# TRANSFORM YOUR MINDSET BE BOLD AND HAVE FAITH

**Stepping into the 21st century e-commerce era, the business model of conventional direct sales must keep up with the pace of digitization to remain competitive with new SMEs, micro-businesses and online shopping platforms.**

While progressing with times, we remain steadfast to our core beginnings here at Return Legacy, committed to returning the direct selling industry to its origins. Instead of being merely profit-oriented, we pursue sustainable operations and advocate the positive side of direct selling so that more may benefit from it.

The direct selling industry is a business established through human connections, using word of mouth as a communication tool, which means when you have an excellent product experience, you will naturally share the health and beauty benefits with those around you. In addition to earning additional income, it can help others live a better life. This is the charm of direct selling and also what makes it a timeless industry. It is not just a marketing model and business behaviour, but a cause to be shared and a lifestyle.

Upon hearing 'direct sales' the vast majority will tend to avoid it, even if it is a promising platform or has excellent products, people dare not take the first step to try it out. Some people have deeply-entrenched stereotypes of the direct selling industry due to unethical scheming and scams. Others have engaged in direct selling in the past but never achieved success or even ended in failure, hence are afraid of returning to the business again. Regardless if you fall in the former or latter, don't miss an opportunity because of prejudice or past failures.

CMO OF THAILAND  
**PAUL TAN**

YOUR **OUTLOOK**  
WILL DETERMINE YOUR MINDSET ,

YOUR **MINDSET**  
WILL DETERMINE YOUR BEHAVIOUR,

AND **BEHAVIOUR** WILL DETERMINE  
**THE HEIGHTS  
YOU REACH IN LIFE**

Whether you are seeking a new breakthrough in the direct selling industry, or are planning to join the industry, you must first reset your mindset and establish the right outlook. The direct selling industry is based on trust and communication between people, rather than being profit-oriented. Don't focus on short-term benefits. First of all, have a positive attitude. Focus on sharing health and beauty to people around you, change and improve their lives, and empower people to voluntarily spread positive word of mouth because they have benefitted from quality products or even improved their lives. In the years that have gone by, Return Legacy has stood strong in the face of fierce competition.

Not only do we have excellent management team and products, more importantly we focus on helping more people to enrich their lives with value and enhance the quality of life. This is the business concept we strive to practice and also the mission that drives us to go the distance.

If you want to start a direct selling business or achieve results in the direct selling industry, you must first get rid of old thoughts, have faith in your company, believe in the products, and finally trust in your own decisions and choices, give it your absolute all with no reservations and put one solid foot forward every step of the way.

*Bring Love Home with a  
Full Heart this Chinese New Year*

Return Legacy's annual "Love, Home" event held successfully on 15th February. This year's activities included lion dance performances as well as The Sanxing Fu, Lu and Shou icons at the event spreading joy and blessings.

“

Legacians from Return Legacy Indonesia were also invited to attend in this event, and to reunite all Legacians who've work hard for the entire year during the festivities, adding a joyous mood to the overall atmosphere of event.

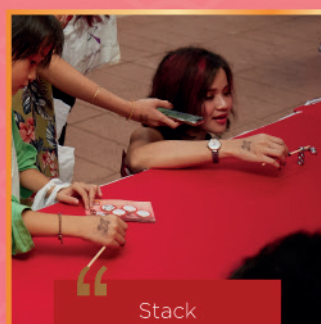

”

On event day, we prepared a variety of local food stalls for families from different regions and countries to enjoy. There are also a variety of interesting mini-games such as **"Round and Round", "Stack Attack", "Putting the Pieces Together" and "Winds of Wealth"** for members to interact with each other in an atmosphere buzzing with excitement and laughter. Everyone received lovely and intricate presents and prizes.

Putting the Pieces Together

Stack Attack

Round and Round

Winds of Wealth

The true meaning of Chinese New Year lies in reunion, bringing love home with a heart that is full. The same goes to the "Love, Home" Chinese New Year event, allowing everyone to be gathered together in celebrating the festivities.

