LEGACY LIFE

THE COURAGE TO BREAKTHROUGH TO A BRAND NEW YOU

As we step into February 2020, have you set your to meet new challenges and pen a new chapter for the new year?

In a fast-changing business world, no company is invincible and invulnerable especially with new and emerging business technology such as e-commerce and WeChat. Traditional direct selling methods should expand and leverage these channels and keep up with these changes in the market and in consumer behaviours. Business models should integrate and assimilate well with technology and continuously kept up-to-date with the latest trends.

The entry of new competitors undoubtedly weakens the advantages of traditional enterprises, however the direct selling industry has had an established footing in the market for many years and must have its own unique appeal. The essence of direct selling lies in the trust between people and the advantage lies in high-quality products, superior after-sales service, and equal entrepreneurial opportunities for everyone. As long as you are willing to step out of your comfort zone, break out of your mould and usual thinking, and look at all new challenges with curiosity; transforming from "I will not" to "I am willing to learn", then the distance between you and your goals will continue to draw closer.

Remember that **the key to success lies in a positive attitude**. Direct selling is an industry that allows you to experience breakthroughs in your limitations and create endless possibilities. As long as you are willing to try and improve yourself, the day you achieve your goals will be within reach.

Here is to all of us creating a year filled with momentous achievements and scaling new and greater heights.

CMO OF INDONESIA
JIMMY HWANG

As the Lunar New Year draws near, more and more people around us are having conversations about returning home for the New Year. This time, the production team interviewed a total of 45 volunteers of different ages, regions and backgrounds.

They have different views about the Lunar New Year and carries different meanings for people of different ages, but one important thing for all is to have a “reunion” and spending time with family during this festive period. Some say home is where their parents are and a hometown is where all their childhood memories reside. Hence going home to celebrate the Lunar New Year is a spiritual beckoning. A loving new year is finally meeting your family after a long year of missing each other, finally returning to where home is, and spending the festive season with loved ones.

A huge thank you from Return Legacy to the 45 volunteers who accepted the interview! We wish everyone a happy Chinese New Year and welcoming this fortuitous spring season towards a progressive year!

Be welcoming of
new changes,

But always keep in
mind that it all starts
with love.

- Xenia

Chinese New Year is a day to motive me to gather with my long-distance relatives.

- Chen

For me, Chinese New Year is to meet up my friends and get together with relatives from different cities.

- Jia Wei

What do you look forward to most in Chinese New Year?

The thing that I most look forward is to meet up with my relatives, chit chat, play games and mah-jong, drink and eat.

- Shu Xian

Red packets, card games, unlimited biscuits and soda drink plus group photo are the things I look forward to during Chinese New Year.

- Athena

I look forward to meet up with my friends, family and get red packets.

- Mandy

Looking forward to celebrating with relatives and friends, get the red packets, eating and drinking nonstop, and taking lots of photos.

The purpose of this course is to improve the skills of Legacians in leveraging social media to attract and engage people.

“Have you ever encountered with this problem where you want to get closer to someone but feel like there’s an unsurmountable distance, including your closest family members? However, there are people who are just able to click and know you like the back of their hand and know what you think and understand what you say.” This course is not about how you cater to others but for you to understand your traits, reconnect with yourself, and get to know yourself better. It’s about getting to know yourself and at the same time accepting of others. LAI SIEW LIN

FROM TIMID TO TEAM LEAD

“ I grew up in a below average household without achieving much academically and not much of a background to speak of. I had very low self-esteem growing up hence communicating with others was always a challenge even amongst people I know. There was no way I could ever strike up a conversation with total strangers. To me, it was an insurmountable challenge. ”

When I was experiencing a rough patch about 5 years back, landing a part time job which paid anywhere between RM300-500 was already good enough for me. That is how I joined Return Legacy.

In the early days I was in Return Legacy, I knew nothing about selling products. I had no tools, I didn't know how to conduct a demo. All I did was listen repeatedly to the recordings of my upline Siew Yieng; even really simple things took me a long time to comprehend and that was through memorizing. Even if I did manage to understand it, I never had the courage to share with others.

As I stared at the products, that was when it struck me. These products are not going to sell itself and I'm definitely not going to keep it there, I then forced myself to start sharing. I really wanted to break out of this poverty situation.

When I first started sharing I was constantly breaking into cold sweats as I was really anxious. Sometimes I even got Siew Yan to accompany me to these sessions. She supported me several times by helping me with the conversations, closing some sales along the way, and also found me partners to work with. This is when problems with my group started to appear. I didn't know how to lead a group. Whenever they had a question, they would ask and I would answer accordingly. This made them feel like I was an overly proud person but the actual problem is that I'm entirely clueless when it comes to communicating.

