need are the understanding and warmth that comes from another fellow human being, and not the icy exterior (and interiors!) of a machine operated system. Return Legacy is also a platform for socializing, leadership training and networking, and we regard our members with the utmost respect, and view them as our friends, family, colleagues, and mentors. With Return Legacy, there exists an environment where not only will you experience personal growth, but also financial freedoms as well. All this is in tandem with one of Return Legacy's foremost missions, which is to create a people-oriented community where everyone is welcome.

In the face of an ever-evolving era of globalisation, the only constant is change. Return Legacy is sure to follow and maintain the pace of the times, while creating a brand identity that relates to the hearts and minds of our consumers and to the public. We firmly believe that Return Legacy will continue to lead our family and to create a community where the people comes first, while forging ahead to establish a new direct marketing empire. Our goal is to transform the direct marketing industry for the better, under the leadership and skill of Return Legacy.

Return Legacy - not only your home away from home, but also one that is filled with warmth.

ANNIVERSARY

Let's Celebrate
RETURN LEGACY
5TH ANNIVERSARY

Stay tuned for upcoming 5th Anniversary exclusive promotions!

NUTRACEUTICAL GMP FACTORY VISIT

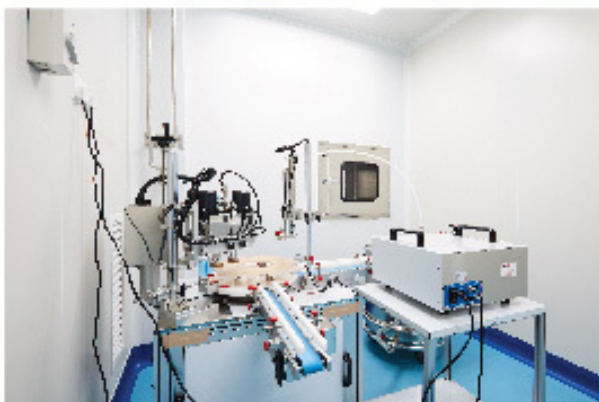

Since 2018, Legacians have received word that Return Legacy has established its very own Nutraceutical GMP Factory that is set to be fully operational by 2019. However, Legacians would no longer need to speculate on the factory's layout or location, as it is opened for Legacians to have a first-hand look and tour of the new premises.

To say that Legacians were excited for the tour would be a complete understatement, as those who participated in the scheduled tours listened attentively to the careful explanations of their 'guide' of the day, the CEO of Brand8, Mr. Alan Saw about the day-to-day operations and functions of the factory. Questions were posed about unfamiliar processes, and the Legacians who attended learned from the masters who're working behind the scenes to ensure the continued success of Return Legacy's products.

Return Legacy aims to promote a greater understanding of the organization's operations to Legacians via these tours, as well as to instill a sense of pride and confidence in being under a company that has its own nutritional production factory.

LUNAR NEW YEAR EVENT

Joyful moments in life are often the ones that pass by too quickly, such as how the Lunar New Year celebrations have now come to a close. In lieu of the festivities, Return Legacy's annual <爱。家> Lunar New Year event also wrapped up on 16 February 2019.

In order to allow all Legacians from all throughout the country to make the best out of their Lunar New Year celebrations, the event featured exciting Lion Dance performance and a prosperous appearance from the God of Wealths blessed all those in attendance for another fulfilling New Year.

The vast variety of food stalls showcasing the best of local cuisines and auspicious themed games throughout the event showered guests in an abundance of fun and luck, while testing their physical coordination. These activities were a hit with both adults and children, with plenty of amazing prizes to be won as well.

The Lunar New Year is often associated with the concept of 'reunion'. Return Legacy hopes to achieve the same with its <爱。家> event, encouraging all its members and partners to come together and to spend time with their loved ones during this festive season.

 RETURNLEGACY

《胜利在握，赢造未来》event held on February 17th have finally come to a close. This is the first time ever that Mr. Albert Ling took on the challenge of delivering different presentation styles and pushed personal boundaries – to convey to Legacians the belief of doing the absolute best. We must believe that we are the star that burns and shines brightest against the night sky and not underestimate our strengths. Even if you've experienced failure, fallen along the way, or looked down upon – never let the past be a barrier that stops you moving forward.

胜利在握，赢造未来

We shouldn't live our lives filled with regrets and what ifs. Starting today, we must roll our sleeves up, work hard and let our life and career to spark! In 2019, you will inevitably be on your way to becoming an energetic, charismatic, and influential individual. Let others see you in a different light, be the pride of your parents and children, become the most important person to the one you love and those who love you.

胜利在握，赢造未来

We will be with you every step of the way to complete the goals of 2019. Remember, the goal is not a task, but an opportunity for progress that makes us better.

SYMPTOMS OF LOW DIGESTIVE ENZYMES

The Essence of Health, No Life Form is Possible Without Enzyme.