Furthermore, Return Legacy welcomed all Legacian to its 60% completed Experience Centre for the very first time. The Experience Centre focuses on experience creation as its main ethos and integrates smart device systems in accessing new product and company information.

In addition, the Centre also carries the complete range of skin and health care products, allowing Legacians and distributors to sample and experience the products in person. Therefore, Legacians can further explore and understand the various product functions and technology of Return Legacy through the Experience Centre.

## NUTRACEUTICAL FACTORY VISIT

Legacians from Return Legacy Indonesia and East Malaysia have visited our Nutraceutical Factory during their trip to Return Legacy HQ and Kuala Lumpur. The purpose of this factory is to promote a greater understanding of the organisation's operations to Legacians via these tours, as well as to instill a sense of pride and confidence in being under a company that has its own nutritional production factory.

To say that Legacians were excited for the tour would be a complete understatement, as those who participated in the scheduled tours listened attentively to the careful explanations of their 'guide' of the day, the CEO of Brand8, Mr. Alan Saw about the day-to-day operations and functions of the factory. Questions were posed about unfamiliar processes, and the Legacians who attended learned from the masters who're working behind the scenes to ensure the continued success of Return Legacy's products.

ROYAL AMBASSADOR  
KELLY WONG

**My** story starts from humble beginnings. I come from Sibu, a small town located in Sarawak, East Malaysia. I grew up in an ordinary family. After graduating from Form 5, I followed my husband and we settled down in Sabah, looking to spread our wings there.

In Sabah, I worked in cosmetology, and was an employee working for others for quite some time. Soon after, I founded my own beauty salon, and had my first ever encounter with the direct sales business, but that did not last very long. We decided to move back to Sibu after I became pregnant. After moving home, aside from caring for my children, my life was pretty mundane. In a bid to switch up my lifestyle, I decided to establish my own clothing boutique; but reality was a cruel mistress, and the business did not take off despite our expectations. I tried different ways to salvage the business, including becoming a Taobao purchasing agent to help with the store's expenses. Some days I couldn't even bring a salary home, as my profits were funnelled back to my staff and store.

However, I soon met my upline, Siew Lin, as a mutual acquaintance through our business dealings. One day, she came into my store with a bottle of 2° Redoxy Essence along with Siew Yieng, shared the business opportunities with me, and the rest was history. But my previous experience with direct sales was a negative one – it was a never-ending cycle where I had to constantly pump in money to replenish my inventory before I could reap a profit.

## ROYAL AMBASSADOR

In the end, I had way too many products to count and lost a lot of money to it. Hence when Siew Yieng was explaining the facets of the business to me, I listened perfunctorily, but eventually purchased the products and the membership.

To be frank, I'm a fairly lazy and low-maintenance person where it comes to skincare. But after using 2° Redoxy, I realized that my skin condition improved dramatically, even my acne problems and acne scars were improved and faded. After my own positive experience, I quickly spread the word around to my friends and customers about how great 2° Redoxy was. Inadvertently,

# TEAM

## SPIRITS AND CONTRIBUTIONS

I had recruited a group of distributors from my own social circle, and thus decided to take the plunge and become a Return Legacy distributor myself. Within just a month, I was taking home a 5-digit salary.

I am extremely grateful to the thoughtfully -organized courses and seminars provided by Return Legacy. I have cultivated a different mindset and values through these courses, which have had a tremendous influence in all aspects of my life. Even my family members are experiencing these positive changes, and it made me understand the importance of good family figures when it comes to nurturing and raising children.

I am especially thankful to our principal, Mr. Alvin Hong. In the past, work was solely for making money – I had no real motivation, purpose, goals or means of earning money. But thanks to our principal, I have finally found my goals and purpose in life. I am also forever grateful to my upline, Siew Lin, for her endless support and guidance. Finally, I would like to thank Xiao Fen and Siew Yieng for their endless efforts and contributions to the team. They are our East Malaysia units' beacons of pride and excellence!