ROYAL AMBASSADOR

LAI SIEW LIN

ROYAL AMBASSADOR

Not long after, Siew Yieng suggested that I attend classes. That again sounded like an impossible plan because not only did I not have the money to attend classes, making the long trip to KL means flight and accommodation expenses are needed to be accounted for. But I'm grateful for her perseverance and dedication, with her advise we finally attended classes together.

The first time I stepped into Return Legacy HQ, I immediately felt the warmth and human touch of the entire management team. It's an organisation that prides itself with care and love on top of having an excellent culture. I fell in love with the atmosphere and environment.

In the classes, one of the first things I learnt was attitude and mentality. Once I took the reins on those changes, my confidence and energy levels surged.

DO YOUR BEST AND CHANGE YOUR DESTINY

I can also see that Return Legacy is extremely stable and is one of those companies that have set their sights well into the future. I started giving it my all in terms of effort and energy to transform myself, my fate is truly and really in my own hands.

The classes also taught me on how to improve on communication skills as well as leading a group. This was the springboard as I slowly built up the group, improving relationships, turning strangers into friends and eventually as extended family members.

I'm extremely grateful towards Return Legacy's trainings and courses central figure and principal of RLEA, Mr. Alvin Hong. He taught me a lot; from someone who didn't know much of anything to slowly transforming into a leader in the group.

He constantly provided assistance for me and my group. Through him I learned about selflessness, patience, love, attentiveness, and care. Whenever I encountered dreadful lows and massive challenges, he always provided huge encouragement and support. How I really got this far to this day, he truly is an instrumental person as without him there would be none of me of what you see today.

Alvin used to say to me that when you arrive at a different state of mind, you will begin to realize different things. Your focus will not be just about making money, but you would find fulfilment and value through other means. At that point in time, all I could see in my head and worry about was finding ways to make money. Put it simply, I had no idea what he was on about.

FINALLY UNDERSTOOD WHAT ALVIN MEANT BY DIFFERENT REALIZATION AND VALUE

Being on this journey of growth with Return Legacy, I've learned invaluable knowledge, information, and accumulated a lot of experience. I started leading my group and in the process, I successfully transformed partners within the group to grow in confidence, boosted confidence levels of many team partners and changed their lives. Seeing them on stage sharing their stories and receiving their recognition, I was filled with pride and joy. I finally understood what Alvin meant by different realization and value, these are things that money can't buy.

The road ahead remains long but with this belief I will continue edging forward, leading more partners towards achieving success together.

I'm really thankful to the founder, Dr Lee for creating such an amazing platform in Return Legacy, empowering ordinary individuals like me to achieve what I have today. Thank you to every single partner in the group and customers who've gave me what I have today. Thank you for being part of my life.

Listen Up Women, This is What You Need To Know About Polycystic Ovary Syndrome

To say that estrogen hormones are a huge part of women and their lives is an understatement. It does not only affects their internal health, but also their femininity and physical appearance, including the skin, figure, hair and nails. Estrogen also affects the part of the brain that regulates mood and emotion. If you find yourself experiencing mood swings more frequently, with signs such as irritation, depression, anxiety, fatigue, and absent-mindedness, this might signal an estrogen imbalance in your body.

Polycystic Ovary Syndrome (PCOS)-is a hormonal disorder that affects approximately 10 million women worldwide. The exact cause of polycystic ovary syndrome is unknown, studies have suggested that it is related to abnormal hormone levels, genetics and environmental factors.

Post Holiday Skin Care Tips

During the Chinese New Year festivities, it's a fairly common sigh for most to celebrate and enjoy themselves to their heart's content. But once the festivities come to a close, do you notice various skin problems such as acne and dark circles start to surface?

Don't be alarmed, as long as you master the tips-and-tricks of skin care, you will be well on your way to restoring your skin to its optimal best.

1 Get plenty of hydration

Those long nights staying up tends to leave your skin dehydrated and dry. Hence give it plenty of moisture to brighten the skin and reduce skin dryness and dullness.

3 Supplemental antioxidants

Whether it is an antioxidant product for external application or ingested, it can help the skin to remove free radicals, repair cells, diminish fine lines, and firm up skin.

5 Take more Vitamin C

Vitamin C contains whitening effects, while also helping the body to quickly detoxify, improve darkening yellow skin tone, and allows skin to appear bright and healthy once more.

2 Intensive moisturizing

When you stay up late or don't get enough sleep, your metabolism slows down, causing old dead skin cells to deposit in the epidermis. Boosting moisturizing can support exfoliation, help the skin detoxify, and enhance skin moisture.

4 Gentle exfoliation

Large pores tend to appear after a long night staying up, using mild exfoliating products can deeply remove dirt in the pores, allowing the regain fineness and smoothness.

To maintain long lasting beauty, having adequate sleep and leading a disciplined lifestyle are essential skin care practices.

