THE CONSOLIDATION AND PERPETUATION OF

LEGACY BELIEF

As Return Legacy celebrates its 5th year, it is time to ponder and think conscientiously how far we have come since inception. To have scaled up such heights and arrive at this juncture in a short span of time is really no mean feat, especially in this era of abundance and internet changing the rules of the game entirely for direct marketing. Though some traditional business models and enterprises have been in extremis and folded by this wave of change, Return Legacy is one of the few that successfully turned the World Wide Web into fuel for growth.

REDEFINING SUCCESS FOR THE NEXT 5 YEARS

THE FUTURE

Since the inception of Return Legacy, one of key objective is to bring direct selling back to its origins, that is moving away from negative image of being a profiteering, racketeering and money-hungry industry with fictitious and despicable absurd ways. Decades ago, the beginnings of direct sales practices were simple and authentic which people loved the products they used and shared it with others throughword-of-mouth. And due to its simplicity yet effective method along with the product efficacy, they were willing to invest their time and effort to support the organization to ensure each and every customer and partner is well taken care of. This was essentially what the industry was about and through a tried and trusted method, the pioneers sought to spread this to as many people as possible. Return Legacy has always and remains steadfast in ensuring this essence reverberates across everywhere and everyone it touches and because of this, countless Legacians have experienced positive transformation in their lives.

The first 5-year blueprint that Return Legacy initially set out have been completely implemented successfully. bringing us to this crucial milestone in the organization's growth journey. At this decisive point, Return Legacy will embark on a new era. For the forthcoming blueprint, I have contemplated deeply on how Return Legacy would become in the future, the contemplation of striking the balance in between the organisation interest and society benefits. Beyond the interests of the organization as a profitable business, I profoundly want our organisation to also benefit society and become an organization Legacians proudly associate themselves with. For one to have pride in representing the organization, the latter must carry value and contribute to the society it belongs to. Hence for our next 5-year blueprint, I have developed a completely new vision for Return Legacy - a socially-esteemed enterprise that is respected and beneficial to society.

TRANSFORMATION JOURNEY

TO A SOCIAL ENTERPRISE

On the customer front, we will be upgrading our full range of products on top of existing products. We are also gearing up to enter the FMCG space, creating Return Legacy products that not only meet market needs but also adding diversification to provide more product options for customers.

To further enhance our products, we are also constantly upgrading our internal operations. In addition to fully implementing ISO quality management, we have invested more than 12-million in terms of manufacturing equipment and facilities. On top of that, we have successfully upgraded our manufacturing plants to Nutraceutical grade to produce daily health care products such as vitamins and dietary supplements (VDS).

Moreover, to improve the overall quality of our employees, Return Legacy has also invested in learning resources which includes opportunities for further education to employees who wish to continue their learning and knowledge development. It is our core belief that cultivating talents will ensure Return Legacy in sustainable competitive advantage. Hence, Return Legacy gives it their all when it comes to professional development.

Return Legacy is an organisation which ensure 100% compliance to government regulations in Malaysia and other markets. Thus, in our development roadmap whether upstream or downstream, Return Legacy places rigorous and meticulous controls to ensure that the growing of the company is in tandem with the economic development of local markets and is continuously supports government initiatives.

RETURN LEGACY

ENTREPRENEUR ACADEMY

In the education and training of our Legacians, the establishment of RLEA with people at the core as its principle. All pertinent training programmes of RLEA are people-centricity structure and this is why we have and will keep investing substantially in resources to enrich further our education and training materials to benefit all our Legacians, ensuring one can achieve both a successful career and a wholesome family.

On social welfare front, we continue to contribute towards education by sponsoring millions through scholarships and funds to help tertiary students in need of financial aid. Each and every applicant is interviewed by us personally to ensure the scholarship goes to individuals who truly in need. The reason we insist on supporting a scholarship programme is not for investment nor any monetary benefit to the organization.

We deeply believe that the long-term benefits of this initiative will be experienced by the recipient and with it, we are creating future value for the society we live in. Hence, Return Legacy's existence in society is to ensure every individual is given equal opportunity to live a life filled with dignity, meaning, and respect. This is the ultimate purpose of our continuous development and growth. This purpose will henceforth be Return Legacy's mission.

MISSION:

TO ENRICH PEOPLE'S LIVES WITH VALUE AND ENHANCE THE QUALITY OF LIFE

In the next 5-years, Return Legacy will be comprehensively upgrading all aspects of the organization for our new mission and vision. From strategic positioning to product planning, marketing strategies and talent cultivation to customer service and performance management, in which to leave no stone unturned and no aspects will be left undeveloped. At the same time, we will strive to uphold our core values of commitment, responsibility, and dedication, and this ensures that not only would Return Legacy be an enterprise with strong core competencies, it will also transform into an organization that contributes back to society, creating value for people, and finally evolve into a socially-esteemed enterprise. With these values, we hope to instil optimism and positivity into the society we live in and all Legacians as custodians of such values, ensuring more people will benefit and grow.

In the next 5-years, Return Legacy will no longer be a personal enterprise. It will be a belief that both you and I have in common, a belief that everyone can create, share, and succeed together.