# LACKED A HIGHER EDUCATION DEGREE **HARD WORK AND PERSEVERANCE**

## WE CAN ACHIEVE ANY DREAMS THAT **WE SET OUR MINDS TO**

I can't believe that it has been five years since I joined Return Legacy. In the past, I thought that achieving the role of Royal Ambassador would be a goal that was too far-fetched. But today, I have achieved that goal and beyond. I would also like to say thank you to the team for their efforts.

Without them, there would not be the person I am today. From a person who lacked a higher education degree, a person who did not know much, to a prestigious Royal Ambassador - it's all thanks to Return Legacy and the opportunities that they have provided. With this platform, regardless of how average you think you are, I believe that with hard work and perseverance, we can achieve any dreams that we set our minds to.

# HEART YOURSELF A LITTLE MORE I'M RIGHT, YOU ARE CERTAINLY WRONG?

Whenever conversations and exchanges take place, there is bound to have some left with red faced. Everyone has their own opinions and refuses to budge or give in. Do you wish to correct this habit but have no idea how or where to start?

How do you communicate with less disputes and friction, in a more peaceful and calm manner? If we are adamant about the right and wrong and are quick to criticize and punish mistakes, you will never understand the deeper thoughts nor see the emotions of the individual. Will they remain honest with you in the future? Can they still draw on any positives from experiencing these things? When primarily entrapped in fears and worries, how could the person has the mental capacity to actively seek solutions to problems? Is it really important to distinguish right from wrong when friction is present between individuals?

**“Heart Yourself Better: I’m right but you’re not wrong”** was held at Return Legacy Headquarters on February 20th, attracting participants from various backgrounds to learn about communication skills and how to minimize friction and disagreements.

# PRODUCT TRAINING

Return Legacy's first ever Bahasa Malaysia product workshop received great response and was followed by a second successive workshop in Sabah on February 29th.

The event welcomed Professor Dr. Azizan from National University of Malaysia along with Return Legacy nutritionists to conduct the workshop, so that locals and Malay compatriots can better understand the advantages of Return Legacy's products and gain deeper insights into Legacy Science.

Professor Dr. Azizan

**Professor Dr. Azizan's speech boosted confidence levels of attendees towards the Return Legacy brand, empowering and optimising the efforts of Legaclans in managing their Return Legacy careers.**

## THE AVENUE TO ENDURING BEAUTY

Your body starts to experience changes when you are about 14 years old, and signs of menopause will start to emerge by age 55. In other words, you would have experienced a total of 504 months of monthly bodily changes and post-menopause between 14 – 55 years old, and you might need to adjust yourself to a variety of physical conditions as well. On top of that, the various stages of pre, during, and post pregnancy also requires your body to adapt itself to ensure the baby grows healthily.

For women, maintaining hormonal balance is pivotal to stay healthy and active during these life stages. Estrogen is the primary female hormone which mainly focuses on the development and regulation of the female reproductive system and various facets in a female's lifecycle. The effects of female hormonal imbalances are far-reaching and is often identified as the cause of various physical, emotional, and cognitive changes experienced by women.

## ESTROGEN LEVEL VS INTERNAL WELLBEING

Starting from internal wellbeing, estrogen level affects one's menstrual health including periods lasting longer, shorter, heavier, or lighter than normal. Changes in estrogen may lead to menopause symptoms such as hot flashes, night sweats, insomnia, and other sleeping disorders.

### A Healthy Estrogen Level:

- Responsible for the development of female secondary sexual characteristic
- Regulate menstrual cycle and maintain healthy growth of inner lining of uterus for pregnancy
- Regulate flow of cervical mucous for protection, keeping the vaginal lubricated

## ESTROGEN LEVEL VS PHYSICAL APPEARANCE

Physical appearances are also affected by estrogen. Inexplicable weight gain around abdominal, hips, and thigh area? Nails and hair get brittle and dry? These symptoms are potentially effects of imbalanced estrogen.