DIET MYTHS

Myth 1 - Apple diet

"An apple a day keep doctor away!" Apple is one of the healthy fruits as it is low in calorie and high in vitamin C and fibre. People who eat apple as their daily meal in order to lose weight is known as apple diet. Taking low calories will indeed help you some pounds, however, **eating only apple is not able to provide sufficient nutrient to your body.**

Myth 2 - Drinking coffee or green tea instead of water will speed up weight loss

Coffee and green tea contain high caffeine and which helps to increase metabolism and therefore burning fat more efficient. However, excessive **caffeine intake causes headaches or dizziness.** It is **recommended consume not more than 4 cups coffee or green tea a day.** So, to be a water baby when you are on diet because water can boost your metabolism and keep your body hydrated all day long!

Myth 3 - Skipping meal is a good way to lose weight

Skipping meal is common in people who desperately want to lose weight. Nevertheless, it makes you starve and weak due to lack of energy. In additional, **skipping meal will cause you crave for food even more and make you overate on next meal.**

Myth 4 - Fats are bad for you

Strictly no oil in my meal during diet. However, not all fats are bad for us especially unsaturated fat - which can be found in olive, nuts, seeds, avocado and fish. Having right amount of **healthy fats is beneficial to our health as it helps to reduce the risk of high blood cholesterol levels and benefits to our health.**

勇于突破

诠释全新的自己

踏入2020年的第二个月份，你调整好心态迎接新挑战，为新一年谱写新篇章了吗？

在这瞬息万变的商业世界，没有哪个企业能永远立于不败之地，尤其当电子商务、微商等新颖销售模式的出现，传统直销经营方式更应该拓展渠道，依随市场消费行为的变化而作出整合，不断更新经营模式以迎合最新趋势。

新竞争者的入局，无疑削弱了传统企业的优势，但直销行业能在市场上屹立不倒多载必有它的魅力所在。直销的精髓在于人与人之间的信任，优势在于高品质的产品、优越的售后服务与创业机会。只要你愿意跳出舒适圈，打破常规思维以好奇心态看待一切新挑战，将“我不会”变成“我愿意学”，那你与目标之间的差距便会不断缩小。

记得，**成功的关键建基于心态的积极**。直销是一个给予你突破自我局限，创造更多可能性的行业。只要你愿意尝试，不断提升自己，总有一天能完成目标。

愿我们能在新的一年再创辉煌。

平凡到卓越的 蜕变人生

“我是贫困家庭出生的孩子，没有学历和背景，从小就缺乏自信，跟别人沟通和陌生人聊天我都觉得是莫大的挑战。”

五年前，由于经济条件的关系，我加入了Return Legacy这个平台。当时只是想兼职，每个月能有额外RM300 -RM500就已经很满足很开心了。

加入后，我对于如何把产品销售出去完全一窍不通，也不会做demo，只好不断重复倾听我上线——秀燕的录音。哪怕是很简单的东西，我也需要花很长的时间才能死记硬背，就算学会了也没有勇气跟别人分享。

可是，当我看到放在家里的那些货，我知道存着始终不是个方法，于是我就逼自己一定要去分享，因为我真的不想再过穷日子了。

一开始，我在店里硬着头皮、冒着冷汗跟顾客做分享，有时候也会要求秀燕陪着我，帮我谈，慢慢地卖了一些产品也找到一些伙伴。这时候，就出现了带组织的问题。我不会带组织，当组织遇到问题的时候，她们问一句，我答一句，她们就觉得我很骄傲，其实我是不懂要怎么去跟别人沟通。

ROYAL AMBASSADOR

不久后，秀燕鼓励我去上课，我以经济困难以及距离太远为由，就拒绝了。很感恩秀燕一直劝我、鼓励我，所以最终我们还是一起去了吉隆坡上课。

第一次到公司总部，我发现这家公司的管理层都非常有亲和力，完全没有架子，是一家很有爱、很有文化的公司，让我一下就喜欢上这样的环境。

在课程中，我第一个的收获是心态与观念。当我转换自身的心态与观念，我就拥有了信心和力量。

全力以赴 改变自己

我也看到**Return Legacy**是一家非常稳定，而且也一定会长久经营的公司，我就开始全力以赴地去改变自己，我一定要改变自己的命运。

课程中，我也学会了怎么沟通和带组织，让我渐渐的和组织建立了良好的关系，从陌生人变成好朋友，甚至像家人般亲密。

很感恩**Return Legacy**课程中的灵魂人物、传承商学院的校长**Mr. Alvin Hong**，他教会了我很多东西，让我从一无所知，慢慢蜕变成团队中的领袖。