To enrich people's lives with value and enhance the quality of life

A respected and socially-esteemed enterprise that benefits society

Commitment, responsibility, and dedication

ANNIVERSARY

传 信 仰

66 好不容易,传统国际终于来 到了第五个年头,能发展至五年并 在市场上创造出今天的规模,真的 是一件艰难并且不容易的事情。尤 其在过去五年, 当整个直销市场的 游戏规则因为互联网趋势而彻底改 变的情况下, 很多传统企业已经逐 渐因为互联网而被淘汰, 但是传承 国际却是少数可以抓住互联网趋势 而崛起的企业。

型 守 共

赢

嬴在下一个五年, 重新定义

回顾传承国际初期的成立,其目的 是为了让直销这个行业可以回归最初的面貌,而不是为了利益不惜一切手段,利欲熏心的变相直销。最为自销是人们因为受惠于优质的产品的意进行口碑相传,而因为有力去的自动,用一种永续的精神去经营的一个的原意及伙伴,把直销真正美好的一面,带给身边更多的人,这是一个的人,有人因为传承国际在奋斗也很坚持的一位的生命得到改变并深深受惠。

而传承国际过去所设下的五年蓝图, 也已经全面落实,公司完成了在成长 历史上一个很重要的里程碑。紧接而 来的,是传承国际即将进入的一个全 新蓝图。为了接下来的这个蓝图,我 一直在思考, 究竟传承国际到最后会 是一个什么样的面貌。因此,在制定 这个愿景的同时, 其实更多考量的, 不是企业本身的利益而已,而是可否 成为一家让社会蒙福, 传承人感到骄 傲的企业。而一家会让传承人感到骄 傲的企业, 势必是一家对社会大众有 价值,有贡献的企业。因此,为了即 将来临的五年蓝图, 我为传承国际制 定了一个全新的愿景,那就是成为一 家让社会蒙福,被社会尊重的社会型 企业。

社 会 型 企 业 的 转型之路

在客户层面,我们将产品全面升级,除了 现有的产品线之外,我们也开始进入快消 品的生产,而接下里传承国际的产品会更 贴近市场需求,将产品多元化,让消费者 可以有更多不同的选择。

为了可以提供更优质的产品,我们也在内部运营系统不断升级赶紧,除了全面落实ISO质量管理之外,以及投入了超过1200万的生产设备,为了符合规格,我们甚至将制造厂升级成为营养品等级(Nutraceutical)的生产规格,为了让传承国际可以进入日消保健品如维生素及矿物质辅助品的生产。

为了可以提升内部职员的素质,传承国际 也不惜投资更多的学习资源,甚至提供学 业再深造的机会给予任何一个想要在知识 学习上继续提升的员工。这是因为我们深 信,人才的培育,才是最终让传承国际保 持并提升竞争力的核心关键,因此任何在 人才栽培的事项,传承国际从来都是不遗 余力。

传承国际不论在马来西亚本国或在国外设立,都 100%遵守并符合政府的所有条规。 因此在整个发展的价值链上,上游至下游,传承国际都严谨把关,确保传承国际的崛起,是可以帮助提升当地市场的经济活跃并成为支持政府的企业单位。

传承商学院

在直销伙伴的教育培训上,设立传承商 学院并坚持以人为本的教育。教育的出 发点一定要先以受教育者本身为出发点。 这也是为何我们在教育培训上投资了大 量的资源,丰富化我们本身的教材和课 题,好让每一位家人都会因为我们的传 承商学院而真正受惠,让事业与家庭都 可以共赢圆满。

社会公益方面,继续为教育付出,赞助数百万成立助学金计划协助贫困大学生。而每位申请者,都由我们亲自面试,为了就是可以将这份助学金,传递给真正需要被帮助的人。会一直坚持支持助学金计划,并不是当作一份投资的思维在进行,也不是因为对企业有任何金钱上的利益,仅仅只是我们认为,这样的决策,对受教育者本身,会是一份长远的效应,而我们的行动,也在为社会创造更多的价值。

因此,传承国际的存在,对整个社会而言,让每个生命都可以活出尊严,得到 应有的生命价值和社会尊重,这也是我 们接下来持续发展的最终目的。我把这 目的,称之为传承国际的使命。

使命

让生命活出价值,活出尊贵的美好人生

下一个五年, 为了我们崭新的使命与愿 景,传承国际将从各方面全面提升。从 战略定位、产品规划、营销模式、人才 培育、客户服务、绩效管理上, 一概全 面提升。而我们也坚守我们的价值观, 那就是承诺、责任及贡献,让传承国际 不仅成为一家有核心竞争力的企业,还 可以为社会贡献资源,为民众创造价 值, 最终成为一家被社会尊重的社会型 企业。秉承着这份价值观,我们渴望为 我们所生活的社会环境注入更多正面的 元素, 也因为传承国际所坚持的信仰, 让更多人真正受益并成长。

下一个五年, 传承国际不再属于个人的 企业, 而是你我共同坚守的一份信仰, 一份可以让所有人共创, 共享并且共赢 的信仰。

让生命活出价值, 活出尊贵的美好人生

成为一家让社会蒙福, 被社会尊重的社会型企业

价值观 承诺、责任、贡献