### A BALANCED ESTROGEN LEVEL IS EFFECTIVE IN:

Did we mention that estrogen also affects how you feel when most of it is governed by none other than the brain? Not only does it help maintain body temperature, it also regulates the part of the brain linked to sexual development while enhancing the effects of feel-good chemical produced by the brain. Thus, whenever you feel easily irritated, experiencing mood swings, depression, anxiety, fatigue, find it difficult to concentrate or poor memory – you guessed it right, this hormone we've been discussing about likely has a role in it too.

# 改变观念 敢于相信

踏入21世纪电子商务时代，传统直销的经营模式也要赶上电子化的步伐，才能与新型的中小型企业、微商网购平台等竞争。

与时俱进的同时，我们在传承国际仍坚守初心，致力把直销行业回归其最初的面貌，不以利益为导向，而是追求永续经营，将直销美好的一面分享给更多的人。

直销行业是通过人与人之间的桥梁所建立起来的事业，以大众的口碑为传播工具，也就是说当你取得好的产品体验，你自然会把这份健康和美丽分享给身边的人，从中赚取额外收入之余还能帮助他人活出更美好得的人生。

这也是直销能在时代潮流中无可被替代的魅力所在，它不仅仅只是一种营销模式和商业行为，更是一个分享的事业，一种生活形态。

绝大多数人一旦听闻“直销”便避而远之，即便是一个极具潜力的创业平台或拥有优秀的产品，人们都不敢踏出尝试的第一步。有些人因听闻伪直销和诈骗案的新闻，便对直销行业埋下负面的刻板印象；另一种人则曾经从事过直销行业，但一直没有取得成功甚至以失败告终，所以从此不敢再经营相同的事业。无论你是属于前者或后者，不要因为一时偏见或过去的失败经历而错失眼前机会。

泰国营销总监  
**PAUL TAN**

你的  
观念  
将决定  
你的心态，

而行为  
将决定你的

心态决定行为，

# 人生高度

无论你想再次踏入直销行业寻求新的突破，还是正打算加入这行业，都必须先把自己的心态归零，建立正确的观念。直销行业是建立在人与人之间的信任和沟通之上，而非以利益为导向。不要把焦点放在短期利益，首先要拥有正面的心态，专注于把健康与美丽分享给身边的每个人，改变及提升他们的生活，并让人们因为受惠于优质的产品而愿意进行口碑相传，甚至获得美好的人生。

这些年，传承国际在面对众多竞争对手仍然屹立不倒，不光是因为我们是拥有优秀的管理层和产品，更为重要的是我们着重于帮助更多的人提升其生命价值，活出更尊贵的美好人生，这是我们奋力实践的经营观念，也是支撑我们往前走得更远的使命。

若你想要开始经营直销事业或是在直销领域取得成果，你首先必须先改变旧的观念，相信公司，相信产品，最后相信自己的选择，毫无犹豫地投入经营，踏实地走好每一步。

## 用心过年 • 让爱回家

传承国际年度活动《爱。家》已于在2月15日圆满举行。今年的爱家活动除了有舞龙舞狮的助兴表演，还有福、禄、寿莅临现场为大家送上喜气和祝福。

“

此外，传承国际印尼总部的家人们也到此参与《爱。家》活动，让平常忙碌家人们可以在这个欢庆节日团聚，也让活动增添不少色彩。

”

活动当天，我们还准备了各种本地美食摊位让来自不同地区和国家的家人们享有。还有各种有趣的小游戏如“腰缠万贯，好运缠上身”、“穿金叠银”、“拼出新气象”和“风声水起”，让不常见面的家人们多一些互动，场面可说是皆大欢喜，每个家人手上都拿着可爱精致的奖品。