Enzymes were first recognised in early 1800s. Found naturally in our body, enzymes have been tailored to serve a wide variety of important functions in the body. They accelerate the chemical reactions for good health. Among the most important types of enzymes in our body, digestive enzymes are pivotal to maintain a healthy digestive system.

Our body does not absorb the food we eat daily; it absorbs the nutrients from within and this is where digestive enzymes take part in the digestion process. These enzymes play a major role in breaking down foods into nutrients and maximising the body's nutrient absorption rate. Without the aid of digestive enzymes, no matter how well or healthy our diet is, our body will never be able to absorb the nutrients efficiently. In the long run, it deteriorates our overall health which causes vulnerability and malnutrition that leads to diseases.

But the lifestyle and choice of food we go with will easily affect the production of digestive enzymes in our body. Here are some of the causes:

Asides from the secretion in our body, digestive enzyme could be replenished through the intake of raw foods. In general, raw foods are rich in enzymes. However, each of them only consists of one to two enzymes needed to break down that particular food. In addition, food after being cooked or processed will cause the loss of its enzymes. To tackle these, one of the best ways is by incorporating drinks or supplements specifically formulated with a variety of digestive enzymes in our daily diets.

A GOOD DIGESTION STARTS WITH

With its synergistic blend of a variety of enzymes, this easy to consume nutritious drink ensures you a proper digestion and nutrient absorption with each meal.

“商业世界存在着许多经营的方式，可是有一种方式，是我认为最有意义也深具挑战的方式，那就是直销模式。直销，是一个人与人的事业，讲究的是人与人的关系。这种关系，不仅仅局限在普通的社交，而是真正的相处，并且深入的带领。在这过程中，会让你经历最迅速的成长，而近年来，这种方式也开始因为互联网的崛起，进入翻天覆地的改变。”

ALBERT LING
传承国际首席培训总监

马来西亚在全球的直销版图上，一直以来都占据着一个重要的位置，普遍在马来西亚的国土，一个人不难接触到直销业务或产品，但打从2014年开始，马来西亚直销行业开始进入寒冬期，许多直销行业开始进入夕阳阶段而纷纷关闭。曾几何时辉煌的直销时代已随着整个时代的改变开始有了变化，而在这样的时刻，却有这么一家公司，在最寒冬的时期，依然开启了直销业务，秉持着一种以人为本的信念，决定回归直销最初的面貌。这家公司就是马来西亚近年来最具话题性，也屡创奇迹的“传承国际”。

传承国际的崛起，有别于传统直销的模式，当所有人还在思考如何在自身的人脉中突破时，传承国际已经悄悄的把线下的作业转移到线上的推广。当大家还在思考如何培育精英政策时，传承国际把触角延伸至一般的普罗大众；当大家还在营造高高在上的企业品牌时，传承国际的高层们决定走入人群，接触人群，并且让用户直接参与公司的每一个变革。

短短的四年期间，因为勇于尝试新变革，传承国际创下了近年马来西亚的直销奇迹，从直销最寒冷的时期，打下了直销电商的基础，开创新一代的直销模式，迅速成为马来西亚直销业的一个奇迹。这种以非主流的模式进入直销市场，却逐步的侵蚀着主流模式，甚至开始成为同业争相模仿的对象，这绝对是这个行业的一个新指标，新启发。

2019年，是全球经济面临巨大转变的时期，但也是潜藏着前所未有的商机。因为时代的转变，从互联网经济到移动互联网经济，再到物联网、大数据、人工智能、工业4.0模式等，都意味着整个商业的游戏正在改写。

部分的传统行业会走入历史，会有更多新兴行业即将崛起成为主流，可是不管时代再怎么改变，有一样事情，是绝对不会改变，那就是人与人之间那种关系的连接。不管时代如何改变，人与人之间的那份互动，永远是机器和电商都无法取代的。因此，随着世界越来越智能化，反而突显了人性化体验的重要性。直销，在这样的时代反而成为一种机器无法取代的体验。但，这一次的直销，有别于过往的直销模式，因为这一次的直销，更注重人与人之间的那份温度。

这一次，对我们而言不是一份挑战，反而是一种升华。传承国际深知，在这个年代，人们需要的不是一个高高在上的品牌，而是一份可共享的精神。我们深知，在这个时代里，用户需要的，是一个有温度的人，而不是冰冷的操作系统。这是一个社交、训练领导力及与人交心的平台。在传承国际，我们视会员如我们的朋友，家人，战友及学习对象。这是一个可以让您成长的环境，这是一个可以让您创造财富的地方。这也符合了我们一开始创办传承国际的宗旨，一个真正以人为本的交流社群。

面对这瞬息万变的时代，唯一的不变，就是改变。传承国际势必紧跟着时代的步伐，创造一个感动人心的品牌，我们坚信，传承国际会继续带领我们的家人，开创更具人性化的社群文化，打造新一代的直销王国，让直销这个行业，因为传承国际，而变得不一样。

传承国际，不仅是我们的第二个家，更是一个有温度的家。

5周年庆

喜迎5周年庆!