他总是在背后默默协助我和我的团队，从他身上我学会了无私、耐心、爱心、用心以及关怀。每当我陷入低潮或遇到艰难的挑战时，他总会给我大大的鼓励和支持，我才能够一步一步走到今天。他是我的贵人，因为没有他就没有今天的我。

校长曾经对我说过一番话，“当你到了另外一个境界的时候，你会有不同的领悟，到时候你不只是赚钱，还会有其他成就感和价值”。当时的我听不懂，我说我只要赚钱。

当她们站在舞台上受表扬的时候 终于明白校长所谓的 领悟和价值了

在**Return Legacy**这个平台，我学会了很多只是很学问，也累积了很多经验，包括带组织。在带组织的过程中，我成功让很多伙伴从不自信变得有自信，而且也改变了她们原有的生活。当她们站在舞台上接受表扬的时候，我心中有无限感动，这个时候我才终于明白校长当时所说的领悟和价值，这些都是金钱无法衡量也无法买到的。

未来要走的路还很长，我要秉持这个信念继续大步向前，我要带领更多伙伴一起迈向成功。

最后，感恩创办人**Dr Lee**创办了**Return Legacy**一个这么好的平台，让我这么平凡的一个人都可以有今天这样的成就，感恩团队里的每一个伙伴以及顾客造就了今天的我，感恩我的生命中有你们。

WAN SIOW YANN

CHOONG SOO YUNN

假日后期 护肤贴士

新春期间赶场赴聚会，通宵狂欢，作息不规律是最为常见的事。假日结束后，你是否发现脸上多了暗疮、黑眼圈加深和各种肌肤问题统统涌现？别着急，只要掌握肌肤急救护理秘籍就能让肌肤恢复焕然神采。

1 大量补水

熬夜容易导致肌肤缺水干燥，所以给予肌肤充满水分，有助提亮肌肤，改善皮肤干燥暗沉。

2 密集保湿

晚睡或睡眠不足时，新陈代谢会变慢造成老废角质沉积在表皮层。加强保湿可以软化角质，帮助肌肤排毒和提升肌肤的润泽度。

3 补充抗氧化剂

无论是外敷或内用抗氧化产品，均可以辅助肌肤清除自由基，修复细胞，淡化细纹及紧致肌肤。

4 温和去角质

熬夜后会使粗大的毛孔立即现形，使用性质温和的去角质产品可以深层清除毛孔中的污垢，让肌肤重拾细致平滑。

5 多摄取维生素C

维生素C具有美白功效，同时还能帮助人体快速排毒改善暗黄的肤色，令肌肤再现白皙明亮。

想要长期保持美肌状态，充足的睡眠及规律的生活作息才是肌肤护理的王道。

瘦身迷思

迷思1：苹果瘦身饮食法

“一天一苹果，医生远离我！”苹果是低热量、高维生素C与高纤维的健康水果之一。采用苹果瘦身饮食法的人一般会以苹果替代正餐达及瘦身目的。摄入低热量食物虽然有助减轻体重，但仅吃苹果并不足以身体提供每日所需的营养。

迷思2：以咖啡或绿茶代替清水可加速减重

咖啡和绿茶含有较高浓度的咖啡因，因而有助于提高新陈代谢率，加速脂肪的燃烧。只不过摄取过量的咖啡因会引发头痛或头晕，因此每日的咖啡或绿茶摄入量不建议超过4杯，瘦身期间更应该多喝水以促进新陈代谢，为身体补充足够的水分！

迷思3：少吃一餐是减肥的好方法

少吃一餐是许多人快速减重的方法。然而这做法不仅让你挨饿，缺乏能量还会让你感觉虚弱。再说，不进食反倒会增加你的食欲，让你在下一餐暴饮暴食，摄入过量。

迷思4：脂肪对你有害

节食期间严禁含油食物？其实并不是所有脂肪都对我们的健康有害，像橄榄、坚果、籽类、鳄梨和鱼类所含的不饱和脂肪，适量摄取有助于降低高胆固醇风险，有利于健康。

什么是冷却期呢？

01

依据 1993 年直销及反金字塔计划表法令，顾客拥有 (10) 十个工作天的冷却期以考虑是否购买有关产品或服务。顾客在这段期限内有权决定购买或退还有关产品。在这段期间内，经销商不准递交产品或向顾客收取任何订金或款项。

02

任何高达 RM300 或以上的产品交易须以销售合约 (Sales Contract) 的方式进行，同时必须拥有购买者及售卖者双方面的签署方可。此外，於购买者署名之上须以不小過 18 分 (POINT) 大的字眼印出“此合约乃受十天工作日冷却期保证约束”。签署之後，合约之副本须交由购买者保管并清楚让他了解他有权于冷却期结束之前运用1993 年直销及反金字塔计划法令所规定的终止合约通知书以取消其销售合约。此外，在冷却期期间经销商不能送货给购买者及向购买者征收贷款。