华人新年的意义尽在团圆，用心过年，让爱回家。《爱家》新春活动也一样，就是为了让家人们齐聚欢庆，共度佳节。

风声水起

华人新年的意义尽在团圆，用心过年，让爱回家。  
《爱家》新春活动也一样，就是为了让大家齐聚欢庆，共度佳节。

此外，在《爱。家》当天我们也开放了已完成了60%的体验馆给予家人们先睹为快，让他们可透过平板电脑及视频获得崭新的产品信息与公司资讯。

此外，体验馆内也陈列了完整的护肤及保健系列产品，提供家人们现场试用及试食，亲自体验产品，以让家人们进一步探索及了解传承国际的产品功能与技术。

# NUTRACEUTICAL 工厂参观

传承国际印尼总部和东马的家人们在马来西亚总部和吉隆坡的短途旅游中，我们特地安排了他们参观Nutraceutical工厂，希望藉由此次的工厂探访能让家人们更了解公司的运作，对公司更有信心，同时为自己身为传承人而感到骄傲。

大家不仅认真聆听当日“导游”——Brand8总裁Mr. Alan Saw的细心讲解，遇到不明白的地方更虚心询问，向这群在背后默默努力的师傅们学习。

# 我

来自东马的一个小小地方——  
诗巫。我生长于一个小康家庭，中学毕业后就随我的先生去到了沙巴发展。

在沙巴的时候，我就职美容事业，替别人打工了一阵子后就自己开了一家美容院，也接触到了我人生的第一个直销事业，但经营的时间不长。由于怀孕的关系，我就回去诗巫安胎待产。从此，我每天都过着日复一日的黄脸婆生活，除了顾孩子，还是顾孩子。那时候我开始经营自己的服装店，无奈现实总是骨感的，服装店的生意并没有我预期中的那么好。于是我绞尽脑汁想办法经营，也开始做一些淘宝代购来帮补店里的开销。有时候，营业额甚至比自己打工时的薪水还少，赚的钱都用在出工钱和店里的开销了。

后来，我和我的企业上司秀玲有生意上的来往，她拿了一瓶Redoxy 带着秀燕来到了我的店，做了产品示范并且跟我分享商机。但是我之前做过直销这行业，所以对直销有着一份恐惧感。我之前做直销的经历就是要不停地补钱拿货，才能够赚更多钱。

ROYAL AMBASSADOR

但最终结果是，我囤了很多货，不但没有赚钱，还亏了很多钱。因此，当秀燕分享商机的时候，我就抱持一种敷衍的态度，最后还是应酬式地买了产品、进了会员。

我是一个非常懒惰保养的人，但是 Redoxy 用着用着就改变了我整个脸色，痘疤和痘痘问题都在不知不觉中得到了改善。看到镜子里的自己摆脱了过去那副憔悴的样子，我开始很兴奋地把这个小东西介绍给我身边的顾客和朋友。就这样，我莫名其妙地招了一群代理，自己也成了公司代理。在那一个月内，我竟然赚取了5位数收入！

# 团队付出与贡献

感恩Return Legacy 精心准备了很多栽培课程给我们这些代理们。在这些课程中，我学习了很多人生价值观，从而潜移默化地改变了我的人生。我的家庭也有了一些变化，因为我领悟了原生家庭的重要性，所以面对孩子时也努力让自己成为一个好妈妈、好榜样。

我非常感恩一个人的出现，那就是我们传承商学院的校长——Mr. Alvin Hong。

在遇到校长以前，我的世界除了赚钱还是赚钱。我没有动机、没有目标、没有梦想，不明白自己努力赚钱是为了什么，是校长让我找到了自己的人生目标和梦想。也非常感恩我的企业上司秀玲，她一直无私地帮助我，在各方面给我支援。

还要特别谢谢晓芬和秀燕，她们努力为团队付出与贡献，是我们东马的骄傲，更是我们学习的榜样。

能达到目标，真的要谢谢整个团队的努力。没有  
他们，就没有今天的我。

今天我荣升为**Royal Ambassador**，我做到了！  
我什么都不会、也没有傲人的高学历，就因为我  
选择了**Return Legacy** 这个平台，

# 给心加加分

## 我对一定是你错吗？

每次和别人交流一个问题，到最后都会面红耳赤，大家各持己见，互不相让，想改正这样的习惯，可不知从何做起？怎么让交流少一些争执，多一些平和？如果我们仅仅只是停留在对与错的表面上，错了就批评惩罚，你永远无法理解其他人眼中的真实想法，也无法看到他人的情绪。