万勿错过传承国际
即将推出的5周年庆促销!

NUTRACEUTICAL GMP 工厂参观

自2018年起，传承人已听闻传承国际新建的营养保健食品工厂（Nutraceutical GMP Factory）即将于2019年全面投入运作。如今，家人们已无需再凭空想象工厂的模样，而是能亲身到工厂好好参观一番。

前往探访的路上，家人们就像外出游玩的孩子般，心情异常兴奋雀跃。到了工厂，大家不仅认真聆听当日“导游”——Brand8总裁Mr. Alan Saw的细心讲解，遇到不明白的地方更虚心询问，向这群在背后默默努力的师傅们学习。

希望藉由此次的工厂探访能让家人们更了解公司的运作，对公司更有信心，同时为自己身为传承人而感到骄傲。

新春团拜

欢乐的时光总是过得特别快，一转眼农历新年已结束，传承国际年度盛会——《爱·家》新春团拜活动也在2月16日完美拉下帷幕。

为让家人们抓住春节的尾巴，好好地欢庆一番，当天除了有舞狮助兴，还有福、禄、寿现身派金币送祝福！

活动现场的多个本地美食摊位不仅让家人们食指大动，取了喜庆又吉利名字的趣味游戏摊子，如五谷丰登、蒸蒸日上、突然发财和事事顺心，让大家更是玩得尽兴，各种有趣又考验自身对身体掌控度的小游戏让家人们乐得合不拢嘴，还带回了许多奖品！

华人新年，意义尽在团圆二字。传承国际的《爱·家》新春团拜活动也一样，就是为了让家人们齐聚一堂，共度佳节。

胜利在握，赢造未来

胜利在握 赢在未来

 RETURNLEGACY

于2月17日举办的《胜利在握，赢造未来》演讲已完美谢幕。这是Albert老师首度在课堂中挑战不同的演说风格，挑战自我极限，藉此向家人们传达为自己倾尽全力奋斗的信念。我们要相信自己就是夜空中最闪亮的那颗星，不要小看自己的力量。哪怕你曾经失败、跌倒或被别人看不起，也千万别让不堪的过去阻碍自己前进。

胜利在握，赢造未来

我们不该让自己的生命存有遗憾。从今日起，我们一定要努力奋斗，让生活走上坡路。事业开始崛起！2019年，你一定会成为一个更具力量、魅力和影响力的人，让别人对你另眼相看，让你的父母和孩子以你为荣。让自己成为你爱和爱你的人心中最重要的人。

胜利在握，赢造未来

我们一定会陪伴大家完成
2019的目标。记得，目标不
是一项任务，而是一个让我们
成为更好的自己的进步机会。

NUREOX Enzyme

BOTANICAL BEVERAGE MIX OF FRUITS AND VEGETABLES

加倍消化，加倍健康

净重:
15包 x 10gm

缺少消化酶素的症状

“缺少了酵素，人类便无“生命”可言，更遑论健康的身体。”

酵素在19世纪早期首次被发现。于人体内自然分泌生产，酵素对维持身体各种机能的正常运作扮演着重要的角色。它们可加速化学反应以保持健康的体魄。在我们体内重要的酵素类型中，消化酵素是维持健康消化系统的键。

我们的身体不会直接吸收每日所摄入的食物，而是吸收其中的营养素；在这过程中消化酵素的辅助不可或缺。消化酵素主要作用是将食物分解成营养素及提高身体的营养吸收率。如缺乏这些酵素的帮助，无论我们的饮食多么健康，也无法有效地吸收养份。长期之下，会恶化整体健康，引致营养不良和疾病的发生。

经销商价格：
RM88 (西马) • RM95 (东马)
10 WP
零售价：
RM110 (西马) • RM118 (东马)
净重：10gm x 15包

然而，我们的生活方式和饮食习惯也会影响体内消化酶的产生。其中原因包括：

除了体内的分泌，消化酶可通过生食蔬果的摄取补充。普遍上，生的蔬菜水果均富含酵素。但是，不同种类的食物只含有一至两种可分解该食物的酵素。此外，食物经过烹饪或加工，其酵素会于过程中流失。要解决这些问题，最好的方法之一就是在日常饮食中加入以多种消化酶打造的饮料或保健品。

良好的消化
系统从

开始！

蕴含多种酵素，成份相互配合，将功效发挥至最大以确保每餐所摄取的食物能够充分被消化，更好地吸收食物中的营养。

1

融合多种天然酵素

加速分解日常所摄取的食物：