“

那么以后他愿意和你坦诚交心吗？他还能汲取他经历这些事情的营养吗？他的关注点除了停留在自己担心受怕上，他哪有心思去积极主动寻找解决问题的办法？人与人的相处发生摩擦时辩清是非对错真的很重要么？

”

《给心加加分：我对一定是你错吗？》在2月20日传承国际总部举行，吸引了来自不同背景的出席者，从中了解人与人之间的交流技巧和如何减少争执。

# PRODUCT TRAINING

传承国际首场以马来文为主的产品工作坊受到热烈的回应，紧接着于2月29日在沙巴举行第二场以马来文为主的产品工作坊。

此活动也荣幸邀请到来自国立大学的教授 Professor Dr. Azizan和传承国际营养师进行演讲，让当地原住民和马来同胞更加了解传承国际所推出产品的优势与进一步了解传承科研。

Professor Dr. Azizan

Professor Dr. Azizan的演讲更是让出席者们对传承品牌更加有信心，让传承人们在经营传承事业时事半功倍，更上一层楼。

## 恒久美丽的秘诀

如果说你的身体在14岁时开始出现变化，55岁时逐显更年期症状，那意即14至55岁期间，你便会经历504次的每月生理变化，而迈入更年期后，你更需要不断调整自己以适应各身体状况。此外，在备孕、妊娠和产后的各个阶段，你也需要好好调理身体以让宝宝健康成长。

对女性而言，维持激素平衡是保持健康与活力的关键。雌激素是主要的女性荷尔蒙，作用主要体现在女性生殖系统和生命周期各方面的发育与调节上。因为女性荷尔蒙失衡对健康影响深远，被认为是导致外表、情绪和认知变化的原因之一。

## 雌激素水平与内在健康

于内在健康而言，雌激素水平主要影响一个人的月经周期，例如经期的长短和经量的多寡等。雌激素变化可导致更年期症状如潮热、盗汗、失眠和其他睡眠障碍的出现。

### 健康的雌激素水平：

- 负责女性第二性征发育
- 调节月经周期和维持子宫内膜健康帮助受孕
- 调节宫颈粘液分泌，以产生保护作用及维持阴道润滑

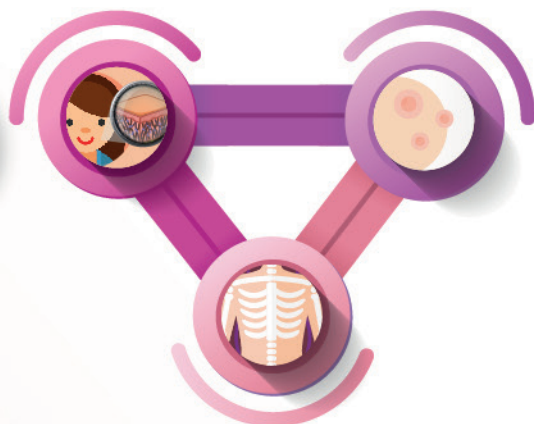

# 雌激素水平与外在体型

除了内在健康，身体外观也受雌激素的各方面影响。当你无法解释为什么腹部、臀部和腿部部位会无故发胖，或是指甲和头发开始变弱变干时，这些症状也许是雌激素失衡的潜在影响。

## 平衡的雌激素水平有助于：

减少肌肤干燥和皱纹的形成，同时改善皮肤厚度、肤质和提升胶原蛋白水平以防止老化迹象。

通过抑制生产油脂的皮脂腺活动，减少青春痘的机率。

保持骨骼健康和强壮，避免骨质流失。

你知道吗？雌激素还会影响支配人体情绪的大脑。它不仅有助于维持体温，还帮助大脑调节对性爱的反应，同时还会增强产生良好感觉的化学物质。所以当你易怒、情绪波动、抑郁、焦虑、疲惫甚至是无法集中精神或记住事情时，这代表你体内的雌激素正面临失衡。
